City Facilities Labor Day Schedule

New Braunfels, TX — Most City of New Braunfels facilities, including City Hall, the Library and the Westside Community Center will be closed on Monday, September 4th in observation of Labor Day. However, Landa Park concessions – the Aquatics Complex, mini-golf, and paddle boats – will be open, as will the Fischer Park Nature Center.

Solid Waste and Recycling services (garbage, recycling, and green waste pickup) will occur as normal on Labor Day, but the City Recycle Center will be closed as it is on all Mondays.
