Temporary Lane Closures on Alves Lane

New Braunfels, Texas — The City of New Braunfels has announced temporary lane closures on Alves Lane to accommodate installation of utility connections and paving. This work will necessitate short distance lane closures between the hours of 9:00 a.m. and 3:00 p.m. on Monday and Tuesday, February 25th and 26th, near the junction of Highway 46 West.

Flaggers will be onsite to direct the single lane traffic flow, but drivers should expect delays in the area and may wish to seek an alternate route.

The work is expected to be completed within this timeframe, weather and other factors permitting.
