Citizen Forums on Long Term Water Planning This Wednesday, December 17th

New Braunfels, TX - The New Braunfels City Council and Mayor Barron Casteel will host duplicate Citizen Forums at the New Braunfels Civic/Convention Center, 375 S. Castell Avenue this Wednesday, December 17th.

The programs will feature information from New Braunfels Utilities (NBU) on New Braunfels' water supply and long term water planning strategy and will be held from 9 a.m. to 11 a.m. and again from 6 p.m. to 8 p.m. in order to provide convenience to the community and maximize participation.

These forums will provide the public with the facts about the local water supply, steps NBU has taken to diversify the supply, and the process for managing it - particularly during drought conditions.

The City encourages everyone to take advantage of this opportunity to learn the specifics about this important topic.
