Fotoseptiembre Display at the New Braunfels Civic/Convention Center

New Braunfels - The New Braunfels Photographic Society's display, as part of Fotoseptiembre, will be on exhibit at the New Braunfels Civic/Convention Center from September 13th through September 29th.

Fotoseptiembre is an annual photographic festival in San Antonio and the Hill Country featuring a variety of public photography exhibitions in the region.

"We are so pleased to partner with the Photographic Society once again," said Mandi Scott, Civic/Convention Center Manager. "It's also exciting to be part of the larger Fotoseptiembre event, which is now in its 25th year. We are looking forward to seeing the concourse full of unique and interesting artwork created by local artists."

The exhibition will be on display for public viewing at the Civic/Convention Center Monday through Friday, from 8:00 a.m. to 5:00 p.m., and when the facility is open during public events. For more information visit <https://fotoseptiembreusa.com/fotoseptiembre/about/>.
