**New Braunfels, Texas** – The City of New Braunfels Parks and Recreation Department is seeking qualified individuals interested in summer employment. The Aquatic Division of the department is hiring over 60 seasonal lifeguard positions to work at the Landa Park Aquatic Complex and City Tube Chute.

“This is an excellent employment opportunity where you can develop customer service and public relations skills as well as professional lifeguarding skills,” said Robin Kunkel, Recreation Manager. “We are looking for energetic and dedicated people to assist in providing a great guest-experience at our facilities.”

Pay rates for the seasonal lifeguard positions start at \$8.75 per hour. Interested candidates must be sixteen years of age and previous lifeguarding experience is preferred but not necessary. Open positions are contingent on a successful criminal background check, completion of required training and passing scores on tests that accompany the training.
