Klein Road Phase II Community Meeting

New Braunfels, Texas — The City of New Braunfels is inviting the public to participate in a community meeting regarding the possible reconstruction and widening of Klein Road, from Walnut Ave to FM 725, as part of the proposed 2019 Bond Program. The meeting will be held on Tuesday, September 11th, beginning at 6:30 p.m. at Klein Road Elementary School, 2620 Klein Way.

City Council approved the preliminary engineering contracts for multiple proposed 2019 bond projects, including Klein Road Phase II. The preliminary engineering contract for the potential Klein Road project has been awarded to Pape Dawson Engineers. Their report will help City Council in identifying project feasibility for the proposed 2019 Bond Program. This meeting will give the public an opportunity to state any concerns or help identify potential needs along this section of Klein Road.

For details on this potential Klein Road project, and other proposed 2019 Bond Program projects visit, www.nbtexas.org/Bond2019.

For additional information on the community meetings, contact Capital Programs Management at 830-221-4020.
