

Capital Improvement Plan Survey Summary

Q1: Where should the City make significant investments in facilities and infrastructure? Rank from highest priority to lowest priority, with 1 being highest priority.

Answered: 909 Skipped: 0

Nearly 50 percent of responses indicated that Transportation Infrastructure is the area where the City should make significant investments. Public Safety and Drainage represent priorities 2 & 3.

	1	2	3	4	5	6	TOTAL
Parks & Recreation	10.34% 94	15.73% 143	20.46% 186	32.45% 295	17.82% 162	3.19% 29	909
Transportation Infrastructure	49.06% 446	20.57% 187	13.31% 121	8.47% 77	6.49% 59	2.09% 19	909
Public Safety (Fire, EMS, Police)	19.47% 177	25.30% 230	23.87% 217	15.18% 138	11.11% 101	5.06% 46	909

Library Services	2.86% 26	6.38% 58	10.12% 92	23.54% 214	45.54% 414	11.55% 105	909
Other	5.06% 46	3.41% 31	2.97% 27	4.18% 38	8.47% 77	75.91% 690	909

Question 2 asked respondents to describe other facilities and infrastructure needs.

495 responses were submitted to the question

85 responses were “N/A,NA, or NONE”

“Streets/curbs
around S.
Plum”

“Landa Park”

“Road improvement,
especially Goodwin,
Conrad and
Kolenberg. “

“Public
parking is
needed”

Capital Improvement Plan Survey

If you answered OTHER to the question above, please describe what other facilities and infrastructure needs investment:

Response Date	Responses
Nov 15 2021 05:50 PM	Road repair
Nov 15 2021 04:41 PM	Streets upkeep Klein rd is horrible to say the least
Nov 15 2021 03:04 PM	Public parking is needed
Nov 15 2021 03:02 PM	Dry Comal Trail reinstallation and completion to the baseball fields on Loop 337.
Nov 15 2021 01:20 PM	Repave potholed roads
Nov 15 2021 01:14 PM	Streets
	Specifically, something needs to be done with the intersection at 46 and 35 to alleviate the traffic congestion. I live 5 miles from downtown, and it easily takes me 25-45 minutes just at the intersection. Maybe a flyover for those continuing straight on 46/337? Not ideal, but something of the sort. Also, there needs to be a way to cross the river on the east side of 35, so we don't have to add to the congestion at the 35/46 intersection. As of right now there is no other way to get to the rest of town.
Nov 15 2021 10:30 AM	
	Repainting lane lines all around town. Mainly on Countyline Rd near Hwy 725. People have been driving in the middle of the two lanes. I can't get mad at them, they can't see the lane lines.
	And the dashed lane line on the left turn lanes on every I-35 intersections. The ones that guide drivers into the correct lanes when turning left from a primary road onto the access roads.
Nov 15 2021 10:17 AM	
	Public transportation services, and bike/walk transportation infrastructure. Increased availability of superior service options like Google fiber and higher quality 5G coverages in rural areas.
Nov 15 2021 10:12 AM	
Nov 15 2021 09:09 AM	public transit
Nov 15 2021 10:30 AM	Public mobility - Hike and Bike Trails
	Alternative transportation infrastructure, in combination with flood control through green infrastructure improvements also provides for parks & rec and hey- add a library and a police station hub along the trail & park system and you have wins all the way around with cost savings and quality of life investments
Nov 13 2021 08:46 AM	
Nov 13 2021 08:21 AM	Bike lanes
Nov 13 2021 07:40 AM	Streets/curbs around S. Plum
Nov 13 2021 06:49 AM	Traffic is ridiculous. We need wider roads to accommodate for so much traffic.
	Infrastructure to support our rapidly growing city - this should actually be number 1 on the list. roads , traffic control, outer loop from 306 to the other side of town. That kind of traffic shouldn't be routed through Gruene.
Nov 13 2021 06:20 AM	
Nov 12 2021 08:20 PM	Trails
Nov 12 2021 06:10 PM	Landa Park
Nov 12 2021 04:15 PM	Facilities/programs for seniors, and disabled adults.
Nov 12 2021 01:57 PM	Bldgs

New Braunfels city leadership needs to realize how massively popular Pickleball has become in our region and how poorly the city is supporting it. To start, public tennis courts should have pickleball lines painted on them. Now to play outdoor pickleball outdoors on public courts, NB players must go to San Marcos, Canyon Lake, San Antonio or Austin. Second, NB should allocate capital funds to build dedicated outdoor pickleball courts. Many cities are doing this to attract people to move into their communities. Next, the NB's public indoor courts at Das Rec and Westside are not managed well. Basically during operating hours for these courts, all skill levels are mixed together so beginners often have to play against top players and top players must play with people much below them in skill level. Rather than have all courts dedicated to all levels of play, certain courts should be designated for different skill levels. Courts designated for beginners should have city staff or community volunteers available to teach the rules and techniques for playing. Also, there are many people that would like to be able to reserve a court so they can play with selected other players. The city should have a scheduling system to allow people to reserve courts. Finally, the city should have a pickleball knowledgeable person on site during pickleball hours. This person could rate players and recommend which skill levels they play in. This person could also dynamically allocate which courts are used for each skill level depending on the skills of people in attendance. There are many avid pickleball players who would volunteer to help the city to design these new programs and facilities and to staff the sessions as described above. The city should consider establishing an ongoing committee of community volunteers and city employees. This group could brainstorm to figure it how to implement the best practices described above and organize volunteers to work during the PB sessions. Right now, because the pickleball outdoor facilities are lacking and indoor courts are not managed well, many players go to other cities to play. Hopefully NB will be able to capitalize on this opportunity to expand and improve utilization of their pickleball facilities and programs.

Nov 12 2021 11:29 AM

With TXDOT, build flyovers at 306/IH 35 and at 46/IH 35 exchanges. Pay entire cost if necessary. These are critical exchanges for our quality of life. Lane widening won't solve the problems.

Nov 12 2021 11:19 AM

Repairing neighborhood streets instead of focusing on trying to cater to the tourists.

Nov 12 2021 07:37 AM

Bicycle trails

Nov 11 2021 10:59 PM

infrastructure projects...creekside is a mess now on both sides of the highway. loop 337 and river road was just completed and then destroyed what a waste of tax payers money. Planning our infrastructure smartly and not crippling the whole city.

Nov 11 2021 04:48 PM

Sidewalks are needed on Fredericksburg Rd where many people and children walk daily.

Nov 11 2021 03:16 PM

Parking lots

Nov 11 2021 02:58 PM

road improvement

Nov 11 2021 02:40 PM

Pickle ball courts

Nov 11 2021 01:26 PM

public transportation

Nov 11 2021 01:25 PM

More lights at 4 way stops

Nov 11 2021 12:47 PM

Specifically bike lanes

Nov 11 2021 12:37 PM

Street signs more visible and trim the trees at intersections

Nov 11 2021 12:35 PM

Road improvement, especially Goodwin, Conrad and Kolenberg.

Nov 11 2021 09:38 AM

We'd like to see another dog park. Maybe located in the Cypress Bend park area. Plus, parking to accommodate.

Nov 11 2021 08:59 AM

Roads

Nov 11 2021 07:00 AM

Historic district

Nov 10 2021 08:18 PM

Stop approving large neighborhoods and apartments until roads have been made to support the amount of people here. Traffic everywhere is a nightmare

Nov 10 2021 07:41 PM

Downtown parking

Nov 10 2021 04:36 PM

A performing arts center including a concert hall that accommodates a full symphony orchestra.

Nov 10 2021 02:01 PM

Nov 10 2021 01:00 PM	ROADS
	<p>New Braunfels sorely needs a true performing arts venue that reflects the now and soon to be size and regional profile of our community. Such a facility would accommodate and perhaps in separate but commonly located acoustic and amplified (broadway type) events and concerts. The absence of such a venue currently in New Braunfels results in having to travel to either San Antonio or Austin for such events. New Braunfels is large and high profile enough community to construct and support such a facility for so many type events.</p> <p>Also Pop Up arts venues within the downtown community and our parks would encourage more local residents to come to the downtown area and our parks. These would be small in scale but with appropriate power and shelter and include seating for a small number of people, perhaps benches. The use of these by local arts and performing groups would provide incentive for more people to come to both downtown and our local parks as well as bring people together and help create a greater sense of community and local pride.</p>
Nov 10 2021 11:17 AM	Performing Arts Center, with education wing, various sizes performance venues, Art gallery, etc.
Nov 10 2021 09:17 AM	WE NEED THIS!
Nov 10 2021 07:40 AM	I would love to see access to a community composting system as well as better recycling opportunities other than curbside recycling
Nov 10 2021 07:28 AM	Performing Arts Facility
Nov 10 2021 07:22 AM	Sidewalks on Elliott Knox (I-35 business) in areas where they're lacking and bike lanes.
Nov 09 2021 06:45 PM	Performing arts center large enough for the Mid-Texas Symphony and professional troupes and theatre.
Nov 09 2021 01:37 PM	Performing Arts facility
Nov 09 2021 01:05 PM	Historic downtown
Nov 09 2021 10:58 AM	City beautification and Tourism Welcome Center
Nov 09 2021 10:53 AM	We need good bike paths or at least sidewalks so we can ride bikes here
Nov 09 2021 10:34 AM	Busses inner city ,
Nov 09 2021 09:29 AM	electrifying transportation w/ awareness of reducing carbon impact
Nov 09 2021 09:27 AM	Sidewalks
Nov 09 2021 09:26 AM	Maintain the character of our downtown so it continues to be unique and an attraction to new businesses and tourists.
Nov 09 2021 08:47 AM	Overall street and road repair, housing, public transportation
Nov 09 2021 08:10 AM	trails for biking and hiking as well as for transportation in the city
Nov 09 2021 08:04 AM	Invest in the roads. They are badly marked and like driving on washboards. They don't even drain properly when it rains.
Nov 09 2021 08:01 AM	I'm not sure if road improvement is included in transportation infrastructure.
	Protected bike lanes, reduce car spots for parking downtown. End the car monopoly to enable residents to move about with other modes.
Nov 09 2021 07:30 AM	Like in Delft.
Nov 09 2021 07:22 AM	Big arts facility with built in seating like Kerrville has that rents out for productions like symphony, regional theatre competitions, and other uses.
Nov 09 2021 07:08 AM	Better shopping mall and parking garage
Nov 09 2021 06:21 AM	Please stop building on every square inch of New Braunfels. People like it because of its small town feel. That is quickly disappearing.
Nov 09 2021 01:51 AM	City art
Nov 08 2021 11:57 PM	Sidewalks in neighborhoods
Nov 08 2021 10:42 PM	Residential street in newer sub divisions. ie: Klein road, Walnut
Nov 08 2021 10:08 PM	Road repair
Nov 08 2021 09:35 PM	Traffic lights need to be adjusted to better assist the flow of traffic.

Nov 08 2021 08:20 PM	road safety
	Too many people are moving here and changing who we are in politics, culture, and way of life. Stop the billboards advertising to Californian's and other states to come here! We are too crowded and our small town charm that brings in a lot of \$ through tourism and is something locals enjoy is going away. Too many new subdivisions because city council won't listen. Bigger roads now needed to service more people. This could have been avoided. To answer your question not sure
Nov 08 2021 08:04 PM	where the spending should go , but don't spend on advertising for more people to move here.
Nov 08 2021 07:56 PM	Fix HWY 46!!!!!!
	We need to look to the future when it comes to city owned vehicles and buses operated by the
Nov 08 2021 07:46 PM	river services. Creating a time line for less polluting vehicles.
Nov 08 2021 07:29 PM	I would like to see more consideration given to Historical Preservation of our buildings.
Nov 08 2021 07:27 PM	Senior center
Nov 08 2021 07:26 PM	Pedestrian and cyclist transport options
	The airport still needs improvement. Runway 17/35 needs a parallel taxiway. The airport also needs a security fence around the entire airport. There is no fence in many places. Security gates are always open allow uncontrolled access to anyone. Without a fence there is also free range for cattle and deer among other animals which will call millions of dollars to any jet aircraft and even loss of life. IF you decide to widen any runway it needs to be 150 feet wide. Large corporate jets usually need 150 wide runways to turn around on. 100 feet will work but some of your larger
Nov 08 2021 06:51 PM	corporations will go elsewhere.
Nov 08 2021 06:43 PM	Roads
Nov 08 2021 06:41 PM	Roads
Nov 08 2021 05:51 PM	sidewalks and bike trails
Nov 08 2021 05:48 PM	More beautification- fountains
Nov 08 2021 05:39 PM	traffic control
Nov 08 2021 05:39 PM	Downtown
Nov 08 2021 05:28 PM	tourism
Nov 08 2021 05:14 PM	reduce taxes & spending (eg. large bond programs every year)
Nov 08 2021 05:14 PM	Down Town Area
	Review of mall and other large parking areas with exits facing conflicting crossings. Might be worth
Nov 08 2021 05:11 PM	to check if they can be rerouted to help keep/increase traffic flow
	Don't know whether this would be included in transportation or not but something needs to be done
Nov 08 2021 05:09 PM	at hwy 46 by I35. I've seen traffic backed up for miles exacerbated by the large trucks that travel it.
Nov 08 2021 05:06 PM	limit urban sprawl
Nov 08 2021 05:03 PM	Mental health facilities
	Traffic is horrendous. More police more enforcement on drivers. Brings in revenue/ tickets that is. Just have a police officer as a traffic cop,who handles accidents and other traffic violations.
Nov 08 2021 05:01 PM	Alleviating beat cop from accident and aggressive patrol. One traffic cop per each shift.
Nov 08 2021 04:39 PM	road repairs
Nov 08 2021 02:54 PM	Crisis centers
Nov 08 2021 12:46 PM	Public transit
Nov 08 2021 12:39 PM	Paint the street lines since they are harder to see at night or when it rains.
Nov 08 2021 12:20 PM	Traffic light on 337 by river mill crossing neighborhood to allow for left turns

Nov 08 2021 10:33 AM	An up and coming city the size of New Braunfels is in serious need of a quality performing arts center that can hold 1,500+ people, such as the Cailloux Theatre in Kerrville. This can serve as a performing facility, as well as a place to hold graduations, theatre competitions, symphony performances and other touring performances that are too large for the Brauntex. The acoustics and seating are not adequate in the Civic Center for these types of events.
Nov 08 2021 10:24 AM	Performing Arts Facility
Nov 07 2021 12:36 PM	Restrict new developments/new subdivisions until after roads are built to support the future growth. Remember George Bush "it's the economy stupid "? It's the traffic congestion stupid! It takes forever to get anywhere in this town now and you keep platting more and more.
Nov 07 2021 11:41 AM	In this case, literally any other thing. The city doesn't need to spend any extra money on police, especially. Over 50% of the budget is for them, time for other aspects of the city to be improved instead of buying the Police Department another tank.
Nov 06 2021 11:43 PM	Trolley system into downtown
Nov 06 2021 06:17 PM	The roads are in disrepair and need to be fixed asap.
Nov 06 2021 01:19 PM	Sidewalk safety for children walking to and from schools. Especially near Goodwin Elementary and Churchill Middle school
Nov 06 2021 09:43 AM	Walking Trails and Bike Paths
Nov 05 2021 04:52 PM	Public safety is important followed by education of the children
Nov 05 2021 04:44 PM	City needs to invest more in protecting historic resources, making areas within the loop easier to reach by cycling or walking, and connect parks
Nov 05 2021 01:08 PM	Less Apartments until Transportation infrastructure has been completed
Nov 04 2021 10:56 PM	Turn Gruene into walking village. Formal walkway down to river. Decarbonization of city
Nov 04 2021 09:28 PM	Free downtown parking garage with ground floor having a tall ceiling for sprinter type vans. Must include outlets for electric type vehicles.
Nov 04 2021 06:35 PM	Recycling for business and residential, including compost Public transportation
Nov 04 2021 06:04 PM	We need street lights on FM 1101 especially since traffic is being re-routed there quite often. It is way too dark on that road to drive safely. Since they put new asphalt on the road it has made the ditches beside it deeper and road is hard to see.
Nov 04 2021 04:05 PM	public transportation
Nov 04 2021 02:41 PM	Sidewalks
Nov 04 2021 02:10 PM	Creek side traffic
Nov 04 2021 01:14 PM	Spend less altogether
Nov 04 2021 12:53 PM	Replace benches that are not used on Walnut and replace with park exercise equipment https://www.sanantonio.gov/ParksAndRec/Parks-Facilities/Specialty-Parks-Amenities/Fitness-Stations-Outdoor
Nov 04 2021 12:20 PM	Traffic control.
Nov 04 2021 11:38 AM	Golf course
Nov 04 2021 11:36 AM	The city has already out grown many of the roads and traffic is terrible. Growth within the city has surpassed the amount of traffic that the roads were built to handle.
Nov 04 2021 11:24 AM	Fishing opportunities
Nov 04 2021 11:19 AM	Affordable Housing ; Homeless shelter
Nov 04 2021 11:10 AM	The traffic on FM 725 needs to be addressed
Nov 04 2021 11:10 AM	Complete road projects that are currently in process before beginning another one. Too many roads in our town are under construction.
Nov 04 2021 10:59 AM	Pickleball courts
Nov 04 2021 10:52 AM	Milltown could really shine with an investment from the city. Faust street bridge and the old mill are beautiful and historic, just need some attention
Nov 04 2021 10:45 AM	Internet service expansion
Nov 04 2021 08:07 AM	Upgrade downtown

Nov 04 2021 06:52 AM	The creekside shopping center entrance/exit is a nightmare and it backs up the people going from I35 to 306. That shopping center needs another entrance/exit.
Nov 04 2021 02:41 AM	Street lights EVERYWHERE
Nov 03 2021 10:24 PM	Location signage
Nov 03 2021 08:27 PM	Goodwin lane
Nov 03 2021 08:01 PM	Drainage openings on side of the road to be more smoother when driving over them. As well as smoother drive over train tracks.
Nov 03 2021 07:23 PM	Signage, downtown shuttle service, more beautification of our historic downtown
Nov 03 2021 05:45 PM	1. Make the so called park on Alves a real park
Nov 03 2021 05:02 PM	We need more connected trails that are away from car traffic.
Nov 03 2021 03:56 PM	I would love to see bike trails or system for road biking in New Braunfels. There are so many bikers along Hunter Road/1102, but no bike lanes. I'm sure this is seen on other busy roads throughout our town. It also would assist with the transportation issues perhaps.
Nov 03 2021 02:52 PM	I believe more work could be done on our streets. Mostly North Market and East Nacogdoches. Sanitation. Need a better way to make use of waste -- especially that being dumped here from San Antonio.
Nov 03 2021 01:53 PM	
Nov 03 2021 11:40 AM	Improved social services for veterans, homeless, displaced individuals and families
Nov 03 2021 11:01 AM	The park closet to the jail needs to be monitored better. We dealt with delinquent teenagers doing illegal recreational activities while our young boys were practicing for football. It's not the kind of environment that promotes excellence within a community. I watched one kid scream at a mother while she was walking her son to the car because she asked them to watch their mouth due to young children around.
Nov 03 2021 09:51 AM	New Braunfels is now at a size where public transportation is a necessity, even if it is not the large size VIA type buses.
Nov 03 2021 08:57 AM	Fiber infrastructure, underground utilities - especially in the high traffic areas of town, contiguous sidewalks that are properly maintained.
Nov 03 2021 07:01 AM	Another Golf Course. Landa Park is over crowded.
Nov 02 2021 10:39 PM	Goodwyn road
Nov 02 2021 08:49 PM	Bridge and road over Guadalupe River between Canyon Lake and Gruene
Nov 02 2021 08:09 PM	Develop land on Alves that is already reserved for city park. The land does not flood any longer, so city can now create a welcoming park. Also, a city ordinance needed for metal roofs that have direct glare on others' homes, causing increase in utility costs. (Observe the problem on Mellow Breeze.)
Nov 02 2021 06:36 PM	Streets and sidewalks
Nov 02 2021 01:04 PM	Public transportation
Nov 02 2021 11:30 AM	How about street lights at the crosswalks in front of all of the schools on Freiheit road?? Kids crossing in the dark, even with PD is NOT SAFE! This morning there was no sheriff to direct or cross leaving kids in darkness and drivers unable to see them Crossing in front of Freiheit Elementary. This is a terrible disaster waiting to happen....
Nov 02 2021 04:38 AM	Free parking downtown.
Nov 02 2021 04:14 AM	Roads and traffic control
Nov 01 2021 11:55 PM	Left turn lanes signals downtown. More turn lanes throughout the City. Better synchronization of lights
Nov 01 2021 01:16 PM	Parks in the Creekside/Northside of the City. There are no parks outside the Loop for this part of town
Oct 31 2021 06:54 PM	Just fix the freaking traffic at creekside. Put in over passes. Counter flow is a terrible plan. Stop with the apartments stacking on top of the area too
Oct 31 2021 09:23 AM	Side walks in areas with high traffic. Common st from loop to union. I see people everyday having to walk in the street in areas where cars may not see them.

Oct 31 2021 08:03 AM	Economic dev
Oct 30 2021 11:51 PM	Public transportation and parking downtown.
Oct 30 2021 11:06 PM	Connectivity to the internet for all in the city.
Oct 30 2021 07:07 PM	Streets
Oct 30 2021 06:33 PM	Hiking and Biking trails and natural spaces
Oct 30 2021 11:19 AM	Preventative not reactive Mental Health Services
Oct 29 2021 07:47 PM	Maintain the integrity and charm of the downtown area. Instead of modernizing lean into the authentic German culture and architecture
Oct 29 2021 10:50 AM	Cheap train fair between Austin and San Antonio with a stop or bus to our town. We should ease some of the traffic on 35 and open up more job opportunities for people who can't afford their own cars.
Oct 29 2021 10:14 AM	Sidewalks/connectivity
Oct 29 2021 07:23 AM	We need roads to be completed before anymore road construction begins. The traffic is horrendous coming from the east side. No more subdivisions until roads are complete. The lights need to be synchronized to let more than 3-5 cars through. It takes about 30 minutes to get to IH35 which is about 1 mile. Stop the insanity!!
Oct 28 2021 06:13 PM	Every where you go ALL street lines and symbols need to be repainted on the streets
Oct 28 2021 09:18 AM	Power and water services, roadways (this town has horrid roads that the city does nothing about)
Oct 27 2021 04:31 PM	Transit and biking. Start looking at examples abroad so y'all aren't shooting yourself in the foot ten years from now. Don't need huge bike networks, but a little more in the way of sidewalks will go a long way.
Oct 27 2021 01:00 AM	We do not have enough parks for our City. We need more Fischer Parks throughout New Braunfels.
Oct 26 2021 11:52 PM	Improved roads in inner city new Braunfels. Dittlinger/Central is terrible!
Oct 26 2021 10:56 PM	I think your list is comprehensive. I do not have an "other" in mind.
Oct 26 2021 10:26 PM	Performing Arts Center
Oct 26 2021 08:14 PM	Recreation center geared to older adults
Oct 26 2021 02:17 PM	I had a hard time deciding between infrastructure (which is reallllly reallly important right now!) and parks. Parks would help me deal with traffic problems though.
Oct 26 2021 06:13 AM	Connective city-wide trail and bicycle infrastructure for transportation and recreation.
Oct 26 2021 05:58 AM	Stop sign on Hunter road and cypress rapids so that residents of the neighborhood can cross the road with their car or on foot. All those speeding through the neighborhood going from 337 to 306 will not stop and let us cross. It is very dangerous.
Oct 25 2021 03:58 AM	Homeless housing etc
Oct 24 2021 01:22 AM	Something to facilitate traffic on 46 from I-10 to I-35
Oct 23 2021 10:11 PM	Sports field
Oct 23 2021 08:36 PM	Public parking downtown
Oct 23 2021 05:33 PM	the saftey of children - new schools and school zones barely marked and faded or no crosswalks
Oct 23 2021 04:23 PM	Streets need repainting of the lines. I can hardly see them on several streets and when it rains, you can't see the lines at all.
Oct 23 2021 04:13 PM	Paint some lines on the roads!!!!
Oct 23 2021 02:09 PM	ALL public buildings must be 100% ADA compliant, regardless of year built or historical significance, to allow wheelchair users and otherwise mobility-challenged persons access that is equal to that of a non-disabled person. This means ramps in front of the building, instead of "servant-like" entrances in the rear. People who are not able-bodied must be treated with respect and given priority over any historical significance a public structure may have. Any public structure not in accordance with the Americans With Disabilities Act should be given 30 days to come into compliance or be permanently shuttered.

Oct 23 2021 12:53 PM	Slow down on approving new housing developments the infrastructure will be negatively impacted.
Oct 23 2021 12:39 PM	Sidewalks
Oct 23 2021 09:52 AM	We desperately need public transportation - local buses, light rail, etc
Oct 23 2021 08:52 AM	Fix Castell street and STOP tearing up streets until all current projects are done!!!
Oct 22 2021 10:31 PM	Public transportation in the city outside city and between cities. Most important is to have buses that are convenient, easy and affordable
Oct 22 2021 10:01 PM	There needs to be sidewalks on 46 east of town
Oct 22 2021 09:36 PM	Creek side and Barbarosa
Oct 22 2021 09:05 PM	Bike lanes and bike paths. Especially along 46.
Oct 22 2021 08:18 PM	More sidewalks
Oct 22 2021 05:47 PM	Repair poor city streets, and install more sidewalks. The Kerlick sidewalk is wonderful and heavily used by residents.
Oct 22 2021 05:44 PM	Downtown parking policy is an ongoing disgrace. The City needs to recognize the historical downtown is the jewel in New Braunfels crown. City needs to exercise eminent domain and purchase the old Co-op site before it is too late.
Oct 22 2021 05:42 PM	Greenbelt
Oct 22 2021 05:02 PM	Remove unnecessary stop signs. Improve the historic downtown buildings
Oct 22 2021 03:27 PM	Most other cities I have been to that have a river have, if not a park, at least a walking path along the river with bench and fountains and the like.
Oct 22 2021 12:34 PM	I didn't and while I put parks & rec at #5, I wish to submit the idea of purchasing land (as it becomes available) to be "open space" or park land around the parameter of the city . This creates a pretty and useful greenbelt around the city in perpetuity. It also happens to increase property values. There are definitely both pros and cons to this idea. Thought I'd throw it out there.
Oct 22 2021 11:31 AM	street maintenance
Oct 22 2021 09:11 AM	Roads specifically. Preferable that recently repaired streets (San Antonio Street, Klein) are not comparable to ranch roads a year after "repair."
Oct 22 2021 08:50 AM	Public transportation River conservation Disc golf course Mountain bike trails
Oct 22 2021 06:26 AM	Common Street from the loop to 306 needs to have 2 lanes added. On the many days that there is an accident on I-35, Common Street becomes the route of choice.
Oct 22 2021 01:10 AM	Resolute Hospital is plagued with poor access in a timely manner. Traffic congestion with the apartment growth is awful. The city could use a bypass from Klein road across the river giving better access from Walnut and Seguin roads to creek side and the hospital eased traffic back ups as well in these two main roads as well as hwy 46.
Oct 22 2021 12:29 AM	Traffic situation getting into and out of New Braunfels to other areas in the County. Hwy 46 S in particular.
Oct 21 2021 11:45 PM	Inline hockey rink indoor facility
Oct 21 2021 11:03 PM	Work on roads and lights to keep traffic moving. Also need a bridge county line rd to 46. Stop subdivisions until roads and water can keep up.
Oct 21 2021 10:28 PM	Investment in regional transit like Amtrak for regional travel and then a joint commuter rail system between SATX and ATX. Paving/cementing over the aquifer doesn't make sense, we have so many rail lines that even if it's adding another rail line expense, then it would be worth it. That and/or even exploring some park and ride locations new or using low use parking like the At Home store parking lot or even some of the Planet Fitness - Jo An Fabrics shopping center. Encourage commuting/HOV mentality which could lead towards a regional bus commuter system or help show the numbers for regional rail travel. Which having a regional rail network that is bike able would be beneficial towards.

