### **Ribbon Cutting for New Gazebo Circle Sidewalk**

**New Braunfels, TX** - The City of New Braunfels, in partnership with the Friends for the Preservation of Historic Landa Park and the New Braunfels Parks Foundation, invites the public to attend the ribbon cutting for the newly installed sidewalks at Gazebo Circle in Landa Park on Monday, January 14th at 1:15 p.m.

The sidewalks were a joint effort made possible by the generous donation of \$17,300 from the Friends for the Preservation of Historic Landa Park and \$8,000 from the New Braunfels Parks Foundation. These donations are a great example of partnerships working together to keep New Braunfels beautiful and accessible.
