HEALTH AND SAFETY POLICY

POLICY. The virus that causes COVID-19 can be spread to others by infected persons who have few or no symptoms. Because of the hidden nature of this threat, it is the policy of this business to require tire following:

1. FACE COVERING REQUIRED IN ORDER TO ENTER PREMISES. All persons over the age of ten (10), including employees, customers, visitors, invitees, and contractors (“Patrons”), who enter this business must wear a face covering over their nose and mouth, such as a homemade mask, scarf, bandana, or handkerchief.

The requirement of a face covering does not apply if covering the nose and mouth poses a greater mental or physical health, safety, or security risk, such as anyone who has trouble breathing, or is unconscious, incapacitated, or otherwise unable to remove the cover without assistance.

2. SOCIAL DISTANCING PROTOCOLS. Even with the use of appropriate face coverings, individuals should maintain six feet of social distancing whenever possible.

a. Employees should not work within six (6) feet of one another, except to the extent necessary to provide services.

b. Patrons should maintain six (6) feet of separation from other individuals outside their household, to the extent feasible when inside the business premises.

c. Patrons of the business queuing or waiting inside or on the premises of the business must maintain six (6) feet of separation from other individuals outside their household.

3. VIOLATIONS. Patrons who do not wear a face covering may be asked to leave the premises and may not be provided goods or services until the face covering requirements are followed.
