For Immediate Release:

Guadalupe County confirms 51st case of COVID-19

One additional COVID-19 case has been confirmed in Guadalupe County, bringing the total cases to 51. The Texas Department of State Health Services made Guadalupe County Office of Emergency Management aware of this additional case Tuesday, April 14, 2020.

Guadalupe County currently has 28 recovered patients, 23 active cases, with two patients being hospitalized outside of the County. The patient is at home and has been self-quarantined since being tested.

Given the increases in the community spread throughout the United States, all individuals are at some risk of exposures to COVID-19. Everyone should monitor themselves for symptoms of COVID-19, practice social distancing, and stay home if they become sick, except to seek necessary medical care.