Oct 21 2021 10:27 PM	Don't like 'transportation infrastructure' choice. Very broad. Not sure if manipulative Democrats will try to use against us in the future. Probably will. I'm all for roadway improvements to include toll ways. Not a fan of being taxed for something I won't use like a tram, trolley, train, subway, bus, shuttle or cattle car.
Oct 21 2021 10:23 PM	Roads
Oct 21 2021 09:47 PM	Public transit
Oct 21 2021 09:33 PM	Downtown parking
Oct 21 2021 07:49 PM	Public Services to under-privileged in our community.
Oct 21 2021 07:36 PM	Senior citizen center that provides meaningful activities for seniors. i.e. transportation to plays, concerts, guest speakers, etc. The current center does nothing of value.
Oct 21 2021 07:16 PM	Bathrooms at Weston soccer fields
Oct 21 2021 05:42 PM	We need another Rec center. Something on the east side maybe. You should call it Zwei, die Zwei, or Das Rec Zwei. Das Rec is rapidly becoming too small.
Oct 21 2021 05:21 PM	Hike and bike trail. Extend the Memorial/ County Line trail over FM725 to the river.
Oct 21 2021 05:13 PM	Completion of Mission Hill Park Master Plan
Oct 21 2021 05:07 PM	We are in critical need of roads improving. You are allowing multiple new neighborhoods built around Hwy 46 to seguin, near creek side, and near the airport however the roads cannot, cannot!!!, support the amount of drivers! It's a nightmare driving anyway around this area!
Oct 21 2021 04:59 PM	HVAC and facility lighting upgrades.
Oct 21 2021 04:53 PM	Infraestructura when it rains, river is always flooding, we should have a backup plan if we know that we have a river near.
Oct 21 2021 04:30 PM	Engineer a system to connect bike and walking trails.
Oct 21 2021 04:30 PM	Complete Mission Hill Park Master Plan
Oct 21 2021 03:31 PM	Wood Street needs to be replaced and side walks add d. This area is becoming increasingly used. The drivers travel much to fast and there are more children in the area.
Oct 21 2021 03:10 PM	The water tower on Sycamore at Coll needs to be painted as a giant mural honoring NB and repurposed as an observation deck or something. The neighborhood park around it is in pitiful shape - turn it into a lovely flower garden, community vegetable garden, sculpture garden, mural walls for kids to paint - something. We need a rec center for tweens, young teens - their own dance club, foosball, ping pong. There's not enough activities for kids that age.
Oct 21 2021 02:35 PM	Road maintenance
Oct 21 2021 02:30 PM	Road improvement
Oct 21 2021 01:24 PM	Overpasses on Loop 337
Oct 21 2021 01:13 PM	stronger internet connectivity throughout especially for businesses
Oct 21 2021 12:17 PM	Sidewalks connecting the neighborhoods in the proximity of NBFD #6. especially the Clear Springs Ranch community off Hwy 46.
Oct 21 2021 11:07 AM	INTERSECTIONS, TURNING LANES, LIGHTS, EXPANSION OF 725 INTO 4 LANE
Oct 21 2021 10:15 AM	Downtown parking
Oct 21 2021 09:33 AM	Bridges sidewalks bike lanes parking downtown need parking garage with in walking of down town. More fire station police substations
Oct 21 2021 09:20 AM	Education and attracting new companies should be a focus as well.
Oct 21 2021 09:18 AM	Homeless facilities, transit centers, neighborhood revitalization and reinvestment
Oct 21 2021 09:15 AM	The city Public Works facility is horrific ! If you don't believe me go look at ours and then go to Comal County on 46 West. That's all you will need to see to prove this point. Our public works facility is as bad as it gets!
Oct 21 2021 09:06 AM	OUter loop planning for growth
Oct 21 2021 08:44 AM	Streets - East of IH35
Oct 21 2021 07:59 AM	Affordable housing

Oct 21 2021 07:31 AM	Sidewalks on 306 end of E Common St, repainted street lane markings, pedestrian crosswalk markings on E Common Street
Oct 21 2021 07:01 AM	911 technology updates
Oct 21 2021 06:33 AM	Road & Street Maintenance
Oct 21 2021 05:22 AM	E Tanglewood drive needs repaired
Oct 21 2021 05:09 AM	public transportation
Oct 20 2021 09:59 PM	Some access to parks/rivers/parking for exclusive use of residents.
Oct 20 2021 09:14 PM	Working on roads or making sidewalks down every road, and repair the ones we currently have.
Oct 20 2021 09:11 PM	Train track improvements on Hunter Rd with crossing guards that don't get stuck, trains that don't sit for hours blocking two crossings, and preferably quiet zones. Also, dark sky lighting restrictions for all of the development going in.
Oct 20 2021 09:00 PM	Purchase or swap land for free space. See San Marcos for a model. Lands Park and the river are swamped with tourists. Locals need unpaved hiking and biking trails. Locals also need river access for kayaks.
Oct 20 2021 08:53 PM	Walkability
Oct 20 2021 08:52 PM	I wish we had an international airport here in NB.
Oct 20 2021 08:50 PM	Economic development
Oct 20 2021 08:31 PM	workforce housing
Oct 20 2021 05:54 PM	Flyover at 46 and 306 and I35. Walk. Jog. Bike paths throughout the city. Easier/free access to the river for residents. Fight harder to keep cultural identity of NB. Force downtown businesses to provide parking (no loopholes).
Oct 20 2021 05:26 PM	Mental health services and homeless resources
Oct 20 2021 04:27 PM	Sidewalks
Oct 20 2021 04:20 PM	Puppy play land park needs a restroom.
Oct 20 2021 04:20 PM	The roundabout- citizens need to l education on how to use it
Oct 20 2021 03:54 PM	Traffic flow
Oct 20 2021 03:21 PM	Trail system.
Oct 20 2021 03:13 PM	Housing Developments for indigent and low income families
Oct 20 2021 03:12 PM	Roads
Oct 20 2021 03:11 PM	We need a bus line. Two routes. One for downtown area. The other for outlying area. With a transfer possibility. Please! This could really solve some of our traffic problems. Take some cars off the road.
Oct 20 2021 02:09 PM	The roads/streets in this City are horrible. Even when they have just been completed (San Antonio St), they are good for about 6 months tops.
Oct 20 2021 01:51 PM	With all due respect... less new homes. For the love of all things absolute good and holy, begging on my knees, please can we focus less on ruining farmland for new houses and focus more on the actual community who has been here. I am so burned out of growth. At this point, it's like a cruel joke. People from the area no longer want to live here. I repeat, people from New Braunfels are looking elsewhere to live because we are being pushed out of our own community. The marketing of "small-town rural community" is so false, I could say the sky was pink and believe that statement better. New Braunfels is no longer small or cozy, people are tired of the growth and it sickens me. Saddens me, rather. Other facilities? How about less facilities.
Oct 20 2021 01:49 PM	Stop adding/building new homes when our infrastructure clearly can't handle the traffic. Make 46 wider. Back roads saengerhalle and Barbarosa rd by the airport need to be widened. It's common sense to build better infrastructure before adding all these houses and people to an already packed city.
Oct 20 2021 01:32 PM	Traffic congestionStreets crumbling Reduce development in Creekside
Oct 20 2021 01:26 PM	parking spaces

Oct 20 2021 01:21 PM	Some intersections need some help, creekside crossing meets 1101, Barbarossa should not have that much traffic it needs turn lanes
Oct 20 2021 01:18 PM	Maintenance and overall care of the additional sidewalks being put in throughout the city.
Oct 20 2021 01:09 PM	Additional Parking in downtown area
Oct 20 2021 01:04 PM	More sidewalks. A light or dedicated turning lane from 1102 onto Hoffman lane
Oct 20 2021 12:17 PM	Social services.
Oct 20 2021 11:39 AM	Reduce semi traffic on 46Relook at settings and timing on traffic lights
Oct 20 2021 10:50 AM	Improve or implement more turn lanes
Oct 20 2021 08:54 AM	SEALE ELEMENTARY
Oct 19 2021 08:22 PM	Traffic control
Oct 19 2021 07:46 PM	Transportation means public transportation and sidewalk access, not just roads!
Oct 19 2021 05:26 PM	Sidewalks in neighborhoods: i. e. Oakwood Street in Oakwood Estates
Oct 19 2021 05:03 PM	Cleaning garbages from highways and roads sides, cutting grasses, landscaping.
Oct 19 2021 04:56 PM	Sidewalks and bike lanes
Oct 19 2021 04:54 PM	Protection of historical landmarks, architecture and culture
Oct 19 2021 04:23 PM	Street repairs
Oct 19 2021 04:17 PM	Acquisition of more public access to rivers
Oct 19 2021 03:57 PM	Securing ROW for projects prior to needing it. Land prizes are crazy, be sure the City is securing the needed ROW for future projects now. It will pay dividends later.
Oct 19 2021 03:06 PM	homeless population
Oct 19 2021 02:17 PM	Schools need more teachers and more campuses built for the ever growing communities.
Oct 19 2021 02:11 PM	Water, internet
Oct 19 2021 02:01 PM	Street improvements and repairs
Oct 19 2021 01:49 PM	traffic control
Oct 19 2021 01:44 PM	roads improvement and maintenance
Oct 19 2021 01:21 PM	Public open space that isn't a playground or focused on tubers.

Q3: Describe your level of satisfaction with the following facilities, amenities, or infrastructure:

Answered: 909 Skipped: 0

Over 90 percent of respondents indicated that they were either **Very** or **Somewhat** Satisfied with Parks & Recreation, Library, Police, Fire & EMS services

Over 70 percent of responses indicated a level of dissatisfaction with Transportation Infrastructure

	VERY SATISFIED	SOMEWHAT SATISFIED	SOMEWHAT DISSATISFIED	VERY DISSATISFIED	TOTAL
Parks & Recreation	34.81% 314	48.67% 439	11.86% 107	4.66% 42	902
Library Services	51.00% 458	41.09% 369	6.68% 60	1.22% 11	898
Police	46.58% 422	39.85% 361	10.26% 93	3.31% 30	906
Fire & EMS	58.67% 531	35.80% 324	3.87% 35	1.66% 15	905
Transportation Infrastructure	3.76% 34	22.46% 203	35.40% 320	38.38% 347	904
Drainage & Flood Control	9.29% 84	45.91% 415	32.08% 290	12.72% 115	904

Q4: Which of the following parks and recreation amenities needs the most investment to meet your expectations? Rank from highest to lowest with 1 needing the most investment.

Answered: 897 Skipped: 12

	1	2	3	4	5	6	7	TOTAL
Parks with active elements (playgrounds, pavilions, splashpads, etc.)	15.26% 132	16.53% 143	22.77% 197	21.39% 185	15.14% 131	7.40% 64	1.50% 13	865
Parks with passive elements (green space, trails, nature education, etc.)	20.71% 181	29.63% 259	20.37% 178	13.39% 117	8.01% 70	6.41% 56	1.49% 13	874
Recreation/fitness center	6.19% 53	7.36% 63	12.62% 108	19.51% 167	25.35% 217	24.65% 211	4.32% 37	856
River recreation	11.37% 98	12.53% 108	17.52% 151	17.75% 153	14.27% 123	22.85% 197	3.71% 32	862
Sports fields	8.49% 72	7.67% 65	10.50% 89	16.63% 141	24.65% 209	25.71% 218	6.37% 54	848
Hiking and walking trails	35.30% 311	25.77% 227	15.21% 134	9.88% 87	8.17% 72	4.77% 42	0.91% 8	881
Other	6.88% 44	2.19% 14	2.03% 13	1.72% 11	3.75% 24	6.88% 44	76.56% 490	640

Responses strongly indicated a desire for Hiking and Walking trails along with Parks with passive elements as the priority for parks improvements

Question 5 asked respondents to describe other parks and recreation amenities needing investment

337 responses were submitted to the question

73 responses were “N/A,NA, or NONE”

“New
playgrounds”

“Pickleball
facilities and
programs”

“We would
like to see
another dog
park.”

“We need
another park
like Landa-it’s
getting so
crowded”

Capital Improvement Plan Survey

If you answered OTHER to the question above, please describe what other parks and recreation amenities need investment:

Answered

337

Skipped

572

Response Date	Responses
Nov 15 2021 08:13 PM	would love a lap pool for swimming
Nov 15 2021 04:41 PM	Bathrooms and benches
Nov 15 2021 03:02 PM	Reinstall bike lanes on Landa toward 337 and elsewhere. Reinstall and complete Dry Comal Creek from Landa Park to Athletic Fields on 337.
Nov 15 2021 02:59 PM	we have new offices and rec spaces.... need something other than veramendi to expand green space.
Nov 15 2021 01:20 PM	Bathrooms
Nov 15 2021 10:30 AM	Again, something on the east side of 35, or a way to get south of the river without having to go through the 35/46 intersection would be ideal.
Nov 15 2021 10:17 AM	The parks are fine. Focus somewhere else. This is coming from someone who has 3 kids and uses the parks often. Just keep doing what you've been doing.
Nov 15 2021 10:12 AM	Make more use of public parks by including variety's of gardens and dedicated spaces for different animals.
Nov 15 2021 09:09 AM	New playgrounds
Nov 13 2021 08:46 AM	If the city is going to invest in river recreation you should couple that with the green infrastructure improvements and make it community access for residents at a reduced or free rate. Seems like it is private landowners who have the access and make all the money from our rivers...
Nov 13 2021 08:21 AM	More greenspace
Nov 13 2021 07:40 AM	More spots for Camp Minnehaha
Nov 13 2021 07:25 AM	Park restrooms need to be better maintained and improved
Nov 13 2021 06:49 AM	More parking.
Nov 13 2021 06:20 AM	I didn't want to put other but the survey left me no choice. But, I am in favor of some walking paths - but not the city going overboard in spending a significant amount of money to turn simple walking and biking paths into 10' wide concrete paths with expensive park benches - probably landscaping which goes against the idea of preserving and enjoying natural nature. Every project doesn't need to be overdone. The path between walnut and kanda along the dry final creek doesn't need to be made into a "park" keep it simple.
Nov 12 2021 08:20 PM	Fishing
Nov 12 2021 06:10 PM	For the population growth, we need more parks. What happened to the park on Independence Dr?
Nov 12 2021 04:15 PM	Biking trails
Nov 12 2021 01:57 PM	Parking
Nov 12 2021 11:29 AM	Pickleball facilities and programs
Nov 12 2021 11:19 AM	Free public access to our public rivers, Comal and Guadalupe. City has done a very poor job of securing no cost public access/egress points and parking for residents. Everything is geared toward charging money. City coffers and outfitter bank accounts seem to be the top priority.
Nov 12 2021 09:48 AM	Throw some money into maintenance of Landa Park golf course.
Nov 12 2021 06:55 AM	Disc golf - at least 1 18-hole well-maintained course
Nov 11 2021 10:59 PM	Trails
Nov 11 2021 07:19 PM	Parking areas for parks.

	Free Teenage based recreational options. Parks and playgrounds are great but mostly geared for younger children. Teenagers do not have many choices to pick from for recreational activities. Not everyone can afford a monthly fee for Das Rec teenagers need a space they can meet friends and hang out that is safe and most of all fun for them. Thank you
Nov 11 2021 01:26 PM	
Nov 11 2021 01:25 PM	dog parks
Nov 11 2021 12:31 PM	Bike trails
Nov 11 2021 08:59 AM	We would like to see another dog park.
Nov 10 2021 09:03 PM	Make better access for disabled. More handicap parking and enforce parking regs
Nov 10 2021 01:00 PM	Sports field
	Previously discussed Pop Up arts venues as previously discussed above. Also greater attention to public transit access. This will require cooperation from the state.
Nov 10 2021 11:17 AM	
Nov 10 2021 09:17 AM	Dog parks
Nov 10 2021 07:28 AM	Gathering places
Nov 10 2021 07:22 AM	We need another park like Landa-it's getting so crowded
Nov 09 2021 06:45 PM	Outdoor pavilion for the public to view drama and hear concerts.
Nov 09 2021 01:37 PM	More parks
	Study the recreational activities and needs of the lower income people disparately hurt by increasing property taxes. Don't limit improvements to wealthy neighborhoods like Lakeview Terrace.
Nov 09 2021 01:05 PM	
Nov 09 2021 12:01 PM	Landa
Nov 09 2021 11:51 AM	We need designated bike lanes.
	More Pet Friendly / Pet Only Parks (that are disinfected regularly so dogs don't spread canine diseases to other dogs)
Nov 09 2021 11:46 AM	
	More flowers and self sustaining landscape which is conserving water and better systems to collect rain water for reuse
Nov 09 2021 10:58 AM	
Nov 09 2021 10:53 AM	Bike trails
Nov 09 2021 10:09 AM	Our parks are fine and just need maintaining
Nov 09 2021 08:47 AM	More amenities at parks --- BBQ pits, seating. Upgrade Landa Park
Nov 09 2021 08:04 AM	Improved hiking trails. We went to Panther Canyon and couldn't even see a proper trail.
	Protected bike lanes that interconnect all areas of the city, including parks to other parks and to downtown, as well as creek side.
	Something like Indianapolis' Monon Trail.
Nov 09 2021 07:30 AM	
Nov 09 2021 01:51 AM	River safety
Nov 08 2021 11:57 PM	Accessible by sidewalks
	Parks and recs do a great job. It is time to start work on a second facility like Das Rec near the new Long Creek HS.
Nov 08 2021 10:33 PM	
Nov 08 2021 10:08 PM	Bike lanes
Nov 08 2021 08:43 PM	Biking trails, maybe amphitheater
	We need more parks / walking tails throughout the city. Landa Park doesn't even have a decent walking trail.
Nov 08 2021 07:56 PM	
	River recreation should be designed to draw responsible people and families to our city. We and commercial interest should do more to encourage visitors show respect for the natural beauty our city offers. Commercial interest should not override people's use of our parks as happens in Cyprus Bend Park.
Nov 08 2021 07:46 PM	
	Education of local endemic and endangered species, importance of springs, aquifer and rivers
Nov 08 2021 07:26 PM	

	<p>We need more city and county hiking trails and side walks. Bike lanes are too narrow causing many people just to ride down the middle of the street. There needs to be a sidewalk from the town of Gruene down Rock Street to the bridge. Too many drunk people negotiate the hill and there is nothing good for them to walk on. There needs to be cross walks in Gruene, everywhere! The sidewalks along FM306 are way too narrow and weeds and grass cover the sidewalks. There is zero Maintenance and no one wants to own up to maintaining the sidewalks or the middle of the road where deer are hiding in the grass. There needs to be a much deeper ditch along Common Street between Gruene Road and FM306. Common Street floods during heavy rain.</p> <p>Have a evacuation plan for the city because with the uncontrolled growth in the Hueco Springs Region we are going to have and continue to have very large and dangerous flash floods.</p>
Nov 08 2021 06:51 PM	
Nov 08 2021 05:48 PM	More activities
Nov 08 2021 05:44 PM	By "other" I meant educational programs on the natural environment, climate impacts and gardening in harmony with native flora & fauna.
Nov 08 2021 05:39 PM	conservation
Nov 08 2021 05:39 PM	More bike trails
Nov 08 2021 05:27 PM	Tennis courts with lighting
Nov 08 2021 05:15 PM	This city needs a safer biking, combination hiking trail throughout the city. There is nowhere one can ride bicycles safely in this city and they are liable for any accidents!
Nov 08 2021 05:14 PM	west san antonio street development
Nov 08 2021 05:06 PM	Safe places to ride bicycles on the road.
Nov 08 2021 05:01 PM	Golf course needs more landscaping care
Nov 08 2021 12:46 PM	Free river access
Nov 08 2021 10:33 AM	More public access is needed for our rivers, for example on the other side of Fair Lane that is blocked off.
Nov 06 2021 11:43 PM	Walking access from Palace Heights culdesacs into Fischer park
Nov 06 2021 08:32 PM	Wurstfest parking
Nov 05 2021 11:02 PM	More restrooms, plan for more parking
Nov 05 2021 04:52 PM	I'm more concerned with police/fire protection followed by educational benefits for my children. More activities for children.
Nov 05 2021 04:44 PM	I think Parks & Rec does a pretty good job
Nov 05 2021 05:32 AM	Major improvements to the Puppy Playland. Add bathrooms, activities, nicer landscaping
Nov 04 2021 10:56 PM	Turning Gruene into walking village including river access and greenery.
Nov 04 2021 09:28 PM	Panda Park Golf course is a popular venue for charity golf tournaments which improve our city. Parking is limited. The road to the golf course needs to be repaired and parking spaces increased.
Nov 04 2021 06:36 PM	Additional golf course or comprehensive golf learning, practice and short course facility
Nov 04 2021 06:35 PM	Untouched nature, to keep natural habitats for flora and fauna.
Nov 04 2021 05:46 PM	Outdoor Theatre/Pavillion like Miller Outdoor Theatre in Houston for plays and cultural performances
Nov 04 2021 02:10 PM	Playgrounds
Nov 04 2021 12:09 PM	We need another golf course.
Nov 04 2021 11:38 AM	Landa Golf Course needs to be private.
Nov 04 2021 11:36 AM	More of them.
Nov 04 2021 11:10 AM	The golf course is always packed and I believe that residents should have priority
Nov 04 2021 10:59 AM	Pickleball courts
Nov 04 2021 10:51 AM	Golf course layout
Nov 04 2021 10:45 AM	Picnic space
Nov 04 2021 10:42 AM	Parks/Golf Courses with Golf Development facilities for youth and beginners (i.e. 9 hole par 3 course, driving range).

Nov 04 2021 08:07 AM	Another golf course
Nov 04 2021 07:53 AM	Pedastrean and also bicicletas 🚲
Nov 04 2021 06:52 AM	More river park areas for residents
Nov 03 2021 10:24 PM	Security!
Nov 03 2021 08:01 PM	A children's park on Alves Ln
Nov 03 2021 07:23 PM	Beautification improvements of our downtown such as planters, hanging planters, etc.
Nov 03 2021 05:02 PM	Pedestrian trails away from cars
Nov 03 2021 03:56 PM	Biking Trails for Road bikes
Nov 03 2021 01:53 PM	We need an outdoor active and SAFE space for our seniors.
Nov 03 2021 01:33 PM	More shade at Fischer Park
Nov 03 2021 12:56 PM	Anything not on the list
Nov 03 2021 11:01 AM	There needs to be more areas like Landa. There also needs to be public river access that doesn't cost an arm and a leg. Some families want to get in the water and enjoy the river, but not float it.
Nov 03 2021 07:01 AM	Another Golf Course
Nov 02 2021 10:39 PM	North side by oak creek / wasser neighborhood
Nov 02 2021 08:09 PM	The land reserved for a city park on Alves needs to be developed now that flooring is no longer an issue.
Nov 02 2021 05:00 PM	I think NB does a good job in this area, so I don't have any strong feelings in this area.
Nov 02 2021 11:47 AM	They need more playgrounds for kids that don't have 10 million people at every park
Nov 02 2021 04:14 AM	Shady parke
Nov 01 2021 09:24 PM	Better restrooms
Nov 01 2021 01:16 PM	All Abilities Parks and Play Equipment!!!!!!!!!!!!
Nov 01 2021 10:16 AM	Bike trails!
Nov 01 2021 08:40 AM	Parks within walking distance of most citizens.
Oct 31 2021 04:53 PM	Hiking trsils
Oct 31 2021 08:07 AM	Downtown parking needs to be addressed. There is a lack of parking available when events, festivals, and parades. We probably need a multi story parking garage.
Oct 31 2021 08:03 AM	Accessibility for wheel chairs in activities- raised bed gardens
Oct 31 2021 01:08 AM	Park on Alves Lane looks like empty lot. Lived here 20+ years, never knew it was a park!
Oct 30 2021 06:33 PM	More shade at fischer park
Oct 30 2021 11:19 AM	Protect our tree canopy city wide. Development is Murdering trees. Trees = oxygen and cooler temperatures. New Braunfels is many times higher temperature than San Antonio?
Oct 29 2021 10:50 AM	More bike Lanes. Less curbs in bike Lanes
Oct 29 2021 10:14 AM	This town needs more connectivity - walking/sidewalks don't connect. Our downtown dead ends at Comal Town, the Dry Comal Creek trail has no beginning or end, there a no or very little sidewalks around the tubing part of town, there are no crosswalk signals in Comal Town. There is so much untapped potential for making NB more walkable
Oct 29 2021 07:21 AM	We need to stop river advertising. There are too many people on the rivers. Or stop permitting so many tubing companies. Cut off the toob mafia.
Oct 29 2021 12:51 AM	Facilities and amenities and staffing to support additional capacity and expansion for spring break, after school, and summer camps at the same reasonable/sliding scale costs for families.
Oct 28 2021 05:59 PM	On kowald/freiheit there needs to be a small landscaped park area for parents to wait for their kids after school right now we all walk through tall grass and weeds to meet our kids it's really lame
Oct 28 2021 10:47 AM	Buildings need rehabbed at several parks. Restrooms need upgraded.
Oct 28 2021 09:03 AM	New Braunfels would benefit from an outdoor pickleball facility.
Oct 28 2021 12:29 AM	Community facilities for weddings large parties
Oct 27 2021 04:31 PM	Interconnecting parks is a huge plus and is a good replacement for standalone trails

Oct 27 2021 10:20 AM	Cleanliness of our beautiful parks. Fine people who litter, put signs up "don't mess with Texas " & stop speeders through our parks.
Oct 27 2021 08:54 AM	More parks needed
Oct 26 2021 10:26 PM	Bicycle paths
Oct 26 2021 02:49 PM	There needs to be more parking made available for tourist/locals who go to the river acres at Common St bridge and Cypress Bend park. Many people are parking on Peace street. The city should pave, pay to park and make sidewalks for river goers. Plus lots of trash cans...people leave their garbage all over the streets.
Oct 26 2021 05:58 AM	We need side walks, bike paths throughout the city.
Oct 25 2021 06:32 PM	Another Dog Park for east side of I35
Oct 25 2021 09:14 AM	Restrooms
Oct 25 2021 06:24 AM	Bike trails linking parks & green spaces
Oct 25 2021 03:51 AM	More Dog parks
Oct 23 2021 10:47 PM	River Recreation should be last!
Oct 23 2021 04:41 PM	Dog park on north east side of town
Oct 23 2021 04:13 PM	Paint lines on all roads
Oct 23 2021 02:09 PM	Build a local skate park and plenty of parks near high volume population areas like apartment complexes.
Oct 23 2021 01:11 PM	Year round access to Olympic pool. Also another Olympic pool.
Oct 23 2021 08:52 AM	Sidewalks in all subdivisions.
Oct 22 2021 10:55 PM	Please more dog parks!
Oct 22 2021 10:31 PM	Affordable senior citizen activities, transportation and more arts and culture
Oct 22 2021 10:01 PM	More green space
Oct 22 2021 09:05 PM	Bike/running/walking paths. Bike lanes.
Oct 22 2021 07:36 PM	Security cameras
Oct 22 2021 10:27 AM	Alves Lane Park, at least I think its a park with no improvements
Oct 22 2021 09:11 AM	Should not be a priority with the roads to these parks in such a mess
Oct 22 2021 08:50 AM	More public River Access 18 hole Disc golf course Mountain bike trails
Oct 22 2021 08:16 AM	Start using recycle water in our Parks and other City green spaces. Every year it's put off the cost goes up! If it had been done when it was first proposed we would be well ahead in our water plan. Require new city buildings to have passive water catchment and xeriscaping (sp). With our high growth rate the City needs to implement more responsible water plans in place.
Oct 22 2021 01:10 AM	Create a hobby center. Teach painting, making ceramics, teach sewing, classes to learn to dance, beginner piano lessons, classes to prepare simple tax returns, how to knit or crochet, how to build a work bench, make tutors available for students, computers 101 for seniors, offer a marketplace healthcare rep. and medicare classes, offer classes on how to apply for a job, etc. Community involvement is important! It is not only about sports for kids. It is about getting to know people in your community as grows. As a young teen I loved being a member in an group called the Employers. The local fire department taught us what they do. It was a summer program where we washed the emergency vehicles one weekend and the next we cleaned the station, the next we helped prepare dinner and the final week they had us pack lunch and they took us out on a pontoon boat. The next summer we looked forward to seeing the role models we looked up to. They took us horseback riding our second year in the program. It was something I remembered all of my life. The fire dept. was next to the library and community pool. The park was also a block away. It made for a great childhood.
Oct 21 2021 11:45 PM	Inline hockey rink preferably indoors
Oct 21 2021 11:03 PM	Year around spring fed pool open just like baron springs in Austin. It time to move up in the real world of big city.

