**Extended Hours for Resident River Passes**

**New Braunfels** – City of New Braunfels officials are encouraging residents to acquire their free Resident River Pass before the 2016 tubing season begins. New Braunfels residents who reside inside the corporate city limits can receive the Resident River Pass at no charge to avoid paying the new River Management Fee. The new fee will be implemented on Saturdays, Sundays, and holidays between Memorial Day weekend through Labor Day.

Residents may obtain their Resident River Pass at the Parks and Recreation Administrative Office or the Landa Recreation Center at any time during normal business hours, as listed below.

Residents must obtain, in advance, a Resident River Pass to avoid paying the River Management Fee when visiting the river. Residents must provide a valid driver's license or current utility bill to verify residency. Children without a valid photo ID or driver's license must come in with a parent or guardian in order to verify residency. The Resident River Pass is good for one year.

In January, City Council approved a recommendation from the River Advisory Committee to implement a revised River Management Fee and collection procedures. The fee will apply only to non-residents. At the same time, a Resident River Pass was approved that allows New Braunfels residents to tube without paying the River Management Fee.
