**Meeting Slated for Citizens in Vicinity of TxDOT Walnut Expansion Project**

New Braunfels, TX - New Braunfels City Council will host an informational meeting concerning the Texas Department of Transportation (TxDOT) Walnut Segment Expansion project at Landa Haus, 350 Aquatic Circle, on Wednesday, April 29th.

Walnut Avenue, from Floral Avenue to Grandview Avenue, is currently closed to facilitate the project, resulting in detours in the surrounding area through residential neighborhoods. The roadway is being widened from two to four lanes, along with other improvements, and completion of the work is anticipated in mid-2016.

The meeting will include information from TxDOT representative Jessica Castiglione, Area Engineer for Comal, Guadalupe and Wilson Counties, and an opportunity for citizens to express their concerns and pose their questions about the project to her, city officials and staff.

“The meeting begins at 6:00 p.m. and we encourage those being impacted by the temporary traffic situation to take advantage of this opportunity to hear the update, share their opinions and voice their questions,” said City Manager Robert Camareno.
