Morningside Park Ground Breaking Set for Monday, January 25th

New Braunfels, Texas – The City of New Braunfels invites the public to attend a ground breaking ceremony for the construction of Morningside Park on Monday, January 25, 2016 at 9:00 a.m. The event will be held at the future park site located at 3737 Morningside Drive, next to Morningside Elementary.

“We are thrilled to break ground on this addition to the New Braunfels Parks system,” said Stacey Dicke, Parks & Recreation Director. “I’d like to thank Morningside Elementary faculty and students for their participation and enthusiasm during the park design phase of this project.”

Once completed, Morningside Park will be a wonderful asset to our community. The 16-acre park will offer a variety of amenities including playgrounds, picnic facilities, a children’s bike track, walking trails, a nature play area, and a gaga ball pit.

Morningside Park is a part of the City of New Braunfels 2013 Bond Program. For additional information on this and other Bond Program projects visit www.nbtexas.org/bond. For further details on the ceremony, contact the Parks and Recreation Department at 830-221-4350.
