Street Maintenance Mill and Overlay Resurfacing Beginning

New Braunfels, TX – The City of New Braunfels has announced that potential traffic delays are to be expected on the following streets while they are being resurfaced as part of the City’s yearly maintenance program:

- Hayselton Ave. from Dallas St. to W. Edgewater Terrace
- Lakeview Blvd. from E. Austin St. to E. Torrey St.
- E. Austin St. from N. Union Ave. to Lakeview Blvd.
- Napoleon St. from Comal Ave. to S. Market St.
- Daffodil Ln. from Gardenia Dr. to Narcissus Blvd.
- Klingemann from N. Union Ave. to Elizabeth Ave.

The project will include removing several inches of old asphalt and replacing it with new asphalt. This mill and overlay process removes distresses and smoothes the street surface, providing a better driving experience and longer roadway life. These improvements are being funded by the City’s General Fund.

Crews will progress through the listed streets (not necessarily in the order shown) beginning Tuesday, March 28th through Tuesday, April 4th. Work hours will be 7:00 a.m. to 6:00 p.m.

The work is expected to be completed within the indicated times, weather and other factors permitting.

For additional information, contact Street and Drainage Manager John Cox, at (830) 221-4030.