	A network of these facilities. They don't all have to be separate. There are great use cases where sports complexes have great trails or play ground incorporated with them. Overall our trail system in town is very much lacking connectivity and distance within town but also lacks connections to any of the surrounding communities
Oct 21 2021 10:28 PM	
Oct 21 2021 10:27 PM	Shooting ranges
Oct 21 2021 10:06 PM	Either expand the skate or build another one. Make spaces for the TEENS in this city!
Oct 21 2021 10:04 PM	Frisbee golf.
Oct 21 2021 07:36 PM	Swimming pools
Oct 21 2021 05:42 PM	We need another outdoor Rec center for sure and another outdoor pool.
Oct 21 2021 05:21 PM	Extend the Memorial/County Line hike and bike trail. Provide water points.
Oct 21 2021 05:13 PM	Completion of Mission Hill Park Master Plan
Oct 21 2021 04:53 PM	Special needs amenities in our Parks, we have a great number of Special Needs kids in our community that are not included. No ramps, no pavement, no easy access.
Oct 21 2021 04:30 PM	Create county wide system of hike and bike trails.
Oct 21 2021 04:30 PM	Complete Mission Hill Park Master Plan
Oct 21 2021 03:10 PM	Recreation for tweens, young teens, families. We need a real arboretum/botanical garden.
Oct 21 2021 01:24 PM	land acquisition
Oct 21 2021 12:17 PM	A dog park in the south part of the county.
Oct 21 2021 11:48 AM	Security towers on the trails.
Oct 21 2021 11:07 AM	HANDICAP ACCESSIBILITY
Oct 21 2021 09:51 AM	Get the dog park up to speed.... PLEASE. It's a joke.
Oct 21 2021 09:15 AM	The golf course needs a driving range.
Oct 21 2021 07:55 AM	Lights on the trails for evening walks around Fischer parks with benches. Y'all order and placed to many benches on the Walnut project you never see anyone use them.
Oct 21 2021 07:38 AM	More sidewalks and bike lanes all over town
Oct 21 2021 07:31 AM	Handicap access
Oct 21 2021 07:28 AM	None. No more additional investment
Oct 21 2021 07:18 AM	Need a "Das Rec" east of I-35
Oct 21 2021 06:33 AM	Handicapped access
Oct 21 2021 06:20 AM	More FREE PUBLIC access to OURriverbanks
Oct 21 2021 05:34 AM	Bike racks in parks and around downtown
Oct 20 2021 09:59 PM	Park and river areas for use by residents only
	The Tube Chute area needs its own bathrooms. The tube chute and dam area should be maintained better, beautified, and kept clean. Every time I go there is trash everywhere. The sidewalks are also VERY slippery even though the concrete has been grooved. There should be a very wide set of stairs constructed (near the tube chute) to help many people to exit the river at once and the exit ladders need to be greatly improved. Also, there needs to be more picnic tables on the Float In side and the railing system needs to be updated. Also, tax paying residents of New Braunfels should be able to park for free at Prince Solms park and on Hinman Island Dr instead of having to walk all the way from by Wursthalle.
Oct 20 2021 08:57 PM	
	I wish we had a hiking trail that was as good as Lower Purgatory Creek trail in San Marcos. I like the length and secluded feeling of the trail. As well as the different elevations and sceneries along the trail.
Oct 20 2021 08:52 PM	
Oct 20 2021 08:50 PM	Outdoor exercise equipment
Oct 20 2021 03:54 PM	Walking trails
Oct 20 2021 03:11 PM	We need a bus line. Public transportation. Start small just two busses.

Oct 20 2021 03:08 PM	parking at sporting complexes (all soccer and baseball complexes) & more parking around downtown. HEB soccer complex needs more truck parking. The spots are too small and not very many spots available.
Oct 20 2021 01:55 PM	Need to do something with a very park right now it is a vacant field and we could use a dog park in that area
Oct 20 2021 01:51 PM	No more gyms, please? It's looking more and more like San Marcos each week.
Oct 20 2021 01:18 PM	Areas for individuals with pets. The current dog park is in need of major improvements and an additional dog park should be added towards the North side of town.
Oct 20 2021 01:04 PM	More trails and parks on northwest side of NB
Oct 20 2021 11:39 AM	Make park on Alves a real park not just grass land
Oct 20 2021 11:07 AM	Sidewalks
Oct 20 2021 10:05 AM	Disc Golf
Oct 20 2021 09:37 AM	Biking Trails
Oct 20 2021 08:37 AM	dog parks
Oct 19 2021 04:56 PM	Existing parks in other areas other than Landa and Fisher also need playground equipment and protection from the sun for the children.
Oct 19 2021 04:23 PM	Landa
Oct 19 2021 04:17 PM	Acquisition of more public access to rivers
Oct 19 2021 02:17 PM	Need more trees planted at parks due to massive developments taking down trees to build more homes and shopping centers.
Oct 19 2021 02:12 PM	Dog parks that provide exercise/engagement activities for the dogs.
Oct 19 2021 02:11 PM	Special needs Park, child and adult
Oct 19 2021 01:21 PM	bicycle facilities and trails
Oct 19 2021 01:21 PM	Playgrounds/Splashpads at the bottom of the list. We do not need anymore.
Oct 19 2021 12:15 PM	Neighborhood and community parks with both active and passive elements, also outdoor recreation opportunities and inclusive play

Q6: Which of the following library services needs the most investment to meet your expectations? Rank from highest to lowest with 1 needing the most investment.

Answered: 837 Skipped: 72

Responses indicate a priority for additional library locations.
Expansion of the main library was also strongly supported.

	1	2	3	4	TOTAL
Outdoor programming and activities	22.43% 168	31.11% 233	41.26% 309	5.21% 39	749
Expansion of the Main Library	34.97% 270	33.68% 260	26.04% 201	5.31% 41	772
Additional library locations	42.06% 326	30.71% 238	22.45% 174	4.77% 37	775
Other	12.22% 61	4.81% 24	8.02% 40	74.95% 374	499

Question 7 asked respondents to describe other library services needing investment

292 responses were submitted to the question

50 responses were “N/A,NA, or NONE”

Definitely need
more satellite
library locations

A second library
south of IH35
would be nice

Additional
reading rooms
that include
computers

Capital Improvement Plan Survey

If you answered OTHER to the question above, please describe what other library services need investment:

Response Date	Responses
Nov 15 2021 04:41 PM	A facility on this side of 35 would be nice
Nov 15 2021 03:42 PM	additional learning services
Nov 15 2021 02:59 PM	with the expansion planned we can wait on library for a while
Nov 15 2021 01:20 PM	More space for bookshelves
Nov 15 2021 11:55 AM	A book mobile that goes to local schools
Nov 15 2021 11:10 AM	Stop the nonsense of the 306/35 road design. They are nuts for thinking this is a good idea. So many accidents in San Marcos at their intersection.
Nov 15 2021 10:30 AM	Would love a location on the east side of 35
Nov 15 2021 10:12 AM	Bringing more importance on library spaces by giving communities programs and events to attend or aid.
Nov 14 2021 09:26 PM	Library is great
Nov 13 2021 08:46 AM	Definitely need more satellite library locations, ideally located along trails or next to parks or schools so they are easily accessible.
Nov 13 2021 08:21 AM	More children's library services
Nov 13 2021 06:49 AM	Do not charge membership if you have a New Braunfels address.
Nov 13 2021 06:20 AM	I don't know anything about our library - but I would think giving the community access to technology they may not have - computers etc. - would be if primary importance.
Nov 12 2021 08:20 PM	More digital resources
Nov 12 2021 08:06 PM	more adult programming outside work day - we are not all retired
Nov 12 2021 06:10 PM	Upgrade Landa Park
Nov 12 2021 04:15 PM	Immersion style training of social media platforms, online processes for functioning in this technological society, for senior adults missing out on internet world. It has become far too overwhelming for many. Resources are not resources for many who are Internet illiterate
Nov 12 2021 01:57 PM	Library does not need to expand
Nov 12 2021 09:48 AM	Nothing at this time.
Nov 11 2021 01:26 PM	Activities for teenagers.
Nov 11 2021 01:25 PM	more instruction in digital technology
Nov 11 2021 12:35 PM	Being more center not so left of center
Nov 11 2021 09:36 AM	I would love to see services in the main library of Maker's Space - 3D printing, engraving, etc with people who can teach and help run the equipment.
Nov 10 2021 02:56 PM	More ebook offerings
Nov 10 2021 01:32 PM	Online services, such as book rentals from other sources and/or language learning tools.
Nov 10 2021 11:17 AM	Mobile library services for neighborhoods and in partnership with schools.
Nov 10 2021 09:17 AM	More technology
Nov 10 2021 07:22 AM	More study rooms would be nice!
Nov 10 2021 06:36 AM	I am not really concerned with library services
Nov 09 2021 06:54 PM	Additional reading rooms that include computers
Nov 09 2021 04:12 PM	Book drop near or in area of HEB on HWY 46 West
Nov 09 2021 02:33 PM	expansion of digital services
Nov 09 2021 01:05 PM	Expanding physical, printed books onsite so that the people will always have access to history and topics that are currently considered politically incorrect.
Nov 09 2021 12:01 PM	Limiting books to digital versions mean they can be edited and destroyed.
Nov 09 2021 12:01 PM	Extend library hours.
Nov 09 2021 11:51 AM	I would like to see more Educational Programs.

Nov 09 2021 11:46 AM	More online services such as online movies and such for New Braunfels and Comal County residents.
Nov 09 2021 10:58 AM	More sales of used books and music
Nov 09 2021 10:24 AM	Technology improvements please! Updated computers and more of them.
Nov 09 2021 10:20 AM	Homeschool opportunities
Nov 09 2021 10:09 AM	Stop subsidizing un-American programs
Nov 09 2021 09:26 AM	The main library needs to be expanded particularly with the quantity of hardback books. Much more variety and completion of series by subject and author are desperately needed.
Nov 09 2021 08:47 AM	More current books and video services.
Nov 09 2021 08:04 AM	It looks like the library shelves are at capacity and yet when I want a particular title (book or dvd) the library won't have it.
Nov 09 2021 07:35 AM	More senior classes on computer & internet skills.
Nov 09 2021 05:08 AM	more DIY workshops
Nov 09 2021 01:51 AM	Opportunities to the community from talented guests; authors, illustrators, animators, artists, etc..
Nov 08 2021 11:57 PM	Education
Nov 08 2021 11:22 PM	Too many handicap parking spaces.
Nov 08 2021 11:10 PM	More substantial ebook catalog
Nov 08 2021 10:33 PM	Work with the school districts.
Nov 08 2021 10:08 PM	Larger selection of materials
Nov 08 2021 09:50 PM	audio books
Nov 08 2021 09:30 PM	Larger inventory of books. Feel that we're really lacking there.
Nov 08 2021 08:43 PM	Larger budget to allow for electronic resources to flourish with modern technology.
Nov 08 2021 07:46 PM	The Library serves my need just fine.
Nov 08 2021 07:11 PM	More Audio & ebooks. Library facilities are great
Nov 08 2021 06:59 PM	I moved here from San Antonio and I'm routinely surprised at the lack of inventory at the New Braunfels Public Library. I don't feel that they should charge for interlibrary loan.
	Investment in more books, videos and music for children. Many items are worn out.
Nov 08 2021 06:50 PM	Also an alternative location for voting poll within the library. Being adjacent to the children's library is not ideal. Kids should be able to be kids and not have to walk on eggshells during voting days.
Nov 08 2021 06:43 PM	Additional programs for teens and adults
Nov 08 2021 06:41 PM	Longer hours
Nov 08 2021 06:08 PM	More shelf space to retain more books.
Nov 08 2021 05:51 PM	material (hard cover books, dvds, etc)
Nov 08 2021 05:48 PM	More reading groups, outside speakers, more DVDs and more current digital books available from Lone Star Library/Overdrive
Nov 08 2021 05:39 PM	Better staffing
Nov 08 2021 05:32 PM	Lighting improvements.
Nov 08 2021 05:15 PM	More cultural programs and venues for our great library. Additional classrooms or music rooms.
Nov 08 2021 05:14 PM	More audio books - easier system than Libby
Nov 08 2021 05:10 PM	Expanded Overdrive choices
Nov 08 2021 05:09 PM	I would like to see more books. I read using Libby and it there doesn't appear to be as many books as I had using overdrive in another state
Nov 08 2021 05:03 PM	Remote access to library materials.
Nov 08 2021 05:03 PM	Need subscription to Foundation Center database to support local nonprofits.
Nov 08 2021 05:01 PM	Better parking. Seems congested at times
Nov 08 2021 04:52 PM	Library materials are far too politically correct and left-leaning. I'd like to see less if this and more conservative materials.
Nov 08 2021 04:51 PM	More books available, including older literature for kids. Also a more user friendly library website.

Nov 08 2021 04:50 PM	Expansion of outreach programs as needed.
Nov 08 2021 04:49 PM	More online services, and more computers/computer help for people who don't have access to computers/Wi-Fi/assistance. Also much faster wifi
Nov 08 2021 12:46 PM	.
Nov 07 2021 12:36 PM	Stay open later
Nov 06 2021 11:43 PM	Library does NOT need expansion
Nov 06 2021 10:50 PM	Library services are fine. Spend money on widening and improving roads!
Nov 06 2021 08:08 PM	There needs to be a drive up option to pick up books on hold. There is one in Denton, TX and it was a lifesaver because I could still get books when my baby was asleep in her car seat without waking her up, especially when the weather is bad
Nov 06 2021 06:17 PM	Nothing needs to be improved.
Nov 06 2021 09:43 AM	Better Hours
Nov 05 2021 06:43 PM	Don't need anything in this category
Nov 05 2021 04:52 PM	I'd like more books and online options for reading
Nov 05 2021 04:44 PM	I would like for there to be more archival material available freely online through the library.
Nov 05 2021 01:08 PM	No growth needed. We have the internet.
Nov 04 2021 06:35 PM	Education about environmental issues and solutions for those.
Nov 04 2021 04:05 PM	online access to content to allow at home or remote locations
Nov 04 2021 02:10 PM	Book signing
Nov 04 2021 11:10 AM	A second library south of IH35 would be nice
Nov 04 2021 10:51 AM	Online
Nov 04 2021 10:46 AM	I don't see any need in this area
Nov 04 2021 10:45 AM	Computer research expansion
Nov 04 2021 08:07 AM	Not sure how important a library is now.
Nov 03 2021 10:24 PM	Advertising or better community knowledge
Nov 03 2021 05:02 PM	The library is already perfect
Nov 03 2021 03:56 PM	More access to children's audio books?
Nov 03 2021 01:53 PM	Mobile library needs to be reactivated.
Nov 03 2021 08:57 AM	More robust marketing of the library and its services already offered.
Nov 02 2021 10:39 PM	north of nb
Nov 02 2021 08:09 PM	More technology
Nov 02 2021 05:00 PM	I don't use the library regularly, so I don't have an opinion.
Nov 02 2021 11:47 AM	More mobile libraries
Nov 02 2021 04:38 AM	I like the library and employees very much. I think the website could use an upgrade.
Nov 01 2021 01:16 PM	Keep working on the Westside Community Center and Library
Nov 01 2021 10:16 AM	Expand Libby/ebook selections!
Nov 01 2021 08:40 AM	Online books for disabled access reading.
Oct 31 2021 04:53 PM	Out door music concerts
Oct 31 2021 08:03 AM	Love the library- it brings us into town more- would love to see a walking trail system connect if better with down town more formally so it was a walking destination to down town- have it more easily connect. Love the kids space. Maybe even consider supporting excess books into little free libraries (those box things) around town as a way of getting literature out there and promoting the library system- still love our library!
Oct 30 2021 06:33 PM	Free audible 😊
Oct 30 2021 11:19 AM	Preventative Mental Health Information
Oct 29 2021 07:21 AM	Online services.
Oct 29 2021 12:51 AM	Extended hours and/or smaller locations with indoor/outdoor broadband availability.
Oct 28 2021 12:29 AM	History. The correct history books to teach youth
Oct 27 2021 09:57 PM	more tech and research and crafts. Research on family roots. Smart phone help.

Oct 27 2021 04:31 PM	Not a varied selection of books. Hard to balance between old tech and new tech ebooks
Oct 27 2021 01:00 AM	The Library is not a Major to me.
Oct 26 2021 10:26 PM	Expanded online access
Oct 26 2021 02:49 PM	The Library located at Common St. needs more available parking. There is a lot of unused City property behind the library that can be used for additional parking
Oct 25 2021 09:14 AM	Computer systems for children
Oct 25 2021 08:36 AM	Digitization & archives/records
Oct 25 2021 07:13 AM	More activities for school aged kids in the summer
Oct 25 2021 06:24 AM	Expanded digital book collection
Oct 23 2021 02:09 PM	Programs and materials for visually impaired and blind patrons.
Oct 23 2021 01:11 PM	More coding and computer classes for kids.
Oct 22 2021 10:55 PM	More investment in digital and audio books.
Oct 22 2021 10:31 PM	More classes
Oct 22 2021 07:25 PM	Not sure more .only needs to be invested here since so much is online now
Oct 22 2021 03:27 PM	There needs to be a better base of digital books that have availability where you do not have to wait weeks to get them.
Oct 22 2021 09:11 AM	Roads!
Oct 22 2021 07:43 AM	I don't think the library needs improvement. There are way a lot of other issues that need to be addressed first.
Oct 21 2021 11:03 PM	I would like to see more digital book options added
Oct 21 2021 11:03 PM	Add public libraries to schools. Roosevelt high school in SA does it. And it works.
Oct 21 2021 10:04 PM	Kids events at multiple locations throughout the week.
Oct 21 2021 05:42 PM	We need more libraries
Oct 21 2021 05:13 PM	Create Tejano and Texana Collection at Mission Hill Park Facility
Oct 21 2021 05:07 PM	We don't need to spend more money on library!! We need road improvements!!!!'
Oct 21 2021 04:59 PM	Family centric programs
Oct 21 2021 04:53 PM	Riomobile has a small number of Books and the Bus needs a little bit of Love too
Oct 21 2021 04:30 PM	Place Tejano and Texana Collections at Mission Hill Park
Oct 21 2021 04:30 PM	Create position of resident artist to expose more residents to art and culture.
Oct 21 2021 03:31 PM	More programming within the libraries
Oct 21 2021 01:24 PM	Online access to library
Oct 21 2021 09:33 AM	Library should invest in an online library not physical locations. We can Zoom any need meetings there is no reason the entire library is not on line
Oct 21 2021 09:15 AM	More digital resources.
Oct 21 2021 09:06 AM	None, I think our current library is doing a good job and we don't need to invest more dollars in the building additional, costly brick and mortar when the future is online.
Oct 21 2021 08:44 AM	Technology and Online access learning
Oct 21 2021 07:55 AM	I think that the current library services are sufficient as they are.
Oct 21 2021 07:38 AM	They aren't open late in the evening. High school doesn't get out until 4:20 they need a place to go that is offering things for high schoolers not just little kids. There are so many thing they put on that I can't attend because they only offer them in the middle of the day.
Oct 21 2021 07:31 AM	I don't think the library needs to be a priority at all for this next round of bonds due to larger needs in other areas
Oct 21 2021 07:28 AM	None. No more additional investment
Oct 21 2021 05:15 AM	No need
Oct 20 2021 10:01 PM	Stop spending so much money
Oct 20 2021 08:57 PM	The selection of books is very limited given the population of New Braunfels.
Oct 20 2021 08:53 PM	Adult programs for all adults. More teen programs

Oct 20 2021 08:52 PM	I would like to see more book stores in NB. Secondhand or new. Our library is nice but I'm a book lover who loves to own what I read. Can there be an option to buy what you read or maybe there there could be a store inside the library.
Oct 20 2021 08:50 PM	Library in creekside area
Oct 20 2021 05:26 PM	Hours need to be extended
Oct 20 2021 03:54 PM	More copies of books on waiting lists
Oct 20 2021 03:11 PM	We need money directed to a bus line more than library.
Oct 20 2021 01:02 PM	Expansion of Riomobile services
Oct 20 2021 08:37 AM	improve print book collection
Oct 19 2021 07:46 PM	Clearly designated quiet spaces for those who want them
Oct 19 2021 04:56 PM	Outdoor amphitheater or inside closed theater needed for Shakespeare in the park or literary plays to be put on by local acting companies. This can also help for presentations that tend to be at full capacity when the library offers shows or special events.
Oct 19 2021 04:17 PM	Acquisition of more material, in particular, hard-cover books
Oct 19 2021 02:12 PM	More audiobooks available
Oct 19 2021 02:11 PM	Work stations, greater internet access
Oct 19 2021 02:01 PM	Expanded options for library room uses
Oct 19 2021 01:49 PM	Get library back to precovid conditions, open computer use, copy machine & printer use. Have staff be helpful instead of mean.

Q8: Which of the following transportation infrastructure needs the most investment to meet your expectations? Rank from highest to lowest with 1 needing the most investment.

Answered: 902 Skipped: 7

Projects which improved vehicular traffic including intersection improvements and street maintenance were indicated as the areas needing the most investment.

	1	2	3	4	5	6	7	TOTAL
Street maintenance	28.88% 255	19.14% 169	21.74% 192	16.08% 142	7.81% 69	5.32% 47	1.02% 9	883
Additional vehicle travel lanes	18.63% 161	20.95% 181	19.68% 170	13.77% 119	11.57% 100	11.92% 103	3.47% 30	864
Sidewalks	7.53% 64	12.59% 107	14.35% 122	26.24% 223	21.53% 183	15.18% 129	2.59% 22	850
Bike lanes	6.21% 52	10.50% 88	9.67% 81	12.41% 104	25.18% 211	28.76% 241	7.28% 61	838
Intersection improvements (new signals, signal timing, additional turn lanes, etc.)	21.46% 188	29.11% 255	22.03% 193	12.44% 109	9.70% 85	4.57% 40	0.68% 6	876
Improved public transportation	16.27% 137	9.98% 84	12.71% 107	15.56% 131	18.53% 156	22.21% 187	4.75% 40	842
Other	6.95% 42	1.16% 7	1.66% 10	3.15% 19	3.15% 19	9.11% 55	74.83% 452	604

Question 9 asked respondents to describe other transportation and mobility initiative needs.

315 responses were submitted to the question

100 responses were “N/A, NA, or NONE”

“More lanes including center turn lane.”

