Cemetery Semi-Annual Clean Up Scheduled for Week of April 3rd

New Braunfels, Texas – The New Braunfels Parks and Recreation Department, along with Maintenance Management Contracting Services, has scheduled this year's semi-annual cemetery cleanup for the week of April 3rd. Cleanup will take place in both the New Braunfels and Comal Cemeteries and include the removal of materials not in compliance with the City's ordinance, as well as tree and hedge trimming.

Per City Ordinance, section 26-6, temporary markers or ornaments are not allowed. The ordinance also states that all natural or artificial flowers must be placed securely in the flower vases, and that the planting of any trees, shrubs, flowers, etc., of any type is not permitted. Residents are asked to collect all personal ornaments and tributes they wish to keep by April 2nd.

"This semi-annual cleanup process helps to restore and preserve our historic cemeteries," said Stacey Dicke, Parks and Recreation Director.

Cleanup will start on Monday, April 3rd and will conclude on Friday, April 7th, weather and other factors permitting.

For more information on cemetery cleanup, contact the Parks and Recreation office at 830-221-4350.
