District 3 Quarterly Citizen Forum Addresses Traffic and Pedestrian Safety

New Braunfels, Texas — New Braunfels City Council District 3 Councilmember Harry Bowers will host his quarterly citizen forum on Wednesday, May 29th, beginning at 6:00 p.m., in the Tejas Room at City Hall. City Hall is located at 550 Landa Street.

City engineering and police department staff members will provide a presentation outlining the process for requesting traffic calming measures (such as stop signs, speed humps, rumble strips, etc.), speed limit reductions and traffic enforcement.

Councilmember Bowers will also include updates available since his last quarterly forum and hold a general question and answer session.

“I welcome all constituents that have an interest or concern with traffic or pedestrian safety to attend the forum and learn about possible options and solutions,” Bowers said.