“New road on Market St and Muesbach”

“More parking downtown”

“Can we get sensors for the traffic lights”

Capital Improvement Plan Survey

If you answered OTHER to the question above, please describe what other transportation and mobility initiatives need investment:

Response Date	Responses Q9
Nov 15 2021 04:41 PM	The whole road is broken the man hole is raised up in the ground it's a disaster for tax prayers and hard on our vehicles
Nov 15 2021 03:02 PM	Restripe Spur Rd and Old San Antonio toward downtown from 35
Nov 15 2021 02:59 PM	we are not a public transportation town
Nov 15 2021 01:20 PM	Potholes
Nov 15 2021 12:48 PM	Creekside needs lanes updated for better traffic flow. Turn signal beeded from alves to fm 1101
Nov 15 2021 11:10 AM	Stop the nonsense of the 306/35 road design. They are nuts for thinking this is a good idea. So many accidents in San Marcos at their intersection.
Nov 15 2021 10:31 AM	We desperately need to improve our congested streets. Traffic will only get worse!!
Nov 15 2021 10:30 AM	As the town grows, especially to the east toward Seguin, improvements will need to be made, specifically at 35/46, but also along 46. Sidewalks, maybe slower speed limits. Something to make traffic flow easie and to make it safer. There have been several fatal accidents just outside of my neighborhood in the 15 months we have lived here.
Nov 15 2021 10:17 AM	Dedicated right turn lanes on all I-35 intersections. And a bridge over the Guadalupe River anywhere South of I-35 (this would be a dream come true).
Nov 15 2021 10:12 AM	Everything listed was a 1. Also increase the number of expressways and find new creative solutions to making common routes more efficient and effective.
Nov 15 2021 10:02 AM	We need a new bridge over the Guadalupe south of 35.
Nov 14 2021 11:24 AM	Repainting of lanes and traffic indicators, especially at intersections. Many of the turn arrows and dotted lines have worn off. Intersections should be clearly marked.
Nov 14 2021 10:30 AM	Sidewalks that are Not directly next to the roadways and are awkwardly outed around utility poles.
Nov 13 2021 02:45 PM	Something to help with the two train tracks on Walnut. Trains often stop. Have been stuck between the tracks, with trains traveling and/or stopped on both tracks simultaneously.
Nov 13 2021 08:46 AM	The new workforce doesn't want to have to drive a car to access work or activities they enjoy and we live in Texas so please stop putting sidewalks next to the roadway with no buffer, no trees, no access to water fountains. Also, improve public transportation? We have no public transportation and we must start to invest in that to continue to be competitive and provide a high quality of life. All adding lanes to streets does is add more cars-reduce lanes of traffic and add better amenities and then we'll protect our beautiful city from urban and suburban blight.
Nov 13 2021 08:21 AM	Better planning
Nov 13 2021 07:40 AM	Discourage speeding through neighborhood shortcut with more stop signs on S. Plum
Nov 13 2021 06:49 AM	We need to get the traffic under control. Need more lanes everywhere. Went to all the expense of Loop 337 and only made it 2 lanes. A waste of money. Should have made it 4 lanes on each side thinking of the future.
Nov 12 2021 08:20 PM	Road diets
Nov 12 2021 06:10 PM	Clean streets from trash & weeds
Nov 12 2021 04:15 PM	Signal timing for sure
Nov 12 2021 03:50 PM	Bridge/road connecting 725 and 46. Traffic is always terrible on 46. If there was another was around that would be nice.
Nov 12 2021 11:19 AM	With TXDOT, build flyovers at 306/IH 35 and at 46/IH 35 exchanges. Pay entire cost if necessary. These are critical exchanges for our quality of life. Lane widening won't solve the problems.
Nov 12 2021 09:48 AM	Nothing at this time.
Nov 12 2021 08:44 AM	Street maintenance really needs to be addressed. I don't know if there is 1 or 2 lanes on the street that leads from Schmidt Ave to W. San Antonio St. W. San Antonio intersects with Walnut.
Nov 11 2021 06:27 PM	Build another bridge to cross the River south of town/make a loop south of town.
Nov 11 2021 12:45 PM	Additional bridge across the Guadalupe between 35 and 10.
Nov 11 2021 12:35 PM	Buses running
Nov 10 2021 08:18 PM	The amount of constant debris on the highway is dangerous to safety and our vehicles

Nov 10 2021 04:36 PM	Eastern access to I-10
Nov 10 2021 01:00 PM	Roads
Nov 10 2021 11:17 AM	When improving public transit, please do not forget access to public transit and necessary accommodation for those traveling to and from access points (park and ride for both vehicles and bicycles). We also need more and better hiking, walking, and biking trails.
Nov 10 2021 09:17 AM	Green space near road - like Walnut is now. Tree plantings on San Antonio St for example.
Nov 10 2021 07:22 AM	Running trails along roadways
Nov 10 2021 06:36 AM	46 from I10 to I35 needs some major help. The traffic flow to I35 is ALWAYS congested. The majority of this congestion is heavy transport trucks, industrial trucks and oversized loads which slow down traffic horribly. Before the city continues to build new homes and neighborhoods along this 46 corridor, they need to improve the transportation infrastructure. It's horrible.
Nov 09 2021 06:54 PM	Alternative transportation to, during major city holiday events
Nov 09 2021 04:12 PM	Either left turn signals or no left turn signs.
Nov 09 2021 02:56 PM	more lanes to keep up with the traffic. Lots of people are moving here and we do not have enough road to keep up with the number of people
Nov 09 2021 02:33 PM	travel getting on I35
Nov 09 2021 01:37 PM	Route through traffic outside city
Nov 09 2021 01:05 PM	Do not take food off people's tables to build bike lanes. It is a cute topic, but has actual harmful consequences for ALL people trying to get around a growing city. Dedicating tax revenue from the working poor to building bike lanes for the recreation of people with time for such a leisure activity is negligent toward the duty to ALL residents in a growing city that has become very difficult to drive in. Cyclists have found ways to bike so far. They will continue to be resourceful now. Please don't turn us into Austin. Don't take money from people who are struggling to subsidize the lifestyles of people who feel entitled to tax revenue for their own nice stuff.
Nov 09 2021 12:01 PM	Some kind of public transportation to get to San Antonio air- port.
Nov 09 2021 11:46 AM	We do not need to tear up perfectly good sidewalks and replace it with a "pretty" one when we have neighborhoods that have never had a sidewalk yet desperately need them.
Nov 09 2021 10:58 AM	More of the street lighting at night and handicap accessible traffic intersections
Nov 09 2021 10:20 AM	More appropriate speed limits
Nov 09 2021 09:29 AM	Better signage
Nov 09 2021 08:47 AM	ALL of these should be a priority.
Nov 09 2021 08:37 AM	Lighting on streets such as morningside.
Nov 09 2021 08:04 AM	The streets are congested. Lines and markings need to be repainted.
Nov 09 2021 07:30 AM	Take parking spots away from cars, make it pedestrian.
Nov 09 2021 07:22 AM	I'm afraid to ask for improvements because of what has been done to the Loop 337. Takes me twice the time to drive on it because of recent "improvements". Sitting at red lights for no reason, poor timing of lights, long and frequent stops. I hate it now. Entrances into my old neighborhood (behind NBHS) have been removed coming from one direction, now all seems to be favoring Veramendi.
Nov 09 2021 01:51 AM	Street safety improvements
Nov 08 2021 11:57 PM	Crosswalks
Nov 08 2021 11:22 PM	Too many semi trucks that drive in left lane and slow traffic.
Nov 08 2021 10:46 PM	Traffic at 46 at 35 when coming in from I-10 is ridiculously long, causing people to take risks and road rage
Nov 08 2021 10:33 PM	Public restrooms
Nov 08 2021 10:08 PM	Fix the roads. Roads not maintained or marked in many locations
Nov 08 2021 07:46 PM	In a city where most of the drainage is surface drainage more attention needs to be paid to drainage where streets are repaired. I am also concerned that new development will create flooding problems. Also handicapped accessibility needs attention. For example, the new curbs and steps up to the sidewalk downtown are not wide enough for a walker. The new access ramps on Comal street have sharp corners forcing wheel chairs and bikes to make sharp turns. Angles would be better.
Nov 08 2021 06:51 PM	Fix the pot holes. I hit one on Rock Street at the Rail Road track and it broke my front axle. \$1100.
Nov 08 2021 06:43 PM	Having enough rides to support growth before the growth is here
Nov 08 2021 06:41 PM	We already have the most unused sidewalks in the US...
Nov 08 2021 05:51 PM	implementation of quality assurance and standards for street maintenance (recently completed projects are of very poor quality with uneven surfaces and poor drainage, poorly engineered turn lanes, etc.)

Nov 08 2021 05:46 PM	Return the two lanes to enter the circle on north San Antonio street. Backs up past muck and fuss sometimes.
Nov 08 2021 05:39 PM	Better traffic management at walnut and i35
Nov 08 2021 05:15 PM	Additional bicycle infrastructure s to encourage safe mobility around the city. There us no safe way to use a bicycle around the city.
Nov 08 2021 05:14 PM	Pave roads in less influential parts of town, like east san antonio street and near mid-town hospital area
Nov 08 2021 12:46 PM	Public transportation
Nov 07 2021 12:36 PM	Can we get sensors for the traffic lights. Crazy to stop four lanes of traffic with cars to sit and wait for lights to change when no one is crossing.
Nov 06 2021 11:43 PM	Trolley system into downtown
Nov 06 2021 08:32 PM	Speed limit adjustment due to population
Nov 06 2021 09:43 AM	Traffic Calming so streets like Mather are not used as short cuts.
Nov 06 2021 09:35 AM	Lines on the road is it one or two in some places? Lawsuit waiting to happen
Nov 06 2021 07:25 AM	Creek side is a disaster!
Nov 05 2021 08:39 PM	1101/Barbarosa needs more turning lanes County line/725 intersection NEEDS a barrier of some sort at the light as drivers continue to use the right turn only lane to go straight on 725
Nov 05 2021 04:52 PM	306 & 35 is terrible Increased lanes on 35. Keeping highway traffic diversion out of NB
Nov 05 2021 04:44 PM	Public transit is literally non-existent. It's pretty difficult to get around town on a bike or to walk anywhere. Also there needs to be more pedestrian protected crossings. Why isn't there a crosswalk to get to the Main Plaza? I find that ridiculous.
Nov 05 2021 07:18 AM	A bridge from 725 to 46 below I35. This would help traffic from new neighborhoods to north new Braunfels as traffic on 46 and 725 continue to increase. and for public transportation... It would be great to have some kind of Light bus system (or Marta/Rail) that extended from different points in town to downtown. Downtown to Gruene, Downtown to Creekside, Downtown to 725 location, Downtown to South 46 location, Downtown to North 46 location, Downtown to Walnut location. If we increase the ability for us to become a walking city to different parts of town, I think it would help a lot, especially for traffic and parking to high interest areas for residents and tourists.
Nov 04 2021 10:56 PM	More green walking areas in towns of New Braunfels and Gruene
Nov 04 2021 10:11 PM	Need more right turn only lanes
Nov 04 2021 06:35 PM	Green spaces like dividers, side of the road plantings, planters and smal green spaces on sidewalks.
Nov 04 2021 06:04 PM	Please put street lights on FM 1101!
Nov 04 2021 05:46 PM	Utilizing the rail system in and around New Braunfels for passenger commuting would be ideal and makes sense. This would allow for less traffic congestion downtown and all over our city.
Nov 04 2021 02:10 PM	Creek side traffic
Nov 04 2021 11:36 AM	More lanes including center turn lane.
Nov 04 2021 11:10 AM	the areas that are choke points need to be addressed IH35 and SH46, FM725
Nov 04 2021 10:52 AM	All of the above. Streets in general do not meet the needs of a town this size and it's only growing.
Nov 04 2021 10:51 AM	Something really needs to be done about 46 crossing 35
Nov 04 2021 10:46 AM	Something must be done to address the traffic situation on TX 46 from New Braunfels and Seguin. Alternative routes must be built to take pressure off of this area of town. We also need public transportation. This is one of the largest cities in American without it's own system.
Nov 04 2021 10:45 AM	Improved landscaping with emphasis on low water maintenance
Nov 04 2021 08:07 AM	More parking downtown
Nov 04 2021 07:53 AM	More Bicycles
Nov 03 2021 08:59 PM	I live in the Clear Springs area. The traffic on 46 going to New Braunfels has gotten so bad that I have moved ALL my dealings to Seguin - grocery shopping, drug store, restaurants, doctor, dentist, eye docto - EVERYTHING. I never go to New Braunfels for anything now, I go to Seguin for everything.
Nov 03 2021 08:01 PM	Additional lane from 1101 freiheit rd off to hwy 46. The turning lane backs up the road past the canyon highschool avoiding others to get by to go straight or turn left onto hwy 46

	<ol style="list-style-type: none"> 1. Light on Freiheit to 46 Turing right needs to be a red light so cars are not jumping in backing up traffic for those on 46 2. The medium on 46 turning to get on frontage road needs to be cut back further so semi traffic can make corner easier 3. Need to do something about all the parents blocking Freiheit road when school is get let out 4. Needs to be a by pass from 35 to 10 so semi traffic is not blocking up roads 5. Alves needs to be patrolled more or raise speed limit, do the speed limit of 30 mph and you either almost get ran over or they pass you in center turn lane doing 45mph +++
Nov 03 2021 05:45 PM	
Nov 03 2021 05:02 PM	Trails trails and more trails
Nov 03 2021 03:58 PM	see 14
Nov 03 2021 01:33 PM	Better drainage. Added light to Klein Rd and walnut. New road on Market St and Muesbach. Added turn lane to 46 W between copper Ridge and sheriff maintance office.
Nov 03 2021 12:56 PM	Road expansion
Nov 03 2021 12:50 PM	Suspended transition from i35 to 306..... transition from 337 to i35 both north and south.
Nov 03 2021 10:49 AM	A bridge from 46 to 725!!!! Help us avoid all of the traffic!
	I feel the City could do a better job with parking areas for the general public. Perhaps a few key parking garages in locations within the loop. Sidewalks and other connectivity would be needed to make this feasible. Additionally, I think revisiting the traffic patterns during peak tourism season or highly attended events could be beneficial - things like turning roads into one way, alternate routes, etc. For as many festivals, fun runs, biking events as our community hosts there doesn't seem to be much outreach to the general public ahead of time.
Nov 03 2021 08:57 AM	
Nov 02 2021 10:39 PM	Goodwin road is a mess
Nov 02 2021 08:49 PM	Bridge and road over Guadalupe River somewhere between Canyon Lake and Gruene.
	I live off 46 East of I-35. We DESPERATELY NEED more viable, mainstream thoroughfares to get to I-35. More and more neighborhoods are being built in that area, and almost no additional mainstream roads have been added (case in point: residents who will be living in Dauer Ranch). Please, please, PLEASE work on a plan to widen and bulk up 306/Barbarossa. Also, find a way to reduce traffic on 46 intending to head southbound on I-35. A bridge near Clear Springs that would stretch over the Guadalupe River connecting to Seguin Ave. on the south side might be a viable option. This is a HUGE problem with massive rush hour backups every day, yet it doesn't seem the city has yet started forming any plan to alleviate this traffic. PLEASE HELP!!!
Nov 02 2021 05:00 PM	
Nov 02 2021 11:47 AM	Widen fm 725 to four lanes
	More roads that go across the river parallel to I-35, especially near the Creekside mall, so that people can stay away from the I 35 mess.
Nov 02 2021 04:38 AM	
Nov 01 2021 09:24 PM	Road maintenance for lower income area
	Hire local companies so contractors might actually care about their reputation and finish the work in a timely manner.
Nov 01 2021 10:16 AM	
Nov 01 2021 08:40 AM	Various Accessibility issues city wide.
Oct 31 2021 08:03 AM	River access
Oct 31 2021 07:32 AM	city access by rail
	Stop wasting money on curbs that get dug up in 6 months. Also more yield lanes to ease traffic flow. Perfect example, The intersection of 46 and 35 there is no yield Lane to the access road. This cause traffic to backup and overflow on to business 35.
Oct 30 2021 11:51 PM	
Oct 30 2021 11:19 PM	Creek side is a nightmare and the roads near the heb soccer fields needs to be fixed. Katy st, Michigan st, to water ln. are in horrible shape.
	Hire a company that can actually re-save a street and it last more than 2 months. San Antonio street is a disgrace to this city. How many millions to have it redone with I assume drainage improvements and the road surface has already deteriorated. It will have to be redone in lest than a year. What a waste of tax payers money.
Oct 30 2021 07:07 PM	
Oct 30 2021 06:33 PM	Road from 46 to 725
	The signals at the intersection of Hwy. 46 W and FM 1863 are VERY Dangerous. The left hand turn lane from 46 to 1863 backs up, blocking the left hand lane of 46.
Oct 30 2021 11:19 AM	
	We need transit. The induced traffic demand created by widening and adding lanes will never catch up to growth.
Oct 29 2021 09:24 AM	
Oct 29 2021 07:21 AM	What public transportation? I've never seen any.

Oct 29 2021 12:51 AM	Infrastructure that incorporates innovative, efficient, safe, and useful multimodal transportation that connects interchangeable modes of transportation, including public transportation, i.e. small transport buses/vans, bike lanes with locking stations, cart paths, sidewalks, underground parking, etc. people won't give up cars as main source for transportation unless there are good, reliable, enjoyable, alternatives available...at least for leisure purposes if not for work.
Oct 28 2021 10:47 AM	More streets need to be created to decrease the demand on some streets that are too congested.
Oct 28 2021 07:14 AM	East side of walnut ave and east side of Hwy 46 need raised curbs and center turn medians to deter traffic accidents.
Oct 28 2021 12:29 AM	Flyover ramps
Oct 27 2021 09:57 PM	Not aware that the city has any cab services??? sad
Oct 27 2021 04:31 PM	Faster timelines for construction. Additional lanes don't matter if there are bottlenecks elsewhere.
Oct 27 2021 10:20 AM	Alleviate daily traffic jams at Freiheit & 46 and 46 & I35, it's downright dangerous
Oct 26 2021 11:52 PM	More street sweepers with better tech to clean roads
Oct 26 2021 08:01 PM	buses
Oct 26 2021 06:24 PM	Something needs to be done about the driver's coming off Loop 337 exiting at both California and Oakwood. They are driving fast and often run the stop sign at Oakwood and Tanglewood. When walking on the wonderful new sidewalks on California last week, a car exited Loop 337, reached for her coffee and ran into a utility pole at a high rate of speed. Luckily, I was just past that spot. A neighbor ran to help her as the car was smoking, but the driver was good even though the airbags did open and the car was surely totaled. The pole broke in half and was replaced later in the day. An NBU driver stopped and offered help as well. People speed on Oakwood as well with many dead deer to show. Speed bumps need to be implemented before a child is injured or killed. Acorn Drive, off Oakwood, is another street that folks speed down without care about people walking or kids riding bikes. Years ago at NBHS people wanted something done about the hazard for students turning on to the loop out of the high school. Unfortunately, it took two students being killed in a car wreck in front of the school before changes were made. Don't let that happen again anywhere in NB. Thank you.
Oct 26 2021 02:49 PM	Older neighborhoods near downtown need upgraded sidewalks.
Oct 26 2021 01:05 PM	Get an Amtrak stop!
Oct 25 2021 12:23 PM	As our "small" town continues to grow, it would be great to see some form of public transportation such as a trolley or town bus to get people around. Greenville, South Carolina has this and it seems to work well.
Oct 25 2021 09:40 AM	Bridges at low water crossings. Ex.Goodwin
Oct 25 2021 09:14 AM	Public
Oct 25 2021 08:36 AM	Making all left turn signals able to yield and have unprotected time. Especially on FM-1863 and SH-46 intersection.
Oct 25 2021 07:13 AM	Stop approving all these new homes and apartment complexes and focus on the growth we have already. The current infrastructure can barely handle it. Maintain and add to it before we bless off on more homes, bringing in more people. Everything stays overgrown, dirty, and I maintained. Make the New Braunfels we have beautiful and expand on that.
Oct 25 2021 03:51 AM	Have developers pay and install before building home the streets and intersection improvements. Relieve the congestion on north 46.
Oct 24 2021 04:28 AM	Safer parking and pedestrian traffic to wurstfest
Oct 24 2021 01:22 AM	Piper rd
Oct 23 2021 08:36 PM	Parking downtown
Oct 23 2021 07:32 PM	Outer loop - River bridges
Oct 23 2021 05:33 PM	crosswalks in needed locations
Oct 23 2021 04:13 PM	Need lines on roads
Oct 22 2021 10:31 PM	Public transportation
Oct 22 2021 09:36 PM	Creek side and Barbarosa

Oct 22 2021 05:47 PM	The Creekside roadways and traffic are horrendous. The diversion lanes, and signs are accidents waiting to happen. I don't know why more and more building is occurring in that area with completely inadequate roadways.
Oct 22 2021 03:27 PM	The city needs to grow the transportation infrastructure before they build anything else. Traffic here is now terrible. We have almost ruined a great town by not building the infrastructure first.
Oct 22 2021 11:31 AM	please open up waterway from common to gruene rd. Hanz dr is a cut through nightmare for a residential area. used by fire and ems so free them up also.
Oct 22 2021 10:27 AM	Need to improve TX 46 and I-35 intersection, built flyover for southbound I-35.
Oct 22 2021 09:11 AM	Fix the streets to last!!
	HOV or Carpool lane on 35 (i know it's controlled by the state but maybe work with them to address it)
Oct 22 2021 08:50 AM	Allow OHV the same as golf carts
Oct 22 2021 08:25 AM	Bridge on the east side of 35 to eliminate some of the congestion at 46 and 35.
Oct 22 2021 08:16 AM	Improvements don't seem to be of the best quality, are we getting what we're paying for ? Finish one project before you start another. Better oversight !
Oct 22 2021 07:43 AM	The road around Country Line Elementary (the pick up line) needs immediate attention.
Oct 22 2021 07:39 AM	Please outlaw the golf carts, this is not a sleepy little town anymore. I'm sorry
Oct 22 2021 01:10 AM	create lanes to eliminate parked car from being in the roadways when parents are picking up or dropping off their children
Oct 22 2021 12:29 AM	Continue loop at Ruekle Rd to meet at 1044. Need better access with all the new schools off Klein and future high school
Oct 22 2021 12:29 AM	Alternate routes into and out of New Braunfels, especially Hwy 46 South. Expansion of loop 37 to extend to East side of IH35 out to Hwy 46S
Oct 21 2021 11:03 PM	Y'all know what to do, just do it
Oct 21 2021 11:03 PM	Let's start by just restriping the streets we have now - lowest cost option and will make a huge impact. Many parts of the city have issues... can pedestrians cross here? Is there a bike lane? Can I park here? Who knows! Cause the paint is from 1973. And how about a crosswalk at the library? The ones where you push a button and it gives the cars a red light so my kids and I can get to the books without fear and adrenaline.
Oct 21 2021 10:40 PM	Plan the road projects in advance. The rate of growth in this town means whatever you plan now will not be enough in 6 months.
Oct 21 2021 10:28 PM	A holistic system where people have multiple options to get to work, school, or downtown. A truly multi faceted transportation network. Also bike lanes and sidewalks that are actually functional in width, placement, and configuration. A great example is Amsterdam and how they do protected bike lanes partnered with mass transit and road traffic. Also if we have such lanes we have to commit to sweep cleaning them of debris sucks as rocks/gravel. With our rivers there are great opportunities to have bike/pedestrian bridges that better connect areas of town versus building or expanding the road options. Also please keep in mind the golf cart traffic. It would be great to encourage rotates for these electric and less room consuming vehicles when people go to parks or downtown. On a bigger perspective we need Amtrak for our regional connectivity (look at how many passenger trains we had back in the day for reference) and a serious look into a regional commuter train system with SATX-ATX localities. We are in rare area where the trains could run revenue generating trips both ways during commuting hours let along all day especially the i35 corridor between city centers and airports
Oct 21 2021 10:06 PM	Right turn lanes!!!
Oct 21 2021 10:04 PM	Traffic signal timing
Oct 21 2021 09:33 PM	Downtown parking
Oct 21 2021 07:49 PM	More assessments of traffic and subsequent add of speed humps in neighbors. Get traffic to slow down. Facilitate more public transportation and bicycling. Reduce private vehicle transportation routes.
Oct 21 2021 05:42 PM	We definitely need more bike lanes and better public transport options.
Oct 21 2021 05:07 PM	We need road expansions to support all the new neighborhoods building new homes!!!
Oct 21 2021 04:53 PM	Finish the current works before starting new projects. Your citizens are suffering your continuous construction all around town.
Oct 21 2021 04:30 PM	Create city wide hike n bike trail system.
Oct 21 2021 01:24 PM	outlaw golf carts on major streets

Oct 21 2021 12:17 PM	A bridge over Guadalupe on the county line road area connecting with Highway 46 to help with the congestion at 46 and I35.
Oct 21 2021 11:07 AM	HANDICAPP ACCESSIBILITY ON SIDEWALKS & PARKING
Oct 21 2021 09:53 AM	Build appropriate roads before letting 5000 homes be built in an area. The 1101/Creekside area is ridiculous. The road planned to be built that will run from Bus 35 to August Fields, and the Barbarosa improvements should've already been done. It is more than ridiculous that the city knew full well that Willowbrook in August Fields would be used as a SIGNIFICANT cut through to avoid 306 and 46, and still built the road very narrow.
Oct 21 2021 09:31 AM	Animal crossing bridge or tunnel - saving animals from crossing freeways and extremely busy roads.
Oct 21 2021 09:15 AM	Better street markings. The Tuen marks at intersections are so faded you can't see them anymore.
Oct 21 2021 09:14 AM	There needs to be a longer delay when a light switches from red to green because too many people are blatantly running red lights in this town.
Oct 21 2021 07:55 AM	Maintain the roads that we already have. Centerline on Common street is barely visible
Oct 21 2021 07:38 AM	46 needs to be widen up to 3009. 3009 also needs to be widen. Not sure if that is the city or county. But we need some kind of public transportation system for our growing community. We can have park and ride lots so people can take buses to downtown or creekside to help alleviate some of that congestion. Bike lanes to creekside and other areas of town would be great.
Oct 21 2021 07:31 AM	Bridge between 725 and 46 south of I35
Oct 21 2021 06:20 AM	Please do more for areas on edges of NewBraunfels—and NOT just near center —address new neighborhoods that growing not just old traditional areas
Oct 21 2021 05:34 AM	Bike racks around downtown
Oct 21 2021 05:22 AM	E Tanglewood drive needs repaired
Oct 21 2021 03:09 AM	Alternate route besides 337 to avoid 35. River crossing in Klein rd area or county line to help with traffic issues during backups on 35
Oct 20 2021 10:01 PM	Spend more wisely
Oct 20 2021 09:59 PM	RESIDENT ONLY PARKING NEAR RIVERS/PARKS
Oct 20 2021 09:11 PM	Stop allowing growth before the infrastructure is out in to accommodate the new traffic. Require the new subdivisions and commercial buildings to help in providing the infrastructure for the traffic.
Oct 20 2021 09:00 PM	Roundabouts to replace 4-way stops.
Oct 20 2021 08:57 PM	The condition of the roads and streets in NB is appalling. There are many areas such as County Line road where the road is so rough that your vehicle is constantly bouncing. Up by I35 and Seguin/725 the drainage is so poor that many streets and parking lots are flooded after even light rain. It is dangerous and can possibly damage your vehicle to drive through deep standing water.
Oct 20 2021 08:57 PM	Public trans has been tried and tried, the demand isn't there. Aacog minibuses and in demand is sufficient, but still wasteful financially for the #s that use it
Oct 20 2021 08:52 PM	Please repaint the road lines on W San Antonio St. It's unclear where the center of the road is. Is there a turn lane? Is there one lane or two?
Oct 20 2021 08:50 PM	Pavement improvements
Oct 20 2021 07:15 PM	Our street lines need to be painted. They are so faded, it's starting to be a safety issue
Oct 20 2021 07:00 PM	Mcqueeny road needs to have a bridge across 35
Oct 20 2021 05:54 PM	Intersections at I35 should have direct access rather than red-light
Oct 20 2021 04:12 PM	Alternate routes when accidents happen on I-35 that do not shove traffic through my street. More routes are needed over the rivers.
Oct 20 2021 03:54 PM	Traffic flow anywhere near I35
Oct 20 2021 03:44 PM	City involvement in improving access to communities such as Town Creek.
Oct 20 2021 03:11 PM	Bus lines please!
Oct 20 2021 03:08 PM	crossing at 35 & Engel needs to be addressed.
Oct 20 2021 02:42 PM	Additional lanes and turning lanes at Solms. reliable bus service
Oct 20 2021 01:51 PM	There is this grand solution that, call me silly, seems to make sense to me: FINISH ONE PROJECT BEFORE TEARING SOMETHING ELSE UP. Creekside, Hinman Island, Morningside, Conrads... can we finish one before starting another? I'm teaching my child that lesson about snacks. Should it not be that way with roads.

Oct 20 2021 01:26 PM	There needs to be money invested in reducing the traffic in heavily congested areas. 46 is a complete nightmare, not only with all of the cars that are there now, but will be added with all of the new housing developments, but the number of trucks that use 46 as well is ridiculous.
Oct 20 2021 01:21 PM	Why do neighboring cities of public transit(san Marcos, seguin) we are bigger than both them it's about time we get a bus system in this town, also more bike lanes, old town has a lot buy new town such as creekside and stuff are very much lacking.
Oct 20 2021 01:14 PM	Make turn Lans wider do large trucks don't have to run over curbs and sidewalks to make turns.
Oct 20 2021 01:10 PM	Downtown area needs parking garages desperately or it won't be long before it's impossible to get to many businesses, markets, events and residences.
Oct 20 2021 12:43 PM	Busy intersections need to be expanded or redesigned. Road improvements are a must!
Oct 20 2021 12:17 PM	<p>We need a different approach to mobility. For example, investing in easy to access walking paths between Landa Park and Town Creek development eliminates the need to use a car to visit Wurstfest which reduces traffic congestion and parking needs. The same could be said for downtown access as another example.</p> <p>Another area of attention is the building or repair of streets. For example, San Antonio street was recently repaved and already is rutted and breaking up. A street should last longer than a year or two.</p>
Oct 20 2021 11:39 AM	Widen turn lanes for semi's
Oct 20 2021 11:07 AM	Repaint lines
Oct 20 2021 11:07 AM	Make right turn from Freiheit rd to 46 only allowed on green arrow
Oct 20 2021 11:07 AM	More police presence on Alves where people drive 40 mph or faster in a 30 mph zone
Oct 19 2021 07:46 PM	Road clean up
Oct 19 2021 07:46 PM	We do not need new lanes
Oct 19 2021 05:15 PM	Common St desperately needs to be widened. It needs a couple of stop lights to manage traffic ... there are SO many businesses, doctor offices, apts, senior living along Common. It is very difficult to make turns against the traffic.
Oct 19 2021 04:17 PM	Need to invest in quality assurance / quality improvement - recently rebuilt roads are of poor quality, with uneven surfaces and poor drainage immediately after the work is "complete"
Oct 19 2021 02:11 PM	Greater handicap access, more parking, public transportation
Oct 19 2021 01:21 PM	new street connections - connect street stubs
Oct 19 2021 01:21 PM	The City must work with the State on highway 46 towards Seguin.

Q10: Which of the following public safety initiatives needs the most investment to meet your expectations? Rank from highest to lowest with 1 needing the most investment.

Answered: 782 Skipped: 127

Citizens indicated that supporting the equipment and technology needs of our Public Safety staff takes precedent over new facilities.

	1	2	3	4	TOTAL
Technology upgrades	45.31% 338	35.92% 268	16.76% 125	2.01% 15	746
Equipment upgrades	34.20% 250	45.83% 335	17.24% 126	2.74% 20	731
Facility expansion	17.09% 122	15.97% 114	59.24% 423	7.70% 55	714
Other	14.19% 65	2.18% 10	5.46% 25	78.17% 358	458

Question 11 asked respondents to describe other Public safety needs.

250 responses were submitted to the question

100 responses were “N/A,NA, or NONE”

“Better body armor”

“I would like to see our law enforcement personnel have access to different levels of mobility vehicles depending on the need such as ebicycles, Segways, less costly or more efficient vehicles for in town patrol. Also, more public cameras for broader patrol and reduce miles driven.”

“Satellite stations within city limits”

“The roundabout should not be two lanes. It’s unsafe.

Give one lane (protected) to bike commuters.”

CAPITAL IMPROVEMENT SURVEY

If you answered OTHER to the question above, please describe what other Public Safety initiatives need investment:

Response Date	Responses
Nov 15 2021 02:59 PM	both fire and police are getting new space already.... let us work on some other project for a while
Nov 15 2021 01:04 PM	Presence and patrol of additional police for traffic related issues
Nov 15 2021 10:02 AM	Additional resources for police like mental health professionals and body cams. Quality over quantity.
Nov 13 2021 08:46 AM	I would defer to the providers of public safety on this one.
Nov 13 2021 08:21 AM	Better training for staff
Nov 13 2021 07:49 AM	More staff.
Nov 13 2021 07:40 AM	Respond to citizens requests to stop speeding through their neighborhood. The email on the police website garnered one reply and no offer of solution.
Nov 13 2021 06:49 AM	If this is for Police and Fire whatever they deem important. They should have whatever they need to be safe as possible. They need the right equipment to protect themselves and the public.
Nov 12 2021 06:10 PM	Beautification
Nov 12 2021 04:15 PM	HELP with comfortably using frustrating technology that is forced on today's society. Alternatives to technology even better. Inability to maneuver through Internet information, alienates a segment of society. Using terms like inclusion & diversity, are only cliches when it comes to seniors/elderly/disabled.
Nov 12 2021 09:48 AM	Continual current training to incorporate changing societal mores and how to deal with recalcitrant participants.
Nov 11 2021 01:30 PM	Staff Pay to compete with S.A. and Austin
Nov 11 2021 12:35 PM	Better body armor
Nov 11 2021 09:36 AM	I don't have enough knowledge of this area to make recommendations.
Nov 10 2021 06:33 PM	more policemen and cars.
Nov 10 2021 01:00 PM	Nothing
Nov 10 2021 11:17 AM	I wish I knew enough to suggest specific additional priorities for public safety, but I am sure they exist. Those employed by our managing these functions locally need to have significant input on this matter and the support of our community to address those priorities.
Nov 10 2021 06:36 AM	All of the above
Nov 09 2021 08:29 PM	More EMS and PD availability to keep up with population growth.
Nov 09 2021 02:56 PM	I really do not know about the above I just ordered them in which change is always happening the fastest
Nov 09 2021 01:37 PM	More training in conflict resolution
Nov 09 2021 01:05 PM	Please just make sure worked in Public Safety have safe equipment to do their jobs and reasonable compensation. Please make sure law enforcement has all the support they need to do their jobs. If it's technology, get it. Please hold off on building and expanding facilities. We are a humble town with a long history of making do with older buildings; we are cognizant of the needs of our neighbors and do not vote to take money from them to fund luxuries.
Nov 09 2021 12:01 PM	Enforce all this speeding.
Nov 09 2021 11:51 AM	With the growth of the city, I think we are going to have to add new facilities rather than upgrade existing facilities.
Nov 09 2021 11:16 AM	I honestly have no idea. The people that work in this field would have a better idea of what is needed.

Nov 09 2021 10:58 AM	Rather than expand I believe it is more necessary to upgrade technical capabilities of the existing facilities with more updated connectivity
Nov 09 2021 10:21 AM	Cannot comment on internal needs. "Improve visibility"
Nov 09 2021 10:20 AM	Training
Nov 09 2021 09:26 AM	"other" here refers to more coverage for cellular service. We live on the western edge of town and have to go outside to use our cell phones. This area has NO land lines so poor cell coverage is a safety problem, bad for resale and very inconvenient.
Nov 09 2021 08:58 AM	do something about the out of control deer population. it is a public health and safety issue affecting traffic, increasing runoff due to overgrazing, and affecting water quality.
Nov 09 2021 08:47 AM	Tech and Equipment upgrades go together.
Nov 09 2021 08:04 AM	If by public safety, you mean police, EMS, etc. I don't know what they need but they have my support. Do not defund the police department!!! Ask them what they need to do their jobs.
Nov 09 2021 07:30 AM	The roundabout should not be two lanes. It's unsafe.
Nov 09 2021 01:51 AM	Give one lane (protected) to bike commuters.
Nov 08 2021 11:57 PM	Community education
Nov 08 2021 08:28 PM	No 18 wheelers in our community
Nov 08 2021 07:46 PM	Bus transportation
Nov 08 2021 06:41 PM	The rules in our recreational areas need random enforcement. For example, if rules were enforced along the rivers on Saturday this week and on Friday next week and then on Wednesday the next, soon via social media the word would get out that NB was a place to respect.
Nov 08 2021 05:51 PM	Handicap services
Nov 08 2021 05:48 PM	design and implementation of strategies to tackle and eliminate street racing
Nov 08 2021 05:44 PM	Additional officers
Nov 08 2021 05:39 PM	By "other" I meant provision of alternative response personnel for situations that don't require armed police officers.
Nov 08 2021 05:15 PM	Local taxi or Uber.
Nov 08 2021 05:14 PM	Mobility using all means, walkin, biking, running should be included with all roads and transportatio. Plans.
Nov 08 2021 05:06 PM	Staff training/cross training
Nov 08 2021 05:03 PM	The fire/ems dispatch system needs to be upgraded and integrated to be able to dispatch the unit(s) closest to the emergency.
Nov 08 2021 05:01 PM	Educational and public-facing facilities for public safety employees to use and also to allow integration with the community.
Nov 08 2021 04:52 PM	Need more police and fire to maintain public service cause of increase in population and traffic.
Nov 08 2021 04:52 PM	More police enforcement of traffic laws. There are far too many accidents and near-accidents. More police presence and enforcement needed. Another area needing enforcement is animal control.
Nov 07 2021 12:36 PM	Additional Training
Nov 06 2021 09:43 AM	Speed limit enforcement.
Nov 05 2021 04:52 PM	Keeping our public service people safe
Nov 05 2021 01:22 PM	We must have ordinances that ensure that the big city issues burglary, vehicle theft, and violent crimes are unacceptable behavior. That is only accomplished with LOE presence.
Nov 04 2021 04:05 PM	adequate staffing of EMS, Police , and Fire Departments
Nov 04 2021 02:10 PM	Disabled parking
Nov 04 2021 10:45 AM	Education for public

Nov 04 2021 07:53 AM	Better quality still looks very poor NB compare another's cities
Nov 03 2021 05:02 PM	Please support our fire and police
Nov 02 2021 10:39 PM	Police ok
Nov 02 2021 08:09 PM	Police officers more visible
Nov 02 2021 05:00 PM	No opinion in this area.
Nov 02 2021 11:47 AM	Fix fm725
Nov 02 2021 04:38 AM	Wildlife over passes so that the critters can get to the rivers without crossing the freeway. I saw at least 6 dead deer on I35 the other day. Wildlife corridors help wildlife and improve public safety.
Nov 01 2021 10:16 AM	Hire more police officers to actively patrol!
Nov 01 2021 08:40 AM	Citywide compliance with accessibility for all citizens.
Oct 31 2021 08:03 AM	Love town- horrible cell and internet signal-
Oct 30 2021 06:33 PM	All good
Oct 30 2021 11:19 AM	Preventative Mental Health Enhancements
Oct 29 2021 10:50 AM	More education for officers and more support from mental health professionals
Oct 29 2021 12:51 AM	Continue unwavering support of law enforcement and first responders ensuring their safety and protection and livelihoods are maintained and well-resourced.
Oct 28 2021 12:18 AM	Crisis intervention team
Oct 27 2021 04:31 PM	Nip graffiti in the bud so new comers know they have no where to "claim"
Oct 26 2021 10:56 PM	Other: I believe we need additional personnel to support the growth in the city.
Oct 26 2021 02:17 PM	Public safety is doing a great job as far as I can tell. Maybe more cops patrolling neighborhoods would be good. Often just the presence of police cars deters would-be criminals. They definitely don't need any more military style equipment.
Oct 25 2021 10:20 PM	I feel services are more then adequate
Oct 25 2021 04:02 PM	I don't know enough about this to have a credible opinion.
Oct 25 2021 09:14 AM	Public bus
Oct 25 2021 07:13 AM	More officers! New Braunfels needs more police officers. It's too big for the current force that we have.
Oct 24 2021 11:20 AM	More personnel
Oct 24 2021 04:28 AM	I think this question is supposed to be other for public safety. Need more firemen/emts and they need more compensation.
Oct 23 2021 04:13 PM	Paint lines on all roads
Oct 23 2021 02:09 PM	Develop a motorcycle unit for more coverage and a mounted patrol for the downtown and park regions-
Oct 22 2021 10:31 PM	Expansion of programs weside
Oct 22 2021 05:47 PM	The police officers need and deserve the greatest support possible in both salaries, and training.
Oct 22 2021 09:11 AM	Roads
Oct 22 2021 08:25 AM	Continued increase in salaries of public safety officers
Oct 22 2021 07:43 AM	Research about NB heavy crime zones and how to improve them. Eventually building a new facility there.
Oct 22 2021 01:10 AM	Stop allowing subdivisions to build on such small plots to improve parking and public waste to have easier access which also allows for safer driving access.
Oct 21 2021 11:03 PM	More officers... people in this town drive very unsafely
Oct 21 2021 10:06 PM	More police officers and installation of tornado sirens.
Oct 21 2021 07:49 PM	Increased training facilities for handling mental health and substance abuse issues without the use of lethal and violent restraint. Seek alternatives to traditional role of police force.
Oct 21 2021 05:42 PM	If public safety is police, we are already doing good and we don't need more spending there.
Oct 21 2021 05:13 PM	Fiber throughout central NB would be good for business and community
Oct 21 2021 04:59 PM	Dedicated facilities management program.

Oct 21 2021 04:53 PM	Pay more to our first responders.
Oct 21 2021 04:30 PM	Create more round about.
Oct 21 2021 03:10 PM	More street lights, dedicated left turn and right turn lanes at major intersections
Oct 21 2021 01:24 PM	Increase personnel
Oct 21 2021 11:11 AM	Installing cameras in the public parks is critical for our safety.
Oct 21 2021 09:33 AM	More police and fire
Oct 21 2021 09:14 AM	Seems like we may need a larger police force with our town growing so fast. I would also like to see their presence more such as driving through communities and building relationships with the public. A positive public presence.
Oct 21 2021 08:44 AM	Attitude and Treatment of Citizens
Oct 21 2021 07:38 AM	Better internet to all parts of town. Can we put it under ground. The cables for the electricity and internet go in and out with the weather.
Oct 21 2021 07:34 AM	Hire more police!
Oct 21 2021 06:20 AM	Hire more competent qualified staff for public safety
Oct 20 2021 10:01 PM	Government doesn't spend efficiently
Oct 20 2021 08:50 PM	More staff
Oct 20 2021 04:27 PM	Additional personnel
Oct 20 2021 03:11 PM	Bus line please!
Oct 20 2021 02:42 PM	public safety officers need more training to deal with an expanding community
Oct 20 2021 02:09 PM	We need additional police officers for this growing City.
Oct 20 2021 12:17 PM	I would like to see our law enforcement personnel have access to different levels of mobility vehicles depending on the need such as ebicycles, Segways, less costly or more efficient vehicles for in town patrol. Also, more public cameras for broader patrol and reduce miles driven.
Oct 20 2021 10:53 AM	adding Personnel
Oct 19 2021 07:46 PM	I have no idea what public safety this is even indicating
Oct 19 2021 05:42 PM	LIVE, ACTIVE, ALERT SAFETY OFFICERS TO PROTECT CITIZENS WHEREVER PUBLIC GATHERS.
Oct 19 2021 04:23 PM	Whatever they need most.
Oct 19 2021 03:11 PM	More police
Oct 19 2021 02:12 PM	Hire more first responders and re-analyze districts to improve speed of service.
Oct 19 2021 02:11 PM	Satellite stations within city limits
Oct 19 2021 01:18 PM	Increased training in de-escalation and identification of autism and mental illness characteristics

Q12: Which of the following drainage and flood control initiatives needs the most investment to meet your expectations? Rank from highest to lowest with 1 needing the most investment.

Answered: 868 Skipped: 41

Neighborhood drainage improvements was the clear priority of citizens who completed the survey

	1	2	3	4	5	TOTAL
Neighborhood infrastructure (local streets, drainage channels, etc.)	41.67% 350	30.83% 259	17.86% 150	8.33% 70	1.31% 11	840
Regional infrastructure	16.44% 133	23.11% 187	31.89% 258	27.07% 219	1.48% 12	809
Low water crossings	21.67% 179	28.33% 234	23.00% 190	25.18% 208	1.82% 15	826
Water quality	23.44% 188	18.58% 149	24.56% 197	32.42% 260	1.00% 8	802
Other	2.65% 13	1.43% 7	1.22% 6	3.26% 16	91.45% 449	491

Question 13 asked respondents to describe other drainage and flood control initiatives needing investment

217 responses were submitted to the question

138 responses were “N/A,NA, or NONE”

“Trash/debris catchers for street water drainage going into the river”

“The use of sustainable flood mitigation, i.e planted retention ponds and flood water channels; along with healthy planted riparian areas along rivers.”

“Common street flooding risks”

“Less concrete and more natural drainage channels allowing for infiltration rather than channelization.”

Capital Improvement Plan Survey

If you answered OTHER to the question above, please describe what other drainage and flood control initiatives need investment:

Response Date	Responses
Nov 15 2021 04:41 PM	Drains
Nov 15 2021 02:59 PM	there are places in this town that could use some help with flash flooding
Nov 15 2021 12:48 PM	Westside needs better attention for roads
Nov 15 2021 11:10 AM	Stop the nonsense of the 306/35 road design. They are nuts for thinking this is a good idea. So many accidents in San Marcos at their intersection.
Nov 13 2021 08:46 AM	We definitely need to start thinking of this regionally and make local improvements that start to think of water more holistically- let's treat our storm water as an important aquifer recharge and make certain it can drain and flow freely with protections for people- but where are the riparian buffers?? Those should be city property and used for parks. Climate change and extreme growth is creating some very concerning challenges as experience these weather fluctuations coupled with loss of pervious cover.
Nov 13 2021 08:21 AM	Better requirements for new buildings and development.
Nov 13 2021 07:40 AM	The area around S. Plum does not even have curbs or drainage. It just floods the street every time it rains.
Nov 13 2021 06:49 AM	Whatever areas are flooding try to relieve it and restructure where the water isn't just sitting there.
Nov 12 2021 06:10 PM	Remove trash
Nov 12 2021 09:48 AM	Planning for new NBU HQ should be shelved until a proper area can be located with appropriate access without having to use residential streets for its commercial and industrial vehicles.
Nov 11 2021 12:47 PM	Timing of lights
Nov 11 2021 12:35 PM	Less toxin dumped into Guadalupe river from gas powered vehicle more electric powered
Nov 10 2021 11:17 AM	New Braunfels and our local/regional area/communities do insufficient medium to long range planning for protection, preservation, and management of our water supplies and quality. This problem starts at the state level but also exists in spades regionally and locally. We are a very high growth area and planning for accommodating and managing our water supplies and quality in the face of that growth is not receiving sufficient attention. Climate Change will contribute to this challenge over time. It is way past time to pay serious attention to this matter.
Nov 10 2021 07:22 AM	Safe walking areas for pedestrians along major roads-
Nov 09 2021 01:37 PM	More thought given to regulating hardscaping which increases flood water in the river
Nov 09 2021 01:05 PM	With expanding development of land into neighborhoods, existing infrastructure for water is proving inadequate to meet people's needs. Please require all developers to pay for improvements to water infrastructure for all new housing developments.
Nov 09 2021 12:01 PM	Senior citizen transportation

Nov 09 2021 11:46 AM	The amount of chemicals in our water disgusts me. I do not want to buy an expensive filtration system to get rid of those chemicals. If NBU is putting those chemicals in there in order to maintain the pipes, they need to spend more time and money on replacing pipes and less money on their Christmas parties where they give out those big tvs.
Nov 09 2021 10:58 AM	Water quality is not part of drainage or flood control
Nov 09 2021 09:29 AM	additional conservation
Nov 09 2021 07:30 AM	We need sidewalks in so many neighborhoods. They randomly end all the time. They need to be consistent.
Nov 08 2021 11:57 PM	Ease traffic by more lanes
Nov 08 2021 11:10 PM	Reduce water and electric monopoly and reduce costs to consumers by allowing other providers
Nov 08 2021 07:46 PM	In a city where most of the drainage is surface drainage more attention needs to be paid to drainage when streets are built and repaired. I am also concerned that new development will create flooding problems.
Nov 08 2021 07:26 PM	The use of sustainable flood mitigation, i.e. planted retention ponds and flood water channels; along with healthy planted riparian areas along rivers.
Nov 08 2021 06:51 PM	Stop issuing building permits until the infrastructure catches up. I have lived here 30 years and it is a terrible place to live now due to the Rush Hour traffic. The problems at Creekside and just the fact you cannot get across town. Between the train traffic, construction, slow construction etc we are way behind on our infrastructure.
Nov 08 2021 12:46 PM	We always need to think about the next flooding disaster for the neighborhoods
Nov 07 2021 12:36 PM	Expand roadways BEFORE you agree to 6000 new houses to be built not wait until after they build and you have problems. Keep Creekside as a perfect example. Who knew traffic would increase so much when you add 128 new gas pumps, 3 hospitals, 20+ restaurants, and a plethora of shops? I did, why didn't you?
Nov 06 2021 09:43 AM	Less concrete and more natural drainage channels allowing for infiltration rather than channelization.
Nov 05 2021 11:02 PM	More parking. Going to have to breakdown and put multi level parking somewhere. Not enough parking downtown for special events. Please finish what you start!
Nov 05 2021 04:52 PM	Water quality is important
Nov 05 2021 07:18 AM	Help existing residents with poor construction decisions for rainwater drainage. Higher requirements for site specific drainage in new home construction. Existing problems cause foundation and flooding issues in yards. Maybe help residents design rainwater collection systems to help with these and related watering needs.
Nov 04 2021 06:35 PM	Water collection and drainage areas need to be planted with native shrubs and trees for holding/absorbing water, creating habitats for animals. In addition those areas need to include trails for recreational use like walking, jogging, biking.
Nov 04 2021 05:46 PM	With regard to water quality, prohibiting fuel and heavy industrial developments near streams and waterways is essential to the future of this city's water systems.
Nov 04 2021 02:10 PM	Water softening
Nov 04 2021 11:36 AM	Quality and taste of water could be addressed.
Nov 04 2021 10:51 AM	Is it really necessary to have such draconian measures to control water, aquifer levels, excessive water / irrigation fees?
Nov 04 2021 10:45 AM	Flood alert system improvements

Nov 03 2021 08:59 PM	Please annex Elley Crossing into the city! My water bill is \$150+ per month for a tiny lot and a tiny home, one shower a week and one load of clothes a week. I'm retired and on a fixed income and can't afford the water here.
Nov 03 2021 05:02 PM	And more trails
Nov 03 2021 01:33 PM	Stop building subdivisions with bad drainage leading to backup on Klein rd. Flashing lights when barricades are in place.
Nov 02 2021 10:39 PM	Car pooling to San Marcus, sa. Light bus
Nov 02 2021 11:47 AM	All the houses on fm725 across from Maldonado nursery are going to be under when it floods again...
Nov 02 2021 04:38 AM	We are constantly under water restrictions, yet you keep allowing more and more subdivisions. Where is this additional water going to come from?
Oct 31 2021 08:03 AM	Common street flooding risks
Oct 29 2021 12:51 AM	Must ensure that the regional infrastructure can support the growth and not put a strain on the current or future systems. If that's not possible the growth must be manage. Development cannot outpace the growth and the burden to pay for the additional development must not be put on the current taxpayers. advocates and change the state laws if needed so that any limitations are removed that restricts alternative resources for funding infrastructure to support development.
Oct 28 2021 12:29 AM	Water charge
Oct 27 2021 04:31 PM	Try and make waterways more natural Texas and not just barren fields
Oct 26 2021 02:49 PM	Again, I would like softer water from the NBU provided tap water.
Oct 25 2021 07:13 AM	Maintenance of existing drainage and flood control. I lived at 205 Rocky Ridge Dr. in New Braunfels for 4 years. Not one time did anyone maintain the dust here next to my home. Not once. We lived there when hurricane Harvey came through and it was like a full blown river down there. Weeds the size of trees grown in there with grass almost as tall as me. It's ridiculous. It's city property. Regular maintenance and reassessment of what we have for a start could go a long way.
Oct 25 2021 03:58 AM	Cleaning out blockage of drainage areas
Oct 24 2021 04:28 AM	Drainage, drainage, drainage
Oct 23 2021 04:13 PM	Paint lines on all roads
Oct 22 2021 10:31 PM	Plan for more transportation needs
Oct 22 2021 10:01 PM	Not building up the river areas with high density neighborhoods. More green space for the water to drain
Oct 22 2021 09:36 PM	Too much chlorine in the water
Oct 22 2021 09:11 AM	Roads
Oct 22 2021 08:50 AM	Trash/debris catchers for street water drainage going into the river
Oct 22 2021 07:43 AM	Water quality is one of the most important aspect to keep our community healthy.
Oct 22 2021 01:10 AM	Water supply and water pressure stands out as the most important with the growth we are seeing. We already had drought concerns. So why is so much growth being approved in New Braunfels and what guarantees are in place to assure water shortages don't occur.....
Oct 21 2021 10:04 PM	Na low water crossings.. why do we have any? We have engineers that can improve the roads so there are NO water crossing issues.
Oct 21 2021 05:42 PM	We're doing pretty good here
Oct 21 2021 04:59 PM	Storm water management with teeth.
Oct 21 2021 04:30 PM	Improve crosswalks

Oct 21 2021 03:12 PM	Much of our community's flooding and drainage problems could be addressed effectively and more cost-efficiently by employing "green infrastructure" solutions and adapting city and county buildings/facilities with rainwater catchment systems, swales to capture runoff, using pervious materials for parking lots and incorporating the OneWater philosophy. We need to be capturing all available water rather than letting it run off and be carried down to the Gulf of Mexico!
Oct 21 2021 01:24 PM	recreation
Oct 21 2021 09:20 AM	Water collection and diversion
Oct 21 2021 05:22 AM	E Tanglewood drive needs repaired
Oct 20 2021 10:01 PM	Taxes way too high. Let us keep what we earn
Oct 20 2021 08:57 PM	The south side of Seguin/725 east of I35 floods badly with even light rain. The parking lot where Big Lots is located becomes a lake because of poor planning and drainage control by the city of NB. Also, the street beside the police station floods badly due to poor drainage. The city needs to hire some civil engineers or hydrologists to come up with a viable plan to alleviate these problems.
Oct 20 2021 03:11 PM	We need a public transportation system.
Oct 20 2021 01:26 PM	The water sits on the side of roads with nowhere to go leading to hydroplaning consistently. And with all of the new construction and businesses being built along the roads there continues to be no way to expand and mitigate the water issue just making it worse.
Oct 20 2021 01:21 PM	So much flooding some places you cannot access without going through a water crossing and that's a problem
Oct 20 2021 11:07 AM	High water areas
Oct 19 2021 07:46 PM	I'm perfectly happy with our flood control
Oct 19 2021 02:11 PM	Bus service
Oct 19 2021 02:00 PM	FIX THE ON-GOING FLOODING ISSUES AT AIRPORT. ONE HIGH PROFILE HIGH PAYING TENANT LEFT BECAUSE HER VEHICLE WAS FLOODING IN CROSSING THE ROAD AT THE AIRPORT. THERE IS A HUGE PROBLEM THAT IS NOT BEING ADDRESSED.
Oct 19 2021 01:21 PM	purchase of flood prone property to be used as passive public open space

Question 14 asked respondents to list any specific projects the City should invest in.

547 responses were submitted to the question

24 responses were “N/A,NA, or NONE”

“street improvements,
comal river, drainage”

“In probably the next Bond proposal, I believe that more development should focus on the South-East Quadrant, i.e. TX 46 and IH 35, east of the Guadalupe. The reason is that that the congestion issue on SH 46 will take time to resolve, and there are a large number of new homes being constructed.”

“Complete
Mission Hill
Park Master
Plan”

“Road
expansion and
traffic flow”

Response Date	Responses
Nov 15 2021 10:44 PM	<p>Alternate routes for traffic - (1) to get from ih 10 to ih 35, (2) to get around the ever increasing wrecks on ih 35.</p> <p>Please invest in more police traffic enforcement - speeders, aggressive driving, ignoring of basic traffic laws are becoming more common due to lack of consequences. A prime example is the common intersection blockage at 306 and town center.</p>
Nov 15 2021 09:06 PM	<p>Dedicated right turn lanes at these two intersections: 1. 725 (coming from the east side of 35) at the frontage road 2. Walnut (coming from the east / Walmart side of 35) at the frontage road</p> <p>Not sure if this falls under the scope of this survey, but the Memorial Trail could use more trees. Most of them are all clumped together in the one spot just off Walnut. The lack of shade on the majority of the 'trail' makes its use limited much of the year.</p> <p>Please consider not tearing out more of the wildlife habitat at Fischer Park. The area of the animals and birds continues to shrink. There are plenty of trails and play areas in the park as is without forcing more animals from their homes.</p> <p>Thank you for all the hard work you're doing to help improve the city we love so much!</p>
Nov 15 2021 08:13 PM	Focus on roads and how the exploding population is going to be able to get around and through this town
Nov 15 2021 05:50 PM	Roads...roads...roads...improve traffic flow and road maintenance.
Nov 15 2021 05:31 PM	A 3 or 4 story parking garage in Downtown and Landa Park.
Nov 15 2021 04:41 PM	Reno the roads and bridges
Nov 15 2021 03:02 PM	Dry Comal Creek trail reinstall and extension to 337. Sewer /water line projects have destroyed a valuable asset.
Nov 15 2021 02:59 PM	Fischer park has space, but no capacity... Landa has space but limited parking... When will you determine what you will do with the Seele fields and the Girl Scout area? having space to play field sports in areas that could flood is a good use of non productive land... like the N & W Trib area
Nov 15 2021 01:20 PM	Sidewalks and potholes
Nov 15 2021 01:04 PM	Attracting regional transportation options (rail, bus, etc); roadway markings at the plaza; parking for river recreation; better traffic control at Gruene Rd and Hunter road due to increased development; repair Rapids Dr.
Nov 15 2021 12:48 PM	Streets on katy. Fm 1101 needs turning light
Nov 15 2021 11:23 AM	<p>Common Street expansion, cross walks on Common Street and additional street lights on Common. Goodwin lane expansion and Maintenance until it is expanded.</p> <p>Frequent landscaping the sides of our roadways and 35. Mowing 2 times a year isn't enough.</p> <p>Improve traffic flow on frontage road northbound from FM46 Infront of Canyon HS. The afternoon traffic is brutal and it's only a matter of time until one of our students is Tboned trying to exit the parking lot on to the frontage road.</p>
Nov 15 2021 11:10 AM	Stop the nonsense of the 306/35 road design. They are nuts for thinking this is a good idea. So many accidents in San Marcos at their intersection. Just a bad idea!
Nov 15 2021 10:50 AM	Damn right turning lane at 725 and IH 35 going North
Nov 15 2021 10:30 AM	Improve the flow of traffic and safety at the intersection of 35/46 as soon as possible. There are several new housing developments coming up and the problem is only going to get worse. It is already pretty bad, with frequent accidents, crazy traffic jams, and major time delays (easily 25-45 minutes).
Nov 15 2021 10:21 AM	A traffic light is needed on Common Street between 306 and Hanz Road. We also need more police during busy traffic times. So many times motorists block intersections.
Nov 15 2021 10:12 AM	Bringing the city into the current decade and preparing it for the future century of growth to come.
Nov 15 2021 10:02 AM	Bridge over the Guadalupe south of 35.

Nov 14 2021 11:24 AM	We are going to need an outer loop around NB. Also need more options for crossing the Guadalupe on both the east and west sides of I35. Traffic is only going to get worse as we grow. Public transportation would be wonderful!
Nov 14 2021 07:01 AM	Desperately need speed bumps or other speedy control on wood rd in between walnut and Fredericksburg. The neighborhood is turning with so many more young families and people drive insanely fast using wood as a cut through street
Nov 13 2021 08:47 PM	Traffic
Nov 13 2021 05:47 PM	NA
Nov 13 2021 02:45 PM	Please make San Antonio street nicer.
Nov 13 2021 10:35 AM	Fix the streets! San Antonio street between Walnut and Loop 337 is like a washboard! The "dip" at the intersection of Walnut and San Antonio streets is absurd and dangerous! "Pocket parks" are great gathering places for the deer, with the exception of maintenance workers, I have never seen any people in them. An incredible waste of funds, which could have been used to upgrade streets.
Nov 13 2021 09:18 AM	Mission Hill Park. Please make this a simple walking trail park, perhaps with just mulch trails. Expand the walking/biking trails around the baseball fields.
Nov 13 2021 08:48 AM	Schools for the blind. police visibility to
Nov 13 2021 08:46 AM	Dry Comal Creek Greenway Headwaters at the Comal Alligator Creek Greenway Creating similar green space, trails and parks on the East side of I35 along the Guadalupe River The old mill property and Faust St. bridge area. Conservation plaza area Downtown master plan Common St. bridge/park/cemetery/library/fairgrounds
Nov 13 2021 08:21 AM	Preserving the integrity of existing neighbors. Commercial zoning should not be encroaching on existing residential. Stop doing this under the guise of progress.
Nov 13 2021 07:49 AM	More routes over our rivers. Particularly east of I-35.
Nov 13 2021 07:40 AM	Stop signs, drainage, curbs, and street surface around S. Plum Ave. More camper spots at Camp Mimmiehaha
Nov 13 2021 07:25 AM	Drainage did should have a gate on them so that vehicles so messing up their cars and prevent accidents. Examples of this include the newly made dip on live oak and Mill
Nov 13 2021 06:49 AM	Roads for traffic. Lights that have good timing. If you are adding seating areas make sure there can be shade. The benches off of Walnut have no shade.
Nov 13 2021 06:20 AM	Preserving our downtown area - keeping out large commercial businesses and chains. Working to keep it local businesses and the city not "selling their soul" to revenue they can get from commercial businesses. Protect architecture - don't let it become an "urban" city with modern type buildings being built. Spend time and money protecting our city and controlling growth to keep it a special place.
Nov 12 2021 10:00 PM	Airport improvements facilitating aircraft safety; pavements are deteriorating with heat and traffic use. More frequent mowing to prevent birds and snakes as hazards to people/aircraft
Nov 12 2021 08:20 PM	Sidewalks on North Park Ridge
Nov 12 2021 08:06 PM	Improve traffic flow on hwy 46 between NB and Seguin; improve traffic flow at Creekside; improve congestion on I35
Nov 12 2021 06:10 PM	Landa Park And more parks
Nov 12 2021 04:15 PM	Affordable housing for people that don't qualify for affordable housing assistance.
Nov 12 2021 03:50 PM	A road/bridge between 46 and 725.
Nov 12 2021 01:57 PM	Main plaza circle changed to 1 lane. Safety (lites, fence) to encourage people to walk over to the bandstand, memorials, etc
Nov 12 2021 11:29 AM	Pickleball

	<p>Top priority for any infrastructure funds available even at the expense of everything else in the survey: With TXDOT, build flyovers at 306/IH 35 and at 46/IH 35 exchanges.</p> <p>Pay the entire cost if necessary. These are critical exchanges for our quality of life. Lane widening and access road improvements such as what has been going on for the past many years will not solve the problems. The city and county and NBU must acknowledge their role in promoting completely uncontrolled growth by approving one enormous housing and/or commercial development after another and failing to provide the transportation infrastructure necessary. These intersections are now ridiculously backed up, out of control, dangerous and frustrating for visitors and residents alike. Unless given top priority and addressed in a timely manner, this situation will continue to deteriorate our entire quality of life. Great job on Creekside by the way. (sarcasm) Who even wants to go out there anymore? Traffic was congested from initial development and it has only gotten worse. Much worse. This should not have come as a surprise. Further evidence of extremely poor planning. The city, county and NBU went on to approve apartment complex after apartment complex and poured gasoline on the fire with 1101 housing developments already built out and more coming online. I won't be around to suffer through the Mayfair disaster coming for that area but I am certainly concerned for those who will be. We must build spaghetti bowl flyovers at those intersections as soon as possible.</p>
Nov 12 2021 11:19 AM	
Nov 12 2021 09:48 AM	Invest in a new search for an appropriate location for the proposed new NBW Headquarters and contribute the existing land intended for this purpose to the State to use as a new State Park.
Nov 12 2021 08:44 AM	Working on the road from Schmidt Ave and turning into W. San Antonio and intersects with Walnut. Is this a 1 or 2 lane road?
Nov 12 2021 07:44 AM	Mainly infrastructure, traffic is awful. Signal timing in my opinion is probably the #1 cause and frustration from the traffic. Having to stop at a red light when no one is at the light is the biggest frustration. Hanz Dr. and loop 337/46 is a good example as well as Stone Gate Dr and 46. No turn lane at the light on Barbarossa and 1101 causes traffic that is sometimes just as bad as before when it was just a stop sign. Signal timing at 306/Creekside and 35 intersection is awful. Traffic lights need the biggest adjustment.
Nov 12 2021 06:55 AM	I don't know where the overlap is between city and county at the 725/County Line road area, so this may not apply. It's also possible that my note is already on a plan.
Nov 11 2021 10:59 PM	In my observation, we are in great need of extending the 4 lane expansion on FM725 past County Line road at the very least past Klein Road, but maybe much farther.
Nov 11 2021 10:20 PM	Trails
Nov 11 2021 06:27 PM	Better Traffic control on heavy vehicular streets such as Walnut and Gardenia needing a traffic light timed with lights at the near the interstate.
Nov 11 2021 06:27 PM	Drainage improvements along Seguin Street from I 35 to County Line Road
Nov 11 2021 04:48 PM	A road that loops around south of town. A road very much like the loop just completed north of town. I would also love to see more bike trails, and another fitness center south of town.
Nov 11 2021 04:01 PM	Slow down growth...why approve apartments if streets like common can not support the growth. 337 and 46/35 we just avoid that area. The same with Creekside...the cities and state infrastructure projects are crippling our city
Nov 11 2021 03:16 PM	Don't let developers build subdivisions unless there is adequate infrastructure, water resources etc !
Nov 11 2021 02:51 PM	Sidewalks in older neighborhoods instead of just new housing areas.
Nov 11 2021 02:48 PM	bike and hike trails
Nov 11 2021 02:36 PM	Fix the roadsReduce truck trafficAdd more cross river roads
Nov 11 2021 01:31 PM	Additional facilities like Das Rec in growing neighborhoods.
Nov 11 2021 01:25 PM	Mixed Use developments and promote nice townhome walkable areas. Also stripe San Antonio street so people don't wonder how many lanes it is.
Nov 11 2021 12:58 PM	water & sewage conduits and treatment facilities;fiber optics
Nov 11 2021 12:47 PM	Pedestrian and bicycle infrastructure. Connectivity of existing parks as well as inter city connectivity, to provide alternate means of transportation and recreation. Also to provide more family friendly outdoor activities.
Nov 11 2021 12:45 PM	Timing of lights
Nov 11 2021 12:37 PM	Improvements to traffic congestion, especially on 46 S towards Seguin and all around the Creekside area.
Nov 11 2021 12:35 PM	Regular clearing of land lake
Nov 11 2021 09:50 AM	Pot holes
	RECREATIONAL/MEDICAL marijuana dispensaries

Nov 11 2021 09:36 AM	I think the roads need to be better upgraded before we add "more" stuff. San Antonio street doesn't even have paint and you can't tell if there are two lanes or just one. Busy intersections need lights (like 1044 and Schmidt where it NEEDS to be more than a flashing light) for traffic control. We have so many cars on the roads and it is just getting difficult to navigate around the city anymore.
Nov 11 2021 07:35 AM	Less growth so the city stops playing catch-up to solicited growth
Nov 10 2021 07:41 PM	Finish the construction on creek side. Never see anyone working there seems like wasted money
Nov 10 2021 07:36 PM	Common street, east of Gruene Rd., needs to be widened to two lanes each way all the way to FM 306 and several signals added. The school zone slowdown around the church opposite Club Xing has to go or add traffic signals have to be installed so traffic on Club Xing, Hanze, and Sundance can safely get onto Common St.
Nov 10 2021 06:30 PM	Repaint stripes on edges of all roads/lanes
Nov 10 2021 05:57 PM	Finish projects already begun, especially Creekside intersections
Nov 10 2021 04:17 PM	Support the Great Springs Project. https://greatspringsproject.org/
Nov 10 2021 02:56 PM	A bus system. Better equipped rec facilities that include after school pick up and activities.
Nov 10 2021 02:01 PM	A roller hockey rink would be fantastic
Nov 10 2021 01:00 PM	A performing arts center.
Nov 10 2021 12:55 PM	Roads
Nov 10 2021 12:43 PM	Traffic lights on 1044 at Schmidt rd and Klein rd. Klein rd needs to be repaved and the lines redrawn. More speed limit signs need to be placed on various roadways and enforced.
Nov 10 2021 11:17 AM	.
Nov 10 2021 10:36 AM	Long range planning for the adequacy, preservation, and quality of our water supply does not get nearly enough attention. The development of a performing arts facility worthy of the size and profile of New Braunfels should receive a high priority.
Nov 10 2021 09:17 AM	preserving green space within the city
Nov 10 2021 08:12 AM	Public arts spaces. Huge performing arts center but also smaller places where people can gather and have pop-up concerts or artist displays or theatrical skits - and others could sit on benches or stone flowerbed edging to watch
Nov 10 2021 07:28 AM	planning of more dedicated green space
Nov 10 2021 07:22 AM	H
Nov 09 2021 08:53 PM	Fiber optics for faster, more reliable internet. This is available in the newer subdivisions but not the older neighborhoods like mine. I work from home (remote) & have issues with choppy connectivity with Spectrum.
Nov 09 2021 08:14 PM	New bridge connecting HWY 46 to HWY 725
Nov 09 2021 06:28 PM	Bike and trails that connect all neighborhoods with 10 miles from city parks
Nov 09 2021 04:12 PM	.
Nov 09 2021 02:56 PM	More traffic circles like at the plaza downtown.
Nov 09 2021 02:33 PM	roads, library, more police officers
Nov 09 2021 01:58 PM	youth center for city's teens
Nov 09 2021 01:37 PM	Public transportation. There is no way to get around without a car. The train goes right through here and doesn't even stop! The streets are completely filled with cars. Public transportation would ease the burden. Plus, sidewalks would help with at least letting people walk some places.
Nov 09 2021 01:05 PM	New Braunfels really needs a Performing Arts venue. Even the high school does not have a good facility and the Civic Center is woefully inadequate.
Nov 09 2021 12:01 PM	1. Create a citywide grid of streets and routes to take strain off of Walnut, Seguin, Common, 1101, and 306. 2. Redesign steets in Creekside shopping center and surrounding neighborhoods to create multiple routes both east and west as well as north and south, including under or over I-35. Creekside provides a significant source of revenue for New Braunfels, as well as jobs, shopping, entertainment, and a major hospital. The traffic makes it almost inaccessible and certainly undesirable to drive through. If Tanger Outlet mall became inaccessible and undesirable, San Marcos would do everything in its power to change that. We need to do so for New Braunfels.
Nov 09 2021 01:05 PM	Nothing more to add.

Nov 09 2021 11:51 AM	Bike lanes and more sidewalks. I would love for us to have a Walking City designation. I also think we need to figure out the Creekside "situation". Barbarosa needs expansion, traffic lights and a lot of work. And, we might need east loop based upon the increased population and traffic.
Nov 09 2021 11:16 AM	As the city grows, a second gym like Das Rec would be nice to have. Prior to the pandemic Das Rec was always packed-you had to arrive early to find a space in a class. I can only imagine this will continue to be the case as the city grows.
Nov 09 2021 10:58 AM	Town centers and improved refacing of local main streets with interest for people of all ages
Nov 09 2021 10:53 AM	Bike trails and parking
Nov 09 2021 10:34 AM	review of the North Seguin Street underpass . I know it is historical and personally would like it to stay , perhaps an additional underpass close by on the that was where the original bridge over the dry comal is located . Some time in the future , the railroads are either be combined or relocated ie. Interstate 35 route . Looking into the future probably ADM flour mill will move, thus no longer a need for that line . It's coming , just don't know when . Do not see any other need for the rail lines in downtown , other than letting passengers off. The underpass has served a good use, maybe even elevating the rail line at that location higher . Looking to the future.
Nov 09 2021 10:24 AM	More Public lots/garages and street parking.
Nov 09 2021 10:21 AM	Oversee proper development at Creekside and the new Mayfair developments. Look to how Walnut Ave. ultimately ended up spacious and with improved visibility. Also look to how the City of Kyle built their street and shopping infrastructure with wider streets and smooth traffic flow.
Nov 09 2021 10:20 AM	Traffic is getting very overwhelming. Construction areas do not have clear and efficient detours
Nov 09 2021 10:09 AM	Stop building apartments. Start requiring builders to improve roads/intersections BEFORE developing land
Nov 09 2021 09:29 AM	New lane markings on all streets
Nov 09 2021 09:29 AM	Growth mgt.
Nov 09 2021 09:27 AM	Goodwin Road and Orion road. Railroad crossings.
Nov 09 2021 09:26 AM	At highway 46 west and Hamburg Avenue there needs to be a right-hand turn lane constructed for safe access to the Manor Creek subdivision. It is very dangerous for motorists to try and turn right at this intersection with high-speed cars closely following.
Nov 09 2021 08:10 AM	hiking and biking trails.
Nov 09 2021 08:04 AM	Traffic is terribly congested, so traffic patterns need to be improved including PAINTING/REPAINTING STRIPES AND MARKINGS, adding more lanes to high traffic streets and GETTING ROAD REPAIRS FINISHED. Roads are torn up by road crews but I rarely seen any work being performed on so called road projects. It is also unacceptable that our real estate taxes keep increasing every year and yet we get roads like Klein Road where at one end it is old and patched and in the areas where improvements were performed, it is like driving on a washboard. In fact, it doesn't seem like the road improvement was ever even finished, just that the construction firm quit working on it.
Nov 09 2021 08:01 AM	Expand amount of lanes on FM 725
Nov 09 2021 07:53 AM	na
Nov 09 2021 07:30 AM	City-wide protected bike lanes like they have on 2nd and 4th street in Austin. Public transportation for NB that brings all edges of NB to center; less time parking, more time shopping and dining. They could be small like airport shuttles. Imagine the congestion you could alleviate at Creekside or the shopping center where the old Draffhouse was if there were comfortable a/c shuttles moving people about, running every 10 minutes.
Nov 09 2021 07:22 AM	Arts Center with built-in seating.
Nov 09 2021 07:13 AM	park on each side of town. Ie: park next to HEB and Oak Run Pkway??? Years and years in the making... still a field
Nov 09 2021 07:07 AM	Improving County Line Road. The road has no lines on the road showing there is two lanes and parts of the road are rough. There are other around town like this as well but this is one I believe needs the most attention
Nov 09 2021 06:30 AM	Routes/streets outside loop 337 to improve traffic flow
Nov 09 2021 06:21 AM	Please stop selling to big developers.
Nov 09 2021 05:10 AM	Solms road needs to be re-designed. The cement company needs to pay for part of the damage to the road and a new design to help get things moving better in that area. All the big rigs ham up the road from the frontage road back to the train tracks making it impossible to move

Nov 09 2021 05:08 AM	expand Public Health Services
Nov 09 2021 01:51 AM	Community safety
Nov 08 2021 11:57 PM	Volleyball courts/soccer fields/ football fields
Nov 08 2021 11:43 PM	Comal River Walking path. New Comal River restrooms, changing rooms, maybe a restaurant on top of this building overlooking the chute.
Nov 08 2021 11:22 PM	725 needs to be expanded to more lanes than just 2.
Nov 08 2021 10:33 PM	A second Das Rec, funded the same way.
Nov 08 2021 10:09 PM	Overall the city does a great job! My one piece would be to continue to steer into the growth. The growth is going to happen no matter what. If city council and voters don't steer into it New Braunfels will become Austin. Infrastructure nightmare. Overall city does a great job! Really excited about future growth like Solms Landing.
Nov 08 2021 10:08 PM	Bike lanesFlooded low areas on roadsPavement, potholes and striping roads
Nov 08 2021 09:50 PM	more beautification of the city: plants, sculptures, architecture, design elements
Nov 08 2021 09:03 PM	landa golf course
Nov 08 2021 08:28 PM	Parks, building a sense of community and improving community health, cafes, theaters, art museums, more colleges, indoor/outdoor mall, restaurants
Nov 08 2021 08:20 PM	stop building!
Nov 08 2021 08:04 PM	The poor people/farmers who live on and off of Dauer Ranch road and Pieter road have drainage problems that seem to be getting worse. Probably because I'd all the new subdivisions going up. Also Conrads past the RR tracks gets poor drainage at the low spot as well as Conrads near Kohlenberg.
Nov 08 2021 08:01 PM	Expanding lanes
Nov 08 2021 07:58 PM	Rebuilding Garden St bridge in downtown area; reducing traffic issues on the roundabout/traffic circle downtown; better lighting for pedestrian crosswalks downtown at night (the crosswalk in front of Muck & Fuss is particularly dangerous since there is street parking too close to the crosswalk and you are not able to see pedestrians when they initially enter the roadway, especially at night); expanded library facilities that promote sustainability and connection to nature (examples: Seguin Public Library and Boerne's Patrick Heath Public Library); expedite the process for the redesign of the city's tube shoot on the Comal for safety reasons
Nov 08 2021 07:46 PM	We are a recreational city. We should be more concerned about the quality of the recreation in our city than the quantity of people we draw to the city. Show me another city with the natural beauty and recreational resources that we have? We should value it and make sure our visitors do too.
Nov 08 2021 07:29 PM	Historical and cultural preservation. German heritage
Nov 08 2021 07:27 PM	Senior center
Nov 08 2021 07:26 PM	Protecting our natural resources and improving education programs
Nov 08 2021 06:51 PM	Money needs to go to paving our crumbling streets and at a very rapid rate. We all remember the snailspace of Walnut Avenue and now it is Creekside. Do you realize that is in the bottom of Alligator Creek and that in 1998 there was nothing there and IH35 was closed due to flooding. You need to do a better job with city planning is the first project. Clean out the Planning and Zoning Department and get new people with a education. Develop a better master plan. We are a city of Giant Bill Boards everywhere and they are mud ugly. Common Street needs to be 4 lane from Loop 337 and beyond.
Nov 08 2021 06:48 PM	Zoning!!!
Nov 08 2021 06:43 PM	Parking for events that occur in new braunfels
Nov 08 2021 06:41 PM	Ethics
Nov 08 2021 06:05 PM	Less new housing development until infrastructure is improved
Nov 08 2021 05:46 PM	Not advertising for businesses to move here til we can support the growth, which we can not right now. Don't allow builders to cut down all the trees in Veranendi. Make them plant something besides live oaks that get too big for small lots.
Nov 08 2021 05:45 PM	Na
Nov 08 2021 05:44 PM	Public transportation.
Nov 08 2021 05:32 PM	Acquisition and completion of hiking trails linking Comal County with Hays and Bexar Counties.
Nov 08 2021 05:28 PM	The intersection of 306 and Hunter road is dangerous. A lot of people make a u-turn to get into the convenience store or coffee place. Take out the median strip and make a turn lane that allows cars to turn directly into the parking lot of the convenience store.
Nov 08 2021 05:27 PM	Hike/bike trails; greenbelt parks; projects that display the natural beauty of the area apart from just the rivers
Nov 08 2021 05:19 PM	Long term planning for everything that is listed

Nov 08 2021 05:15 PM	Bicycle trails throughout the city!
Nov 08 2021 05:14 PM	Transportation,water quality,police protection.
Nov 08 2021 05:12 PM	Fix the driveways going into the main library on Common St. One has to go very slowly pulling into any library entrance or else get bounced.
Nov 08 2021 05:10 PM	The area on Walnut Avenue between I-35 and Gardenia Drive needs left turn only lanes in the middle lane. There should only be left turns into businesses and only right turns out of business. Currently, the middle lane is being used as a right-hand merge lane creating danger for all drivers. It's no secret there are regular traffic accidents in this area and these could be easily remedied with proper traffic flow. Signage in parking lots would point people back to I-35 either down S. Mesquite or the alley (?) area behind the fast food restaurants.
Nov 08 2021 05:09 PM	More lanes from hwy 46 to the other side of I35
Nov 08 2021 05:04 PM	It might not be relevant to this survey, but another grocery store than HEB would be appreciated.
Nov 08 2021 05:03 PM	These kinds of surveys usually produce answers to address immediate problems, though capital plans by nature require long lead times in many cases. I would consult with Texas suburban cities in other metropolitan areas that are now the size that New Braunfels will be in 10-15 years. Ask them, in retrospect, what they might have done differently if they could go back in the past. Might yield some different insights, because there are a lot of commonalities between suburban cities in this state, regardless of where they may be located.
Nov 08 2021 05:03 PM	--Low cost spay/neuter for owned pets based on need/income. --Library subscription for Foundation Center (grant search database) to support local nonprofits. --More copies of online books to reduce wait times for popular items.
Nov 08 2021 04:59 PM	road expansion
Nov 08 2021 04:59 PM	Growth management and containment. Traffic problems are a function of overdevelopment.
Nov 08 2021 04:58 PM	Quit spending money on corner landscaping, high dollar benches that NO ONE uses such as the money wasted on Walnut. Consider spending money on walking trails.
Nov 08 2021 04:52 PM	Police!!
Nov 08 2021 04:51 PM	I would like to see a Sprouts grocery store.
Nov 08 2021 04:50 PM	Programs that City can partner with developers to provide affordable housing. See Mueller development in Austin.
Nov 08 2021 04:49 PM	Eliminating all railroad crossings, and eliminating all flooding of streets due to low grade and poor drainage
Nov 08 2021 04:43 PM	Try to limit building throughout and around the city. Getting too congested
Nov 08 2021 04:40 PM	Klein road
Nov 08 2021 04:39 PM	Hike and bike trails, greenspace for family parks
Nov 08 2021 04:36 PM	Sight clearance at intersections. Often can't get clear sight of oncoming traffic.
Nov 08 2021 04:36 PM	Public transportation, even if it's temporary, such as having park and ride for the fair and parades
Nov 08 2021 12:52 PM	Traffic light at Madison Ave
Nov 08 2021 12:46 PM	Camping areas
Nov 08 2021 12:39 PM	Bike trail like ones in San Antonio or Austin where it's safe for Bikers and not have to worry about getting hit by car.
Nov 08 2021 11:21 AM	Preserving green spaces. Lower density will help preserve the small town feel.
Nov 08 2021 10:33 AM	A quality performing arts center that is run by the City. NB is of the size that it is ready for a venue such as this. Veramendi would be the perfect location for this new venue.
Nov 08 2021 10:24 AM	A city of our size needs a performing arts facility.
Nov 07 2021 12:36 PM	Connors Lane 4 lanes wide now not after Mayfair!!!!!!!!!!!!!!!!!!!!!!It's the traffic stupid
Nov 07 2021 11:01 AM	1.finish before you start 2.be more aware of light pollution. Set standards for all businesses and new home/apt developments 3. There are other areas needing improvement to spend funds on DO NOT pave Waterway. It will cause a hazardous situation for the surrounding residences. Especially Augusta at Gruene. 5. Clean up Common from FM 46 to FM 306. It needs to be widened and signals placed. DO NOT pave Waterway. it will not solve any transportation problems. ONLY create more. 6. Think of transportation and added traffic problems before building high rises/apts. clean up the roads BEFORE building.
Nov 07 2021 08:18 AM	7: Plan for schools/water supply/elect supply before building.
Nov 07 2021 08:18 AM	BIKE LANES!!!!!!HIKING TRAILS
Nov 07 2021 02:42 AM	Freiheit Village

