2.7 LIBRARY SUPPORT ORGANIZATIONS: FRIENDS OF THE NEW BRAUNFELS PUBLIC LIBRARY, INC., AND THE NEW BRAUNFELS PUBLIC LIBRARY FOUNDATION

Purpose:

As approved and administered by the library director, the library will utilize the support of The Friends of the New Braunfels Public Library, Inc. and The New Braunfels Public Library Foundation, independent, autonomous organizations, exempt from Federal and State income taxes under Internal Revenue Code 502(c) 3, and chartered by the State of Texas to conduct business on behalf of the interests of the library.

Policy and Priorities:

I. Function of the Support Groups

The library encourages the organization of such groups to assist in:

- broadening community interest in the library,
- presenting the needs of the library to the community,
- enhancing communication between the library and the community,
- accepting tax deductible contributions of money or goods for the benefit of the library, and
- securing financial support from the community for library-related projects.

In matters of library policies and procedures, the two support groups shall fall under the guidelines for city usage, and not be held to the restrictions or limitations for other non-profit organizations.

II. Limitations of the Support Groups

Neither organization has policy-making nor library-governing powers but may make recommendations to the Advisory Board for consideration.

All library support organizations may be required, at the direction of City of New Braunfels management, to approve and execute a Memorandum of Understanding (MOU) with the City of New Braunfels. Such MOU will delineate the roles and responsibilities of each organization to the other.

PUBLIC LIBRARY

Representatives of both organizations may attend Advisory Board meetings as non-voting members to provide continuing liaison between the organizations and the Board. In addition, the President of the Advisory Board serves as an ex-officio member on the Foundation
