Invasive Visual Recording

New Braunfels, Texas — On Aug. 22, 2018, at approximately 6:30pm, officers with the New Braunfels Police Department were called to Ellie's Nail & Spa nail salon located in the 1600 block of State Highway 46 West after a customer said she observed a male salon employee possibly taking illegal photographs or video of another salon customer.

Officers arrived and, after investigating the incident, determined that a male employee of the nail salon had used his phone's camera feature to video record up the skirt of an adult female customer.

33-year old Aiden Nguyen of New Braunfels was taken into custody without incident and transported to the Comal County Jail. He was booked on a single count of Invasive Visual Photography, which is a State Jail Felony. Nguyen's phone was seized at the scene and the investigation into the incident continues. As of this release, Nguyen remains in custody and bond has not yet been set.