Nov 06 2021 11:43 PM	Again-make Fischer Park accessible from Palace Heights neighborhood
Nov 06 2021 11:25 PM	Fix 306 and creek side traffic.
Nov 06 2021 08:41 PM	Move up the timetable for projects identified on the Regional Thoroughfare Plan. Our growth has outpaced our planning.
Nov 06 2021 08:32 PM	Police to enforce speed control
Nov 06 2021 06:17 PM	Left turn signal at Babaroosa. Saengerhalle road is in terrible condition.
Nov 06 2021 01:19 PM	Crosswalks near Goodwin Elementary and Church Hill Middle School. One specifically at the intersection of Gruene Road and Glenbrook Dr. Kids are crossing there, people are driving too fast, it DESPERATELY needs a crosswalk
Nov 06 2021 09:43 AM	A trail system from Landa Park, along the Comal and the Guadeloupe connecting to and across the Faust Street Bridge. Look at Boulder or Durango Colorado River Trails for examples.
Nov 06 2021 09:06 AM	Na
Nov 06 2021 07:25 AM	Construction projects take way too long. Dfw area complete projects in a fraction of the time. It can be done!
Nov 05 2021 11:02 PM	Street repair. Flood control. Finish what you've started. TooMany projects started.
Nov 05 2021 07:20 PM	I think City needs to stop investing in overpriced projects and lower taxes!!!!
Nov 05 2021 06:43 PM	Things to keep kids busy
Nov 05 2021 04:52 PM	Library & public safety
Nov 05 2021 04:44 PM	Public transit, or at least some sort of rideshare service for downtown
Nov 05 2021 01:08 PM	Quit adding permits where traffic congestion exist.
	Public transportation to downtown (star pattern from all over town) buses and light rail
Nov 05 2021 07:18 AM	Bridge connecting 46 and 725 south of I35
Nov 05 2021 05:32 AM	PUPPY PLAYLAND IMPROVEMENT, Beautiful library like Seguin
Nov 04 2021 10:56 PM	Gruene walking village, reroute traffic to Waterway. Green walking shared areas in downtown.
Nov 04 2021 09:28 PM	Better/more public river access in Gruene.
Nov 04 2021 09:12 PM	Create more parking in our beautiful Landa Park. Drainage that starts on Business 35 and runs down Butcher street. Also with the way that Butcher street narrows from Guenther st to Avenue A, it needs to become no parking on one side of the street. It's dangerous with kids walking home from school with no sidewalks
Nov 04 2021 06:35 PM	Extending Recycling for residential; starting full Recycling for businesses; public transportation, bus system; renewable energy; public parking downtown, like a parking garage partiality underground; serious face-lift of downtown are in regards of historic.
Nov 04 2021 06:12 PM	Actually require the street department to WORK! , not hide in a warehouse somewhere.
Nov 04 2021 06:04 PM	Street lights on FM 1101 for safety.
Nov 04 2021 05:32 PM	Highway 46 coming in from Seguin. The city and county approve tons of subdivisions and apartments with no consideration for traffic.
Nov 04 2021 04:05 PM	shuttles to downtown
Nov 04 2021 02:41 PM	Great springs project
Nov 04 2021 02:38 PM	Drainage & street improvements
Nov 04 2021 02:10 PM	Creek side traffic
Nov 04 2021 01:14 PM	Instead of spending more money, lower our taxes.
Nov 04 2021 12:53 PM	Replace the unused benches on Walnut with something similar to what San Antonio has done with exercise equipment that would encourage more people to walk and use them. https://www.sanantonio.gov/ParksAndRec/Parks-Facilities/Specialty-Parks-Amenities/Fitness-Stations- Outdoor
Nov 04 2021 12:51 PM	another golf course
Nov 04 2021 12:20 PM	Expanding FM 725!!! Please!!!
Nov 04 2021 12:09 PM	The City should invest in a new golf course.
Nov 04 2021 11:47 AM	Get on TxDots ass. Bc closing down i35 crossovers and exists does not help anyone in NB. From access to schools or hospitals. When you close post rd exit, Watson exit north or south and now Conrad's exit is closed it makes Commons a nightmare which has schools on there. It makes 1101 a nightmare which also has schools. Then throw in the nightmare of 306 intersection, And you have a clusterf!@k. I just feel that non access to schools when there are so many wrecks on i35 and traffic gets detoured is a safety issue. From public schools to private schools to preschools to childcare centers. Lifetime i35 work needs a better solution. And if that means our city needs to stand up to TxDot or thr State then we as a city need to do that.
Nov 04 2021 11:36 AM	City is doing an amazing job at this time, but, we really need help with the traffic issues.

Nov 04 2021 11:10 AM	Road expansion and traffic flow
Nov 04 2021 11:10 AM	None at this time
Nov 04 2021 10:59 AM	Pickleball courts
Nov 04 2021 10:52 AM	Milltown/Faust St Bridge improvement.
Nov 04 2021 10:51 AM	Really need to do something about 46 crossing 35.
Nov 04 2021 10:48 AM	Any and all projects to alleviate traffic on I-35 by creating, expanding, and improving roadways around town.
Nov 04 2021 10:46 AM	Public transportation
Nov 04 2021 10:37 AM	Walking and hiking trails
Nov 04 2021 08:07 AM	Parking
Nov 04 2021 07:53 AM	More bike Areas And less Highways, NB need to be more popular in trails as well not so much party in the River
Nov 04 2021 07:26 AM	Expanding River road. Veramendi has 4000 homes coming, and river road is a 1 lane road each way. River road going north has to expand, but how? It will eventually take 2 hours to take the beautiful ride up River Road because of traffic
Nov 04 2021 06:52 AM	More expansion of roads and interstate. More people means more traffic.
Nov 03 2021 08:43 PM	ART bases more widely used & available.
Nov 03 2021 08:27 PM	Goodwin lane
Nov 03 2021 08:01 PM	Children's park on Alves lane or on northeast side of town.
	Tornado sirens that can be heard threw out the city
Nov 03 2021 05:45 PM	Another bridge to get across the river between New Braunfels and Seguin
Nov 03 2021 05:20 PM	no
Nov 03 2021 05:02 PM	Dry Comal creek trail
Nov 03 2021 04:57 PM	n/a
	<ol style="list-style-type: none"> 1. Gruene is too congested with cars and it will soon lose it's charm with all the new growth in NB. 2. The houses along Goodwin and Conrads Lane do not have enough room for 2 vehicles, let alone semis and construction vehicles. The curve where they meet, you have to make a complete stop and move over so the semis can make the turn. It's dangerous! 3. There is night racing on Conrads Lane by the train tracks. 4. The neighborhoods have tons of speeding vehicles including the builders. 5. The trains rolls through some nights non stop and each one continuously blows their horns. You can't sleep! 5. We have been stuck in our subdivision because the roads have been flooding and we are very limited on safe exits. There may be one but there is talk of a new truck stop. Don't need it. 6. Fell in love with NB but now considering leaving because of the explosive growth and no infrastructure. 7. Now with the Kohlenburg bridge down, you have trouble getting around the area. The exit at Hunter isn't safe and semis have taken out the guard rail a few times. Hard to make a left to exit, no signal.
Nov 03 2021 03:58 PM	Family Friendly Bikeways program to help connect bike riders across New Braunfels. Or a 12-20 mile bike loop without motorists.
Nov 03 2021 03:56 PM	Please give us a real street with curbs and sidewalks on North Market. We give property taxes and
Nov 03 2021 02:52 PM	Hotel/Motel on our corner of Market & Meusebach. Please
Nov 03 2021 01:53 PM	A bridge from 46 to FM 725
Nov 03 2021 01:33 PM	<ol style="list-style-type: none"> 1. Replace Asphalt at N Market St & Muesbach. 2. Drainage on Klein Rd. 3. Add a light at Walnut & Klein. 4. Extend turning lane between recycling center and copper ridge subdivision. It's dangerous to turn in a one lane highway going 60+. 5. Repair asphalt and level roads in W Zipp Rd.
Nov 03 2021 12:56 PM	Not sure
Nov 03 2021 11:54 AM	More baseball fields
Nov 03 2021 10:49 AM	A bridge from 46 to 725!!!
Nov 03 2021 08:57 AM	Mass statewide connectivity outside of IH 35, or 46. High speed rail for instance is often overlooked when many other countries and cities have adopted it to aid in not only commuters but also tourism alike.
Nov 03 2021 08:57 AM	A public park/rec area off of Alves. There is no city amenities on this side of town.
Nov 03 2021 07:01 AM	Another Golf Course. There is more play than Landa Park GC can support
Nov 02 2021 11:22 PM	Parks need to be developed along the 46 corridor with neighborhoods being added continuously, it would be good to provide park space to counter the sprawl

Nov 02 2021 10:39 PM	We need a park like landa or fischer park and also a das rec facultie i
Nov 02 2021 08:09 PM	Metal roof ordinance, Alves Lane city park, Actual public transportation (busses or rail). Sidewalks on the west side of town, where there are many more pedestrians. Expansion of the Fredericksburg fields to include parking. More hiking and biking trails
Nov 02 2021 06:36 PM	
Nov 02 2021 06:17 PM	Na
Nov 02 2021 01:04 PM	Public transportation
	This may seem so minor compared to all the other issues in New Braunfels but please put it on the radar at least to bring S Kowald into ADA compliance for the sidewalks and the street needs grave repairs. It's dangerous for the kids who are walking to school because most of the road does not have sidewalks for them to safely walk on.
Nov 02 2021 12:11 PM	
Nov 02 2021 11:47 AM	Widen fm725 to four lanes
Nov 02 2021 07:20 AM	Na
Nov 02 2021 06:17 AM	Land preservation, green space
	Slowing growth and development because resources, water, infrastructure, schools etc are already under pressure. Also, I would love to see the city buy the cement factory on the west side of town and shut it down. It's too close to town. It would be great to turn it into a big wildlife preserve, nature park. The factory produces so much dust and pollution.
Nov 02 2021 04:38 AM	
Nov 02 2021 04:14 AM	More fire stations
Nov 01 2021 09:38 PM	Parks outside loop 337
	I would really like to see a city park off of Alves Lane where the city owns property across from Whisperwind. There is so much new housing in this area, and no parks we can walk to.
Nov 01 2021 09:24 PM	
Nov 01 2021 02:08 PM	Sidewalks to Gruene from rock street hazardous to walk as road is narrow with a blind turn
	Please fix creekside. Counter flow is ridiculous. Should be overpasses. Will cause accidents and more congestion. And, why more apartments? Will only add to congestion and bring down overall feel of New Braunfels. Again, stop bowing to deep pocket investors and stop the apartments. It adds to the traffic problems and on and on.
Oct 31 2021 06:54 PM	
Oct 31 2021 03:20 PM	NA
	Parking garage downtown. It could reduce issues with parking even during the week. A stream of income for the city and a way for downtown business owners to make more money which will bring more taxes.
Oct 31 2021 08:07 AM	
	We have a big family and are always looking for something to do out of the house. Walking trails connecting the under developed areas like river east of town, the old mill factory area, etc- just more places that connect the walking along the river the better- like san marcos. This would distribute the parking better and help tie the town together better. When we first moved here, it was very confusing- need to think about a project that creates cohesion among the different areas and then also think about practical flood mitigation for key streets. If there was a walking trail linking key neighborhoods and then the names of the key neighborhoods were more well known, people could better communicate where the live and where they were walking to, etc. just saying "down town" is getting continuously confusing. Need a cohesive way to connect and describe the different districts. Like how everyone knows the district of Gruene- what the heck do you call the area where the library and fair grounds is? What do you call the area south of das rec? Do each of these areas have a specific accessible commercial area that is designed for cohesive destination retail like shops and restaurants? Does each tell the story of its unique history? We have such a great history here- are we building in that.
Oct 31 2021 08:03 AM	
Oct 31 2021 07:32 AM	Commuter rail
Oct 31 2021 01:08 AM	Affordable housing for first time and single home buyers according to their income.
Oct 30 2021 11:51 PM	Make golf carts illegal on public roads. And they should not be allowed downtown or taking up parking.
Oct 30 2021 11:19 PM	More ways to exit the creek side area
	Better maintenance on the city streets. Hold the companies accountable for the job they do for the city. How long did it take to redo Walnut between business 35 and San Antonio street years ago. How far over budget were they? Walnut between 35 and County Line has been done how many times in the last 10-15 years and it's starting to fail again. How city vendors and contractors accountable! New Braunfels is growing at record rates and our streets are no holding up the the growth and will continue to require replacement in the future. Do it right the first time and it will last a whole lot longer !
Oct 30 2021 07:07 PM	
Oct 30 2021 06:33 PM	Transportation options to other cities like san marcos and san antonio

Oct 30 2021 11:19 AM	Improve the Downtown Investments; especially parking. Improve too restrictive residential permitting.
Oct 29 2021 07:47 PM	A legit mall with a Nordstrom. More restaurants in downtown instead of bars Don't build anymore subdivisions
Oct 29 2021 11:09 AM	Tesla Solar Banks for Utility Company's. Partner with NBU to fund our energy expansion the right way. Carbon producing energy must be phased out and NB should lead the way in energy innovation. Developers should shoulder the upfront cost and ongoing cost of implemented clean energy solutions. Clean energy should become the so-called price of admission to build new homes while extracting and exhausting our already fragile natural resources.
Oct 29 2021 10:50 AM	The dio de los muertos festival was really great this year. I'd like to see us invest more in that. It's cool how close it is to wurstfest and that, in itself, is rather indicative of our towns history/demographics. I think we should lean into it. I think it's nice that the plaza trick or treating is a separate event though, bc it leaves more parking for local residents.
Oct 29 2021 10:14 AM	-Sidewalks, street crossing signals, connecting Comal Town to Downtown, - street improvements in Comal Town. - revoke Fair Grounds Association lease and make Fair Grounds a park -invest in Historic Districts to help maintain historical structures -give Historic Commission more authority to preserve historic sites (like surrounding communities do San Marcos/Boerne/Fredericksburg) -preserve small schools in historic parts of town
Oct 29 2021 07:23 AM	Not invest in but focus on completing projects.
Oct 29 2021 05:39 AM	New bridge from 46 to 306 north of Hunter road
Oct 29 2021 12:51 AM	Broadband infrastructure in common community places (libraries, parks, churches, community centers, etc), and dead zones and areas where lower socioeconomic families may be less likely to have internet. Infrastructure and utilities planning should or must always include broadband.... water, sewage, transportation, electricity. Families/children should have basic internet services available to them either through their homes or nearby and accessible community hub-spots.
Oct 28 2021 09:57 PM	None that come to mind.
Oct 28 2021 08:38 PM	Bike trail in Gruene
Oct 28 2021 06:13 PM	Restrictions on truck traffic on small side roads, they are destroying the roads. Reconfigured intersection with Traffic signals at Hunter / Conrad
Oct 28 2021 05:59 PM	Independent restaurants. Thing to make us unique, not just more of the same ...
Oct 28 2021 01:05 PM	NA
Oct 28 2021 10:47 AM	Affordable housing including rent housing, tiny home, specific zoning for tiny home communities
Oct 28 2021 09:18 AM	Stop adding subdivisions and neighborhoods. The infrastructure can't support it and it's become a horrible place to live
Oct 28 2021 09:03 AM	Common street desperately needs sidewalks from the library into town.
Oct 28 2021 07:40 AM	Get a handle on population explosion! The growth that has been allowed is obviously too much, too fast; yet additional expansion continues to be approved (with excitement no less) from city/county officials. If this continues, the rivers and green space will be ruined, public places will be trashed, crime rate will explode—this once beautiful city will exist no more—and it will happen much faster than anyone realizes. Is money, power, "prestige" and a possibly larger place on the map worth it?
Oct 28 2021 07:14 AM	East side walnut & 35 needs right turn lanes
Oct 28 2021 07:00 AM	A traffic light at the south end of County Line Road.
Oct 28 2021 05:48 AM	Hike and bike trails
Oct 27 2021 09:57 PM	Its sad that New Braunfels city does not own the land fill. I am not paying over 100.00 dollars to drop off a couple of rods at the land fill. I am not going to wait to discard paint at the cities 2 times a year drop off. I am not going to pay the land fill 100.00 to drop off a old tire or a small amount of building waste. The grass paper bags are a joke,, citizens need to be encouraged to mulch their yard mowing grass, my backyard neighbor has a stack of yard clippings.
Oct 27 2021 09:22 PM	We need additional grocery stores, e.g. Central Market Brand by HEB and more public access for fishing along the Guadalupe River, no high density housing, and less chain restaurants - keep New Braunfels unique.
Oct 27 2021 04:56 PM	Public transportation, city shuttle bus to key location such as Creekside mall to get some cars off the road. Close down the downtown area around plaza on weekends for pedestrians and golf carts.

Oct 27 2021 04:31 PM	Y'all already have a lot of projects going but they are so slow to complete.
Oct 27 2021 12:31 PM	Na
Oct 27 2021 10:20 AM	Fix our horrible traffic issues. 46 & Freiheit is dangerous
Oct 27 2021 08:54 AM	Affordable housing for the elderly
Oct 27 2021 07:00 AM	The park on the hill behind HEB #2.
Oct 27 2021 02:00 AM	Less dead ends. More options in getting around town
Oct 27 2021 01:00 AM	Better planning. Traffic has gotten out of hand. Our City is bursting with cars and our roads are inadequate.
Oct 26 2021 11:52 PM	Improvements of streets/ add sidewalks to old NB. I live off dittlinger/Veramendi and the quality of the roads are terrible.
Oct 26 2021 10:56 PM	I think the planning committee is doing a wonderful job. Thank you for the opportunity to provide feedback. I love our city! NB is AWESOME!
Oct 26 2021 10:26 PM	Bicycle trails
Oct 26 2021 06:24 PM	Several years ago there was an article in the Herald stating that New Braunfels could be the next Arlington with growth and being in between two major cities. Well, that has happened as Arlington grew and built on any open space and the infrastructure did not keep up with growth and traffic was horrible. The traffic in NB is horrible and it seems more businesses and neighborhoods keep popping up. It makes me want to move!
Oct 26 2021 02:49 PM	Parking garages near downtown and parking near river parks. Lets make these pay to park and free for locals.
Oct 26 2021 02:40 PM	A public bus system
Oct 26 2021 02:17 PM	I think the immediate need now is dealing with the traffic problem that just seems to be getting worse as the city grows. A focus on infrastructure, widening roads, maybe adding overpasses, and I'd love to see a "green bridge" for wildlife crossing over I-35 and major highways. The city seems to be growing faster than we're able to keep up. The worst thing that could happen is that we end up with traffic issues like Austin and San Antonio have.
Oct 26 2021 01:05 PM	We need more protected bike lanes, sidewalks, and trails. It is dangerous for runners/bikers to participate in their physical activity in the middle of the street. It would be great to get an Amtrak stop since many people commute to San Antonio, San Marcos, and Austin every day. Reducing the traffic on I-35 would be awesome. I know I would definitely rather commute using the train. Some of the lights for left turns should be set to blinking yellow during off hours. The light by my house (across from NBHS to turn left onto Borchers from the Loop) is timed very poorly. It takes a long time if you're the one waiting to turn left into the neighborhood, but almost every single time I have to use it, there will be a traffic break where no one is coming, then once traffic is coming on the loop, the light will change green to turn left which stops the flow of traffic on the loop. If this was switched to blinking yellow during off hours, it could reduce the amount of traffic stops at that intersection and allow the loop to flow more consistently.
Oct 26 2021 12:31 PM	Common St widening from 46 to 306. Thanks
Oct 26 2021 06:13 AM	Dry Comal hike and bike trail connection toward San Antonio
Oct 25 2021 11:07 PM	At the intersection of 306 and town center dr, there should be a "no right on red" sign for those turning right off town center towards the highway. They fill up the lanes and cause a back up for cars trying to go straight on 306 from the 1101 side towards the highway side.
Oct 25 2021 11:01 PM	No right on red at town center dr and 306. When heading towards the highway. It's ridiculous. One sign.
Oct 25 2021 10:20 PM	Roads and infrastructure need to be put on new growth and stop causing current residents to make up difference. Increased population has trashed roads and intersections are under construction way to long
Oct 25 2021 04:10 PM	Solar energy for all public buildings
Oct 25 2021 04:02 PM	Speed bumps everywhere...specifically near the schools and through neighborhoods that have been opened up to Klein Rd.
Oct 25 2021 01:53 PM	Bikes lanes please! This is a town where people spend a lot of time outside. Having bike lanes would cut out on traffic and allow us to enjoy outdoor time.
Oct 25 2021 12:23 PM	As the Northeast part of town grows, it would be nice to have a park for communities in the area. Not all of us live in a gated subdivision with a lazy river. It doesn't have to be the scale of Fischer Park, but something small with a playground for the kids would be nice.
Oct 25 2021 10:18 AM	Intersection of Hunter and 306. This is a dangerous intersection with cars doing u turns, turning left, blocking entrance from Hunter into store parking lot.
Oct 25 2021 09:58 AM	A light, speed bumps or more street lights on the Pahlmeyer Rd. in front of Voss Farms Elementary.
Oct 25 2021 09:14 AM	People are constantly running the stop sign.
Oct 25 2021 09:14 AM	Road

	Reforestation Nature parks with lots of trees Landa Park redevelopment Public transportation links
Oct 25 2021 08:36 AM	Airport expansion with goal of scheduled commercial airline service
Oct 25 2021 03:58 AM	Buses in low income areas
Oct 25 2021 01:15 AM	Widen Common Street, turning lanes
Oct 24 2021 09:43 PM	Conrads and Goodwin need to be repaved and need sidewalks and turn lanes. The goodwin and conrads low water crossings need to be fixed. Northside of Nb on the west side of 35 needs some sort of park and hike and bike trails. The drainage at the big curve at goodwin and conrads needs to be Re routed. Flooding at Hunter and Conrads needs to be fixed.
Oct 24 2021 12:57 PM	Don't start so many different road improvements. Finish what is started before closing roads to start another one. FINISH Creekside!!!
Oct 24 2021 01:22 AM	over pass or something that connects I-10 and I-35. Bridge that over passes guadalupe river
Oct 23 2021 10:47 PM	Fix the roads, stripe the lanes with paint that doesn't wash off in the first rain, fix dangerous intersections and put more police on the streets. Fund animal control so they can respond in a timely manner and do something about the overpopulation of deer!!
Oct 23 2021 10:20 PM	,
Oct 23 2021 10:14 PM	Walnut Avenue past County Line Road; drainage areas need to be redone so that cars don't dip as they drive by. Very poor road with lots of other dips. Looks and drives like a very old road, which it is not. Also, Klein Avenue and Zipp Road from 725 have serious low points due to a creek which overflows in heavy rains. Overdue are raised roads or bridges in those areas, especially since new housing developments are going in each year.
Oct 23 2021 06:26 PM	With the influx of people moving to New Braunfels, and the congestion of the tourist area, I feel a project that should be addressed is easing the congestion at Barbarossa, and FM 1101. If anyone needs the hospital, they may have to wait extended periods of time, because there is no turn lane.
Oct 23 2021 05:33 PM	the safety of children - new schools and school zones barely marked and faded or no crosswalks
Oct 23 2021 05:14 PM	Stopping growth!! We have been on water restrictions for years, yet the city still solicits more residential and commercial building. Traffic is terrible!
Oct 23 2021 04:41 PM	Animal services including low cost spay/neuter programs and ordinances to protect animals.
Oct 23 2021 04:40 PM	Fill in sidewalk gaps on Walnut Ave. Road diet with separated bike lanes and bulb outs on Seguin Ave towards downtown to encourage vehicles to drive 25 mph. Reduce main plaza roundabout to one lane, turn outside lane into pedestrian plaza, redo all exits to increase distance between vehicle entry into roundabout and pedestrian crossings. Sidewalk/bike lanes (or shared use path) to connect downtown with Landa Park. Sidewalk/bike lanes (or shared use path) on Seguin Ave south of 35. Improve markings, signage, and night-time visibility for pedestrian and bike crossings. Increase parking downtown. Improve all intersections to accommodate more capacity and bike and pedestrian traffic. Don't allow any new development unless infrastructure is improved first.
Oct 23 2021 04:23 PM	Improve the roads/add more lanes. Build a bridge over the Guadalupe river east of I5 so residents living off of east 46 can get to the south side of town without going the I5/46 intersection. That would move traffic more efficiently.
Oct 23 2021 04:13 PM	Paint lines on all roads!!!!
Oct 23 2021 02:09 PM	Reconfigure the traffic circle. Many drivers are incapable of negotiating it.
Oct 23 2021 01:11 PM	Bike lane and pedestrian access down Hwy46 into downtown
Oct 23 2021 12:53 PM	Slowing down housing development until infrastructure can catch up
Oct 23 2021 12:39 PM	Solar to reduce city operating expenses on their buildings. Please do this, it's stupid not to do it. Then take that money and improve other things.
Oct 23 2021 11:01 AM	Sidewalks on the east side of 35, klein road / 725 area needs sidewalks
Oct 23 2021 10:35 AM	Road infrastructure, more monitoring on heavily traffic roadways / improve signage that are high accident prone zones . Have a plan for NB to deal with increased homelessness.. services to help them.
Oct 23 2021 09:52 AM	We need to make our city safer for pedestrians and make it easier for people to get around. Need buses, sidewalks, bike shares, and bike lanes.
Oct 22 2021 11:21 PM	A full loop of NB! Traffic from 46 S to 35 is abysmal and only worsening with the new home construction. Alves In improvements to" alleviate " congestion on 46 was useless and did almost nothing to improve the problem
Oct 22 2021 10:57 PM	Roads! More travel lanes and fix the damaged roads. Maintain medians and roadsides even when in construction.

