

### New Braunfels Veteran’s Memorial Nomination Form

The New Braunfels Veteran’s Memorial was created to recognize the service that the citizens of New Braunfels have given to our country. Each branch of the military is represented on the exterior walls including Air Force, Army, Coast Guard, Marines, Navy, and Space Force. The interior walls honor those who gave the ultimate sacrifice in service to our country. There is also a special recognition for Gold Star Families.

Members of the public can recommend Veterans for inclusion on the memorial wall. To be eligible for consideration, the Veteran being nominated must meet the following criteria:
