Moonlight Gala Celebrates the 80th Anniversary of Landa Park

New Braunfels – The New Braunfels Parks Foundation invites everyone to celebrate the 80th anniversary of Landa Park by attending their Moonlight Gala, which will be held in picturesque Landa Park on Saturday, April 16, 2016, beginning at 6:30 p.m.

The Foundation's premier, fund-raising event will be a remarkable evening including a lavish dinner and cocktails from Pavlocks Catering, and live music by Jazz, Blues and Diamonds at the Landa Park Dance Slab. All funds raised from the event will be put towards a renovation of the Landa Park Miniature Golf Course, a favorite feature in the park for over sixty years.

"We encourage all who can attend to celebrate the 80th anniversary of our amazing Landa Park and help us restore the charm of the Landa Park Miniature Golf Course, which has been a family tradition so many in our area have grown up with," said Stacey Dicke, Director of Parks and Recreation.

"The atmosphere, dancing, and wide variety of unique games, raffles and auctions will make this a very memorable evening for all who attend," Ms. Dicke noted. "It's an outstanding opportunity to have a fabulous evening in the treasure that is Landa Park. The sponsors and donors to this event have been so generous. The fund-raising activities contain chances to win custom fitted golf clubs, weekend getaways, a catered event on the Faust Street Bridge, jewelry, art, a hunting trip and other one-of-a-kind, valuable and very special prizes. And it all benefits improvements to beloved Landa Park."

Tickets are still available for this event. For more information, call the Parks and Recreation Administrative Office at 830.221.4350 or visit <http://bit.ly/landagala> to purchase tickets online.
