**District 1 Community Forum Features Capital Projects and Special Guests**

**New Braunfels, Texas** — On Tuesday, December 6th, beginning at 6:00 p.m., District 1 City Councilmember George Green will host a Community Forum at New Braunfels City Hall, 550 Landa Street, in the Tejas Room.

Featured at the meeting will be a presentation by City of New Braunfels Capital Programs Manager, Bryan Woods and engineering consultant Jeff Moeller, President of Moeller and Associates. These speakers will discuss 2013 Bond Program projects in District 1, including the major Morningside Drive/Rueckle Road/Solms Road project.

Also speaking, about the Dallas Cowboys organization, will be Bob Bajackson, Director of Student Publications at Texas State University.

“Come out, enjoy a first-come, first-served pork loin plate dinner from 6:00 – 6:30 p.m., and then hear about improvements currently underway in our district beginning at 6:30 p.m.,” said Councilman Green. “This is a great way to get updated about transportation projects in the district, with a bonus of hearing from Mr. Bajackson, who has been a Media Specialist for the Cowboys. We’ll also have Cory Elrod, Chairman of the City of New Braunfels Planning Commission, and City Manager Robert Camareno as guests. GREEN FOR NB.”
