Upcoming Community Meetings for the Proposed 2019 Bond Program

New Braunfels, Texas — The City of New Braunfels is inviting the public to participate in a variety of upcoming community meetings regarding the development of Street, Drainage, Park, Public Safety, Library and other municipal facility projects as part of the proposed 2019 Bond Program. These meetings will occur at various times and locations over the next several months and will be announced by the local media, on www.facebook.com/CityofNewBraunfels and www.nbtexas.org.

On Monday, June 25, 2018, City Council approved preliminary engineering contracts for multiple proposed 2019 bond projects and those contracts have all been awarded. The preliminary engineering reports/preliminary evaluations will assist the City Council in identifying project feasibility for the 2019 Bond Program.

“All interested individuals, organizations and businesses from New Braunfels and the surrounding area are welcome to attend, learn about the potential projects, and offer input,” said Capital Programs Manager Jennifer Cain.

For details on the proposed 2019 Bond Program visit www.nbbond2019.com.

For additional information on the upcoming public meetings, contact Capital Programs Management at 830-221-4020.