Oct 22 2021 10:31 PM	Public transportation
Oct 22 2021 10:01 PM	Sidewalks and bike lanes More green space
Oct 22 2021 09:36 PM	306/Creekside and Barbarosa. Saengerhalle road improvements.
Oct 22 2021 09:05 PM	Sound walls for residents along 46...traffic is terribly loud
Oct 22 2021 07:47 PM	Public Transportation
Oct 22 2021 07:25 PM	Let's get some of these projects finished completely before we start more. 46 traffic and creekside traffic should be top priority.
Oct 22 2021 05:44 PM	Downtown parking
Oct 22 2021 05:02 PM	New parks in the newer areas of the city. Landa and Fischer are great, but with our city expanding vastly in 3 directions, we REALLY need good, safe, fun, attractive parks in all the new areas to relieve the stress on Landa
Oct 22 2021 02:57 PM	Mission Hill park before it's too late and it is lost by encroachment of businesses.
Oct 22 2021 12:34 PM	Really would love y'all to consider the open space/greenbelt around city idea.
Oct 22 2021 12:31 PM	Traffic lights specifically at intersection of 1101 and Creekside (306).
Oct 22 2021 11:31 AM	open up waterway street as i mentioned in previous question. badly needed for residents on hanz drive
Oct 22 2021 10:27 AM	Think the city needs to think about adding a southern loop similiar to 337 which would include adding a bridge over the Guadalupe River connecting back to TX 46 so when I-35 is blocked people have another route to consider.
Oct 22 2021 09:11 AM	Roads. Quality work that lasts not just the lowest bid
Oct 22 2021 09:08 AM	Goodwin needs to be addressed in a timely fashion. This area creates a safety concern for the area. With Oak Creek school causing major traffic on the road at let out time and with the train blocking Orion a lot of the time this is hard for Emergency services to get through.
Oct 22 2021 08:50 AM	Disc golf courseMountain bike trailsNo kill animal shelter
Oct 22 2021 08:25 AM	I believe the city could make additional revenue if codes for property and lawn maintenance were more developed and strictly enforced with fines. I absolutely love New Braunfels but I'm frequently embarrassed by how unkempt and dirty things are. When a property has weeds that are over 12 inches high, a fine could <ol style="list-style-type: none"> 1. Alleviate the property 2. Raise additional revenue for the city (by a LOT, according to how things look frequently around NB) 3. Make our little city the most beautiful gem in the entire Hill Country, if not the state!
Oct 22 2021 07:43 AM	<ol style="list-style-type: none"> 1. County Line Elementary needs immediate repair on their pick up line / street. 2. New Braunfels needs a Children's Hospital 3. Instead of new and bad planned neighborhood we should invest more in our old neighborhoods to improve safety and remove possible areas that are becoming Ghettos. 4. Improve high way safety and new roads to the creekside area
Oct 22 2021 07:39 AM	REALLY enforce the tree ordinances. What the builders are doing in criminal. They mow down all the trees, then you require they put so many back. But the plant these soon to be huge trees all clumped together on these small lots. Please drive through Veramendi and take a look at ALL the builders. I know, I live there.
Oct 22 2021 06:26 AM	Common Street and 1101 are a nightmare. Both need to have lanes added if the city is going to allow further development on these thoroughfares.
Oct 22 2021 04:12 AM	Bike route through Gruene to Torry Park to Comal and Mill. Widen pavement width of Gruene near Sleepyhollow for bikes and runners. Extremely dangerous as is with narrow width, curve and crest.
Oct 22 2021 03:52 AM	Open spaces and greenbelts
Oct 22 2021 01:10 AM	They have invested to much in growth as it is. Restaurants are over crowded and our traffic is awful as a result. Handle what is already here before you think about adding more homes or people.
Oct 22 2021 12:29 AM	Projects to lesson the traffic in and out of New Braunfels in all directions.
Oct 22 2021 12:29 AM	Expand Loop 337 from Ruele Road to 1044 near Klein Rd or County Line
Oct 21 2021 11:09 PM	More green space and fewer housing developments.
Oct 21 2021 11:03 PM	Sidewalks, bike lanes, crosswalks, traffic paint
Oct 21 2021 11:03 PM	Road expansion outside of inner city where need new people are coming in. Help traffic flow. Get the cars moving. More roundabouts maybe. It works in Europe. Let's make a difference in NB.

More rectangle fields vs diamonds fields for sports parks.

Local and regional trail development (cement, asphalt, or crushed gravel) for recreation but also connectivity for special events (Wurstfest), school (more walkers less buses = saves money), and allows people to go to work different ways and reduces needs for parking. A great example city would be Amsterdam and how they build out their roads to incorporate parking, bike lanes, sidewalks, green space, and crossing signals in a highly efficient and safe method. It could also lead to area wide bike rental service option. Also we are lagging big time for the project connecting SATX to ATX via trail network.

Building a rail station to encourage Amtrak or regional rail service.

Encourage more round-a-bouts throughout town but notably in new developments to create less hard stops for people. Also look into flashing red and yellow lights during late night/off hours for some intersections.

Oct 21 2021 10:28 PM	Encourage low usage parking lots to be offered as parking for commuter car pool lots.
Oct 21 2021 10:27 PM	Publicly held and fully transparent crypto investment fund for future use to further expand and strengthen in anticipation of known future expansions.
Oct 21 2021 10:06 PM	Additional parks that include skate parks, BMX trails- something that will attract teens and get them outside.
Oct 21 2021 10:04 PM	1) Hoffman lane is a pedestrian and bike death trap. 2) improve bike path routes not on roads. Look at other states prairie paths. 3) preserve farm / ag land education. You must admit, we are driving out all the farm and ag owners. We need to educate the next generations.
Oct 21 2021 10:02 PM	Parks with shade or free indoor parks for children. It's too hot here in the summer for kids to play at our outdoor playgrounds in the summer.
Oct 21 2021 09:33 PM	Downtown parking
Oct 21 2021 09:22 PM	The city should not start multiple road closures at the same time. Having 6-10 street closures at a time effects everyone's ability to navigate around the city. This greatly frustrates locals and hurts tourism.
Oct 21 2021 08:48 PM	Too many
Oct 21 2021 07:51 PM	Please finish the project at creek side asap and get a bridge over the river on the east side of town
Oct 21 2021 07:49 PM	Focus capital investments on those areas of the city that need help (under-privileged), not on the those that don't. The measure of a civilization is how it treats its weakest members.
Oct 21 2021 07:36 PM	Senior citizens center with change of management
Oct 21 2021 07:16 PM	Bathrooms at the Weston soccer fields. Port a pottys are disgusting and not okay.
Oct 21 2021 05:44 PM	Left turn lanes where traffic gets very congested such as the intersection of Barbarosa & Creekside Way.
Oct 21 2021 05:42 PM	A new Rec center, Das Rec Zwei. An outdoor pool. More library locations.
Oct 21 2021 05:21 PM	Memorial/County Line hike and bike trails needs expanse northward over FM725 to the river. Water points on the trail.
Oct 21 2021 05:07 PM	Road expansion where all the multiple new neighborhoods are building!!!
Oct 21 2021 04:59 PM	Photovoltaic systems. HVAC condensate reclamation, passive solar preheat for domestic water supply, Finish current projects before starting new ones and promoting more green areas in our city. Too much housing and not enough street to support it.
Oct 21 2021 04:53 PM	Improve Highway 46 West traffic flow as a result of Veramindi housing expansion
Oct 21 2021 04:49 PM	Fix Conrad's road!!!
Oct 21 2021 04:34 PM	Put basketball court at Fischer Park.
Oct 21 2021 04:30 PM	Complete Mission Hill Park Master Plan
Oct 21 2021 04:24 PM	In probably the next Bond proposal, I believe that more development should focus on the South-East Quadrant, i.e. TX 46 and IH 35, east of the Guadalupe. The reason is that that the congestion issue on SH 46 will take time to resolve, and there are a large number of new homes being constructed.
Oct 21 2021 04:11 PM	Invest in more water resources, we are growing so fast we will be in perpetual water rationing
Oct 21 2021 03:29 PM	Preserving green space before it all gets developed should be the city's first priority.

	<ul style="list-style-type: none"> - purchase the 5-acre natural area on County Line Rd., next to Fischer Park that is on the market for \$495K. This property contains the spring that is feeding the 2 ponds in Fischer Park. - consider turning lots with abandoned or un-livable homes into 'pocket parks' using grant \$ to purchase the properties. - find a way to take ownership of some of the properties that are put up for 'public sale' for non-payment of property taxes (now being sold 'on the courthouse steps.') - create more hike & bike trails that bring residents downtown - connect the existing hike & bike trails to make a more contiguous trail - permanently allocate a portion of city sales tax to green and climate-moderating projects - reinstate the tree ordinance - initiate a 'Keep NB Green' campaign and a 'Downtown Green Team' that will work to plant more trees and other native plants and grasses in available plots of land in the city
Oct 21 2021 03:12 PM	
Oct 21 2021 03:10 PM	Teen rec center, skating rink, more commercial/retail development on the south side of town - not everything needs to be at Creekside
Oct 21 2021 01:34 PM	SIDEWALKS in the older neighborhoods downtown. Lots of walkers and older residents and the traffic from downtown is unsafe for them to walk in the streets.
Oct 21 2021 01:24 PM	Looks good to me.
Oct 21 2021 01:13 PM	City needs to follow through with the complete master plan for Mission Hill Park as a community park outside Loop 337.
Oct 21 2021 12:17 PM	Sidewalks to connect Clear Springs Ranch to neighboring communities to allow senior walking path.
Oct 21 2021 11:48 AM	Electrical grids to support all the home building! Better drainage in our backyards. The "natural water flow" isn't working in Cloud Country subdivision
Oct 21 2021 11:27 AM	More large parks to ease the crowded Landa park. Large hiking areas and nature trails like at Guadalupe State Park. Alternative route and/or lane expansion along 46 between New Braunfels and Seguin.
Oct 21 2021 11:07 AM	HANDICAPP ACCESSIBILITY & PARKING
Oct 21 2021 10:15 AM	Downtown parking
Oct 21 2021 09:53 AM	BUILD THE ROAD FROM BUS 35 to BROOKE AVE IN AUGUST FIELDS!
Oct 21 2021 09:33 AM	Downtown parking garage within walking distance of court house/city center
Oct 21 2021 09:31 AM	Beautification of New Braunfels
Oct 21 2021 09:21 AM	Improve the design and layout of the plaza, the presence of two lanes without clear information on which lane an individual should be in causes the inside lane to be quite precarious at times and unused more often than not
Oct 21 2021 09:20 AM	Public transportation is needed since this is a major issue.
Oct 21 2021 09:18 AM	I kind of wish the city leaders would study how induced traffic demand works and how when they build new roads they only compound the worsening traffic situation. The solution is NO NEW ROADS AND FOCUS ON VEHICULAR TRAFFIC REDUCTIONS.
Oct 21 2021 09:15 AM	Invest in your people. Stop saying your people are your greatest asset but you hold their raises, until January, that they earned 2 years ago.
Oct 21 2021 09:06 AM	Mission Hill Park
Oct 21 2021 09:00 AM	Community events!
Oct 21 2021 07:59 AM	Headwaters at the Comal project. Dry Comal Creek Trail development. Castell Street redevelopment/paving. Center city parking. Gruene parking. Relocation of city visitors center to more accessible location (e.g., Walnut Center or downtown).
Oct 21 2021 07:55 AM	1. Stop allowing river outfitters to use the main roads of downtown during the summer rush time. Backing up traffic to downtown to a point you don't want to shop downtown. The opposite effect you want for the Main Street project.
Oct 21 2021 07:42 AM	Making walking and biking through the downtown neighborhoods, Landa Park, Wurstfest, Schlitterbahn, river recreation areas safer by including clear and safe bike lanes, smooth and complete sidewalks, vehicle speed controls and enforcement that keep citizens and tourist safe from vehicular traffic.
Oct 21 2021 07:38 AM	We need a bridge direct to 35 from loop 3009 from 306 all the way to 35 no lights. We don't need a bridge over river road unless it's connecting all the way to the highway.
Oct 21 2021 07:37 AM	none
Oct 21 2021 07:37 AM	Sidewalk crossings downtown along with side walks
Oct 21 2021 07:34 AM	1101 needs to be widen or police need to patrol! There are 3 schools on this rode and people drive too fast or drive down the turn lane like it's a passing lane.

Oct 21 2021 07:31 AM	North South Collector and Connecting Creekside back to IH-35 along Sophie Lane. Finish improving Kowald
Oct 21 2021 07:31 AM	46 and 35 intersection 725 and 35 intersection
Oct 21 2021 07:28 AM	city reservoirs for future drinking water
Oct 21 2021 07:28 AM	Invest *only* what you can budget with NO new taxes and NO new bond requests.
Oct 21 2021 07:01 AM	Lowering NBU impact charges, fixing the intersection at county line rd and dove crossing near / fisher park entrance that shakes your car violently depending on which way you turn in that intersection
Oct 21 2021 06:32 AM	A bridge I Crossing the Guadalupe on the east side of town.
Oct 21 2021 05:34 AM	Buy lots near the river to open up more public river access with parking
Oct 21 2021 05:22 AM	Bike racks in parks and sound downtown
Oct 21 2021 05:15 AM	E Tanglewood drive needs repaired
Oct 21 2021 05:09 AM	Upgrade and fix Solms road between IH 35 and FM 482 . The surface that was used is deteriorating and now with the new Dollar General opening will get worse. Currently the road is ruining personal vehicle suspensions.
Oct 21 2021 05:08 AM	More attention to east side development. There appears to be no plan for the long term except to add subdivision after subdivision. Quit spending hundreds of millions on schools. You are throwing away our tax dollars.
Oct 21 2021 05:08 AM	Expand heavily traveled 2 lane roads
Oct 21 2021 03:09 AM	Public transportation and create a rec league system for all ages on sliding scale to promote exercise and health
Oct 21 2021 12:17 AM	1. Water supply! The city keeps approving new housing developments with no apparent thought about providing water to all these homes! More homes means a greater demand on our water supply. As it is, existing homes are continually put on water use restrictions. Are we looking at even more restrictions?? For the sake of all residents, invest in serious city planning for our water supply. 2. Traffic planning!! Again, the city keeps approving more and more housing developments with no apparent thought to traffic nightmares on access roads to these homes. I understand, more homes, more taxes in the coffers, but please use some common sense in looking at new homesites and adequate access roads. We have a beautiful city. Please help keep it that way.
Oct 20 2021 11:41 PM	Helping small businesses and keeping New Braunfels a small town
Oct 20 2021 11:34 PM	With as many tourists we get, we NEED public transportation options. It'll help alleviate traffic and help locals.
Oct 20 2021 10:08 PM	Make the RV park under a public park. Floods too often. Possible dog park north side of town
Oct 20 2021 10:01 PM	How many cars and trucks does the city really need?
Oct 20 2021 09:59 PM	PARKING AND PARK/RIVER ACCESS FOR RESIDENTS ONLY
Oct 20 2021 09:45 PM	Lower property tax. Get a park made on the. Roth side of NB. Maybe on the 337 loop or on 46
Oct 20 2021 09:42 PM	Sidewalks on downtown streets around the Plaza -Comal, Academy, and Mill. These streets are where most people walk when exercising, being looky-Lus, etc.
Oct 20 2021 09:14 PM	Public transportation.
Oct 20 2021 09:11 PM	Extend the train quiet zone East of the intersection of 1102 and Hunter Road. Dark sky lighting restrictions.
Oct 20 2021 09:00 PM	Purchase as much free space as possible.or work with developers to swap. San Marcos did this in the 90s and now people from NB drive to San Marcos to get outside. We need 400-400 acres. Once it's developed we can't get it back!!!!!!!
Oct 20 2021 08:57 PM	There should be another bridge over the Guadalupe river somewhere on the East side of town (maybe at County Line Rd or Klein Rd)that connects 725 and Hwy 46. This could be a shared project between the city of NB and Guadalupe County.
Oct 20 2021 08:57 PM	More hike and bike trails, more sidewalks, and conserve more green spaces to balance all the construction.
Oct 20 2021 08:57 PM	Downtown parking. Private parking is mostly restricted and tow controlled and for good reason so there IS a lack of available parking !

	Fixing the lines on W San Antonio Street.
Oct 20 2021 08:52 PM	Also, I don't particularly like the look of the Jaws Skate Park. It attracts delinquents of all ages. Can there something done to make it more family friendly and change the crowd that hangs out there. Maybe a bigger police presence. It's always crawling with hoodlum children late into the night. I wish it was more like Fisher park with a splash pad and learning center for children, and a nicer walking path with better landscaping and wildlife. Lastly, the chain link fence is an eyesore, please remove it. I live in Mockingbird Heights and we have nothing as good as Fisher park close to our neighborhood. I feel like the area on W San Antonio St near Jaws Skate Park looks poverty-stricken. It really needs a revamping and sprucing up.
Oct 20 2021 08:50 PM	South East Library Branch, Phase 2 of the Sports Complex, alligator Creek trails, police substation, sidewalks on Common St
Oct 20 2021 08:35 PM	No more road improvements until the current ones are complete. It's gridlock everywhere we go. Take an extra 30 mins to get anywhere.
Oct 20 2021 08:31 PM	starting allowing taller and more mixed use development in the city limits now, not five or ten years from now. look how far behind the city is in utilities your idea in growth is upside down debt is killing the city
Oct 20 2021 08:00 PM	Street maintenance throughout the city, maintaining the historic and welcoming atmosphere of downtown, walking and bike path development
Oct 20 2021 07:15 PM	Resurfacing the many streets that are deteriorating
Oct 20 2021 06:29 PM	Permanent continuous concrete hiking and biking trail connecting loop 337 to Wurstfest along Dry Comal Creek. An exit road from Town Creek subdivision over the railroad tracks at Fredericksburg Rd. Soon this development will be too large for existing exits.
Oct 20 2021 05:53 PM	Incentivize expansion of state roads like 725, 1044, 1101 etc to make them happen faster. Continue 337 with another river crossing south of 35
Oct 20 2021 05:26 PM	Homeless resources and mental health/substance abuse help
Oct 20 2021 04:40 PM	None stop growing the city it's no where near what it used to be and it's getting worse and worse everyday
Oct 20 2021 04:23 PM	Alves lane park
Oct 20 2021 04:20 PM	Public restrooms at all facilities. More street lightsExtended hours at recycling center
Oct 20 2021 04:19 PM	Saur Lane from Alves lane to 758 needs to be redone. Also Saengerhalle needs to be wider and redone.
Oct 20 2021 04:18 PM	Expand basic needs food availability, shopping, police, fire, transportation prior to building any more thousand + home subdivision New Braunfels does not have the infrastructure to properly support its current residents let alone all those moving here in the next 3 years
Oct 20 2021 04:12 PM	Wildlife preservation. Less building of apartments and cookie cutter homes. This city has lost its unique charm.
Oct 20 2021 04:08 PM	More money to PD for the increase in crime, finish road construction on exsisting roads before starting new projects.
Oct 20 2021 03:54 PM	Getting through traffic lights anywhere near I35 is so very frustrating. It used to take 14 minutes to get from our house to Creekside. Now, you can't even get through the light at I35 and 306 in15 minutes.
Oct 20 2021 03:44 PM	Access to in-town residential communities such as Town Creek.
Oct 20 2021 03:40 PM	county line flood area near 1044 its horrible and dangerous.
Oct 20 2021 03:21 PM	Police funding more hiring better priorities
Oct 20 2021 03:11 PM	Bus transportation. Taking low income, elderly and young to shopping centers, downtown, movies, grocery stores, post office, banks, etc.
Oct 20 2021 03:08 PM	35 & Engel (needs to be addressed- problem area) Fix Weston Rd.
Oct 20 2021 02:42 PM	Fix the 46, library in the Clear Springs/Avery Park Area, Public Park in Clear Springs/Avery Park Area. Dog park in Clear Springs?Avery Park Area. I pay a lot of taxes yet have a long and dangerous drive to any city facility.
Oct 20 2021 02:39 PM	Widening and repairing Conrad's all the way from 35 DPS area to 1102. Goodwin area as well as improvements on 1102. Specifically adding a traffic light at 1102 and Conrad's.
Oct 20 2021 02:26 PM	N/A
Oct 20 2021 01:51 PM	Itself! The people who have grown up in this area and this city who have fond memories of their New Braunfels... not catering to hoity-toity people from out of state.
Oct 20 2021 01:32 PM	Protect against gentrification

	<p>The city needs to invest in multiple projects. As a geographer and as a resident, there are numerous issues throughout the city that if left uninvested and unattended to, the city will crumble under the influx of new residents.</p> <ol style="list-style-type: none"> 1) The roads need to be widened and in many places there needs to be an addition of another lane, or turn lanes (e.g., Saur Lane and 758, Barbarosa and 1101, and basically all of Barbarosa from Alves to 1101). 2) The intersection at 46 and Saengerhalle is a death trap. Coming from either direction, to get in the turn lane it slows down traffic and the turn lane is so short due to the unbalanced nature of that intersection (46, Mary Blvd, Saengerhalle) and the poles in the road. There needs to be a better way. 3) There is an unnecessary amount of cement that is used to force flow of traffic. For example in Creekside there are three turn lanes (the new one for what was supposed to be a grocery store, one right before Home Goods, and the one into Specs) all separated and spaced apart with cement in between. And then the parking lots don't even connect so if you make a wrong turn because the whole thing is confusing to begin with you have to turn around. 4) Why can't we connect businesses together rather than every single one have their own driveway and forcing people onto 46. It is just insane! 5) We need to maintain and protect GREEN SPACES. With all of the development and houses, we have lost a HUGE amount of green spaces which is important to keep from a rising urban heat index. What that means is that New Braunfels is going to get significantly hotter in temperature because of the buildings are retaining the heat and locking it into our atmosphere, whereas with green spaces it can reflect back out. 6) Parking downtown needs to be essential. New Braunfels is NOT a pedestrian/bike/public transit city, and it never will be one. This is not Austin, it is not San Antonio. Therefore, free parking in the downtown area, such as parking garages should be considered. 7) 46 is all around horrendous coming from Seguin into town. It should not take 30 minutes to get from Pieper Road to the downtown area and this is during ALL hours of the day, Sunday through Saturday. The number of cars are just getting worse because you boast about how you approved 12,000 building permits in the last 10 years. Do you guys not live in town? The trucks add to the traffic coming from Seguin (I-10) to I-35. There needs to be a different route for them. Not to mention we only have 46 or 306
Oct 20 2021 01:26 PM	Bus system, maybe scooter system, more bike lanes, more improvements to side walks, better road infrastructure, focus on finishing current projects, bigger or more libraries. Fire ems and police at fine.
Oct 20 2021 01:21 PM	Drainage control needs work
Oct 20 2021 01:18 PM	Maintenance and pride in the city we live in. New Braunfels is one of the most unkept and dirtiest "small" town cities in Texas. It is not pleasant to be outside and not take pride in where you live.
Oct 20 2021 01:15 PM	More bike lanes and/or bike accessible trails
Oct 20 2021 01:14 PM	Keeping existing sidewalks clear if vegetation good example is on Freiheit road between 46 and Barbarosa.
Oct 20 2021 01:14 PM	Conrad from Goodwin to 1102. Intersection improvement at 1102 and Hoffman
Oct 20 2021 01:12 PM	Green spaces and bringing people outdoors. Responsible growth via restricting new construction and focusing on quality housing not quaint
Oct 20 2021 01:10 PM	Parking garages downtown. Especially for that new mixed use development. The proposed lot doesn't even have enough spaces if the residents have more than one vehicle, which they likely will, and the businesses in the building and surrounding area will suffer for it.
Oct 20 2021 01:09 PM	Additional Parking downtown or transportation that makes getting downtown easier
Oct 20 2021 01:05 PM	OUR KIDS!!!!
Oct 20 2021 01:04 PM	More sidewalks and parks on the newer side of town by creekside
Oct 20 2021 12:49 PM	Community health fair
Oct 20 2021 12:26 PM	Hiking and biking trails and infrastructure. Please invest in Dry Comal Creek
Oct 20 2021 12:17 PM	Bike and walking trails which connect parks and recreational opportunities. New Braunfels is way behind similar cities in this area. Also, connect neighborhoods and schools or other attractions to reduce short distance driving and parking needs. For Example, the New Braunfels high school has no crosswalk or pedestrian bridge to access the Veramendi neighborhood across highway 337; consequently people have no choice but to drive. New Braunfels will never be able to build enough roads and parking for everyone but by connecting areas of interesting within short distances people could have an alternative to driving.
Oct 20 2021 11:07 AM	Stop lights , speed bumps , redoing roads
Oct 20 2021 10:53 AM	.
Oct 20 2021 10:08 AM	Walking trails along the river.
Oct 20 2021 10:05 AM	N/A
Oct 20 2021 08:54 AM	SEALE ELEMENTARY

Oct 20 2021 08:37 AM	Create intersection @ Oakwood Blvd (or California) and Loop 337. Since loop construction, there has been a big increase in westbound traffic along Ohio behind NBHS, through residential and school zone.
Oct 19 2021 08:39 PM	Non profits that help people in NB.
Oct 19 2021 07:46 PM	Please please please get some public transportation available. Busses or trams would be fine. A long term but much wanted project would be passenger rail between here, San Antonio, San Marcos, and Austin. My mother and grandmother have both been waiting for this long before I have.
Oct 19 2021 07:01 PM	Sidewalks on Gruene road and Hunter road- expansion and sidewalks.
Oct 19 2021 05:42 PM	KEEP SAFETY FIRST IN EVERY PUBLIC SITUATION!
Oct 19 2021 05:26 PM	Putting above ground utility wires underground.
Oct 19 2021 05:15 PM	widen Common Street
Oct 19 2021 05:03 PM	Bike lanesBike lanesBike lanes
Oct 19 2021 04:56 PM	Make community gym more affordable or free so that all residents can use it not just the ones who can pay for it, or the lower income persons that get it for free based on their income. Everyone should be afforded to use a City gym without having to pay the same or more than private gyms in the area.
Oct 19 2021 04:23 PM	Better streets and fire and safety.
Oct 19 2021 04:17 PM	Acquisition of more public access to rivers
Oct 19 2021 03:57 PM	Streets, street ROW, secure easements and buffer to ensure safety in the future.
Oct 19 2021 03:42 PM	A light is needed at county line and 1044.
Oct 19 2021 03:11 PM	Better Traffic light coordination
Oct 19 2021 02:45 PM	Residential sidewalks
Oct 19 2021 02:17 PM	Build more schools for the growing communities. Hire more teachers to help with the large amount of students in New Braunfels.
Oct 19 2021 02:12 PM	More restaurants and businesses and less houses. We have over five new developments with 200-2000 single family homes coming but the roads and businesses can't support the growth.
Oct 19 2021 02:11 PM	Streets
Oct 19 2021 02:02 PM	SouthEast Branch Library and outdoor programming space at the main library
Oct 19 2021 02:01 PM	Public transportation is needed everywhere, to connect all parts of the city. At our size and growing, having no transit system either by bus, tram or rail it's become ridiculous. We need to keep up and provide access to all people living, working and visiting our city.
Oct 19 2021 02:00 PM	SHOULD I SAY MORE....NEW BRAUNFELS REGIONAL AIRPORT. YES I KNOW THE COUNCIL APPROVED IT TO THE NATIONAL AIRPORT, WHICH DOES NOTHING FOR THE AIRPORT. ITT WAS A SET UP TO MAKE THE MANAGER LOOK LIKE HE IS DOING SOMETHING HUGE FOR THE COMMUNITY.....STUPID IDEA TO THE REST OF THE COMMUNITY. HECK THEY DONT EVEN KNOW NEW BRAUNFELS HAS AN AIRPORT.
Oct 19 2021 01:57 PM	We are a tourist destination. My selections/recommendations are based upon the fact that we need to make sure that we can accommodate the influx of people to the area.
Oct 19 2021 01:56 PM	Dry Comal Creek trail/San Antonio Street through I35 Spur
Oct 19 2021 01:49 PM	Improve garbage pickup, have more community pickup instead of individual pickup. Save money and use of trucks
Oct 19 2021 01:45 PM	The road surface on the whole length of Common Street is terrible. It needs to be resurfaced.
Oct 19 2021 01:29 PM	street improvements, comal river, drainage
Oct 19 2021 01:23 PM	Street repairPolice patrol in neighborhood
Oct 19 2021 01:21 PM	Sidewalks along the busiest streets
Oct 19 2021 01:21 PM	Keeping the aging population in their homes. No elderly person should lose their home because they cannot pay the taxes due to inflated property values.
Oct 19 2021 01:17 PM	Aligning streets for smoother traffic control.
