Traffic Signal Work – S. Castell Ave. and W. San Antonio St.

New Braunfels, Texas – As part of the ongoing downtown sidewalk improvement project, traffic signal work will be performed at the intersection of S. Castell Ave. and W. San Antonio St. Upgrades to the vehicle detection and pedestrian signals will be performed between the hours of 9:00 a.m. and 4:00 p.m. from Monday, March 12th through Wednesday, March 13th, weather and other factors permitting.

The intersection will be posted as a four-way stop during work activities and motorists should expect some delays in the area.
