

### Solid Waste Requirements

- Submit a written waste plan:
  - What type of waste
  - How many containers in the event area?
  - How often will they be serviced?
  - Where will the waste be consolidated?
  - Who will be responsible for the disposal, if a private hauler they must be registered with the Solid Waste and Recycling Division to operate inside the City?

### Sample Site Plan Legend:

- Blue area two - tents 10x20 each for craft vendors
- Yellow area is stage with no tent over it. 10x30
- Green area is where 3 food vendors are located.
  - They will each have a 10x10 tent spaced out 10 feet
- Orange area is where 4 Porto potties are located
- Orange star is handwashing station
- Red stars are sanitizing stations
- Green Line is fence for event
- Red line is entry and exit for guest
- Blue stars are trash receptacles and large blue star is main trash dumpster.

### Fire Requirements

- No vehicles, trailers, tents, or any other structures shall be allowed within the designated fire lanes of a parking lot or property.
- Any tents over 400 square feet will need to apply for a permit with the NB Fire Marshal's office using the below link.
